Words of the Crown

Krake and Beatrix, most humble majesties of the Black Dragon Thrones,

Greetings to all and everyone in our beautiful lands of Drachenwald!

We are well pleased to see our Kingdom being so wealthy and joyous. As we travel our lands we are met with magnificent feasts, singing, dancing, mighty tournaments, our populace happily sharing their knowledge amongst each other and displaying their beautiful arts and sciences.

All of this we want to reward you all for, and we do so by generous tax returns to ensure you are all doing well. But we also want to reward individual persons in our Kingdom and for this we have asked for your help, for you to be our eyes and ears and help us see those who need to be recognised. And you have stepped up, you have sent in recommendations and we are so, so grateful that we have been able to award those deserving!

To continue doing this, as we very much want to do, we must again ask for your aid. As we recognise the work of one of our people we do love to be able to offer them a scroll and an award token and currently the treasure chests of the Kingdom, despite being heavy with gold, are emptied of Swans, Swallows and Wings in particular, and the rings to go with them. So if you can, want and will, please contribute to this so that we can continue to give a beautiful token with the awards that we give. Any other tokens are of course also much appreciated.

Forever grateful for your service and loyalty,
Your most humble King and Queen.

Greetings from the Seneschal

Dear Drachenwald!

Greetings!

It is wonderful to see our kingdom seething with activity. We make costumes - both at home in our room and together. We practice fighting, fencing and archery. We develop and plan our tent camps. Every three months, your seneschals send in reports, which I then compile and send to the SCA. It is inspiring to read about everything that happens around Drachenwald! So keep up the amazing work!

See you soon!

Tova av Attemark

Kingdom Seneschal

Greetings from the Chronicler

Greetings unto the populace of our wondrous Kingdom of Drachenwald,

It has taken a while, but we have finally caught up with the court report backlog. We also have an amazing plethora of events and event announcements. I would like to take this opportunity to remind people that when adding event information to the Kingdom calendar, please fill out the information in full and do not simply refer to a webpage. Doing so prevents me, as Kingdom Chronicler, from publishing the event announcement until this is corrected and all required information is present.

With the redevelopment of the SCA membership portal, many things have changed, and particularly the full newsletter archive is no longer accessible. The current issue of any Kingdom newsletter can be found from <https://sca.app.neoncrm.com/np/clients/sca/neonPage.jsp?pageId=7&>. Unfortunately we do not currently have any information on the future state of the Kingdom newsletter archive or information on how this will be accessed, but as soon as we have further information to share, please rest assured that we will.

Finally I would like to take the opportunity to mention that there are many many people doing a lot of work behind the scenes in order that our game proceeds smoothly, and that most of the time, these people are very much the hidden forces in our Kingdom. Thus I would like to personally thank everyone who has done, who does, and who is going to do such work. I would especially like to point out our local/regional Chroniclers, who do an amazing job with our group newsletters - please take the time to thank them!

Yours in Service,

Dafydd Myfyrgar

Message from Their Majesties - A Call to Curia

Their Majesties Krake and Beatrix wish to consult with Curia and hear your advice regarding the retired silver kingdom crowns. The crowns can be melted down and the silver used for Albion tokens, thus the silver would be used for something dear to the Kingdom, it would enhance the emotional value of the Albion and make sure the Crowns have tokens for the award.

Their Majesties has had a generous offer from Master SvartulvR Kâte to melt down the silver crowns and from Mistress Oriane d'Avallon who will happily donate some fine silver scrap. Both of them would then make Albion tokens from the material.

The Curia to discuss this will be held on the Friday evening of **Spring crown, on March 31st.**

Ruling Royals: **Baroness Katherina of Knight's crossing**

Court Herald: *Dominic Beniamin*

Order of the Golden Book

Swanhilde von Bärenau - scroll given, token given

Furthermore

- All through court, there was ever a bottle at the lips of Victoria (the goblin) of Turmstadt. Thereafter, it was noted by many that her speech was unintelligible and her behaviour quite rowdy. She even battered the herald by slapping him with a hand that she had covered completely in her own viscous saliva! What had the good herald done to deserve this? Nothing, but inform her that urinating on the Baroness, which she had done in the presence of many, was unacceptable and would not go unpunished. Her Excellency showed great mercy and grace in how she handled the incident. However, I fear that there will be future outbursts if this is not more formally addressed. I ask that this report be sent to Their Majesties. I also ask that Their Majesties be sent the reports from Golden Arrow and Fortuna's Champion, so They may see the pattern of aggression that I have documented. Victoria of Turmstadt's reign of terror must be brought to an end!

Ruling Royals: **Princess Eularia & Prince Alexandre of Insulae Draconis**

Court Herald: *Hartmann Rogge*

Nordmarks Sparre

Ranulf Li Norreis - scroll given, no token given (scroll by Stigot Lo Molly)

Furthermore

- The laughing court! I had the great honour of sitting next to Prince Alexandre d'Avignon during the banquet. We talked different designs on coronettes. Normarks is made in sections, which makes it easy to change in size. Prince Alexandre d'Avignon showed that the ID's coronet is one size and very large by happily pulling it over his head down to his shoulders. When he was about to take off the coronet, he got stuck in his hair so me and Princess Eularia had to help him loose. We smiled a little but made no big deal out of Prince Alexandre's bad luck. When Prince Alexandre then during court, again, got stuck with the coronette in his hair, I couldn't contain myself for laughter. The whole court had fun, including Prince

Alexandre. It's been a long time since I've laughed so much! Yes and under the court of ID we had a Nordmark court, then Lord Ranulf Li Norreis got Nordmark's sparre.

Nordmark Coronet

Court Herald: *Lantgraaf Hartman*

Furthermore

- The current bearer of "Aster Mortis" gave this token of most spectacular death to Countess Eila for her performances at the coronet tournament.
- Princess Anna herself had found great joy in Countess Eila's most inspirational fighting during the tournament and asked if the countess would become Her champion - she said yes and took her place behind the thrones armed with a spear, as the Princess herself eagerly held on to the Sword of State.
- Small presents were given to all children.
- Principality officers promised to continue to work for the good of the Principality.
- After this the borrowed herald returned to serve Their Majesties.

Strawberry Raid II
01 - 05 June 2023
Dun in Mara - Ireland

The SCA Shire of Dun In Mara welcomes
you back to Strawberry Raid, five days of
medieval camping around the beautifully
restored 15th-16th century tower house of
Sigginstown Castle, in the beautiful sunny
South-East of Ireland.

We will have classes, practice and tourneys
in our martial pursuits, as well as plenty of
classes and fun projects in our arts &
sciences.

This year, our visiting teacher at armoured
combat will be Duke Timmur Jochan
(KSCA, OD, OP) from the Kingdom of
Artemisia.

Site

Sigginstown Castle, Co Wexford
Sigginstown Castle is owned by SCA
members who very generously open their
home for us. The main attraction of the
site is the restored tower house. It has
electric lighting, but the furniture and the
wall decorations are all done according to
period examples.

The site has a large barn which will provide
a communal gathering place, particularly in
case of bad weather. The barn has tables
and benches as well as a gravel floor. You
are welcome to have your meals here, do
crafts together, arrange classes, etc.
Camping will take place on a level grassy
field. The cost of camping is included in
the event fee. We do not separate medieval
and modern tents into different camping
grounds, so you can form an encampment
with your friends regardless of your tent
style.

No food is provided, so you will have to
make arrangements to cater for yourself.
We suggest banding together with friends.
Portaloos and waste disposal will be
available.

If you do not wish to camp, you are
welcome to arrange your own off-site
accommodation.
The site opens at 16:00 and closes at 16:00

administration fees)

We will not be able to serve meals or feasts for everyone due to the small kitchen, so please reserve early.

All meals are low lactose. There will also be a vegetarian option. Unfortunately we may not be able to provide meals for people with any other dietary requirements. Please consider that there is always a risk of contamination, because we don't have a separate kitchen for the allergy foods.

Kingdom of Drachenwald: Scroll Showcase

Drachenwald is a kingdom with Artisans hidden away in every corner. One such group of artisan's are those who provide the hand crafted scrolls that our populace see only briefly at court if at all. The purpose of this showcase is to bring that beauty into the light where all might see these works and be amazed. A massive thank you to ALL our artisans.

Announcements - People on the Move – Society Chatelaine Appointed

The Board of Directors is pleased to appoint Michele Hays (Baroness Jeanne-Marie la Verriere, OL) as Society Chatelaine.

Michele Hays was born and raised in San Diego, CA. She found the SCA while in high school, and was active in the Barony of Calafia. Moving to Texas in 2005, she attended cosmetology college, earned her license, and became a full-time hairstylist until the Covid shutdown of 2020. During this time, she went back to school, earned her certification in medical billing and coding, and changed careers (because you can't cut hair on a Zoom call.) Now she runs the front office at Riata Physical Therapy in Trophy Club, TX, and still does a few haircuts on the side for friends and family. She lives with her husband in Fort Worth, Texas.

Baroness Jeanne-Marie la Verriere, OL is a Burgundian noble lady living in the early 15th century. She grew up in a wealthy family, as her father was a favored artisan in the Duke of Burgundy's court. Once she came of age, she traveled abroad, first to the Kingdom of Caid, and then eventually to the Kingdom of Ansteorra, where she fell in love with and married a handsome knight. She and her husband live in the Barony of Elfsea, where she enjoys sewing clothes, making jewelry, and being as fabulous as possible.

Announcements - People on the Move

Diversity, Equity and Inclusion Officer Appointed

The Board of Directors is pleased to appoint Chuck Burk (Baron Charles de Bourbon, OL) as the SCA Inc. Diversity, Equity and Inclusion Officer.

Charles works in DEI for a large online tech retail company where he is responsible for leading a team that works with senior leaders, cross-organizationally, to create inclusive customer experiences as well as developing and delivering DEI training content for leaders. His personal expertise is using data to convince leaders to make change on behalf of marginalized communities leveraging almost two decades of experience in customer advocacy. Charles has organizational DEI certifications from Cornell University and the University of South Florida. He is currently working on a specialization in DEI Organizational Strategy through the University of California, Santa Cruz. Charles lives in Washington with his husband, Chad, and their two puppies Haku and Kiki. He identifies as Queer and his pronouns are he/him.

Charles de Bourbon joined the SCA in 1994 when he was a junior in High School. He started in the Barony of Bordermarch in Ansteorra where he played for almost 10 years before moving to Meridies, Gleann Abhann, and finally An Tir where he has lived for the last 12 years. He is a member of the Order of the Laurel and a former landed Baron of the Barony of Axemoor in Gleann Abhann. Charles' areas of interest in the SCA are largely focused on the Arts and Sciences – specifically in European Fashion of the 14th, 15th, and 16th centuries. He has held local and kingdom offices as well as creating event concepts and running events. He has also been known to run the occasional feast. Charles was a member of the An Tir's DEI council, and he is currently the Chamberlain for his local group.

The Corporate DEI Officer is responsible for the ongoing development of plans and education to further promote and embed diversity, equity and inclusion for the Society.
