# LETTER FROM THE CROWN

*Greetings to the Populace of Trimaris from the Silk Routes!*

*We have reached Our last destination in the Principality of Kyiv at the city of Pereyslavets, the current capital. In 969 during his many military campaigns, Sviatoslov I moved the capital of the Kyivan Principality from the city of Kyiv to Pereyslavets near the mouths of the Danube River. The city is a wealth of trade in gold, silks, wine, and various fruits from Greece, silver and horses from Hungary and Bohemia, and from Ruthenia furs, wax, and honey.*

*Her Majesty Étaín will return with her ships and crews to travel up the Dnieper to Kyiv where she will share Her knowledge of the Silk Trade Routes and all of the opportunities for future trade and education.*

*His Majesty Yoan will continue to explore the region and eventually return to his Kingdom of Silla via ships on the well-established spice routes taking him to a multitude of ports from Egypt to India, then up the coast of east Asia.*

*There are no words which can express the gratitude for the support We have received these last many months. To those who gave of their time to serve us and take care of us at the many events along Our journey, you have truly shown that volunteering is love in motion. To those who shared in Our virtual journey along the Silk Routes by contributing your own knowledge, thank you for helping make Our version of the Dream even more real. To everyone who shared smiles, laughter, and good conversation along the way, We thank you for inspiring Us. Your joy is the true expression of “We rule because you believe.”*

*We hope to see you all at the Celebration for the Coronation of Our Heirs, Their Highnesses, Count Vincent Furnier and Countess Catherine Furnier. We look forward to having more time to spend in your company.*

*In Service with Joy,*

***King Yoan Moon Yang***

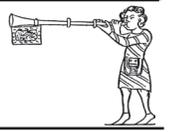

***Queen Étaín Echluath***
