# Words From the Crown

Unto the glorious Kingdom of Atenveldt does the Crown send warm greetings

Great news Atenveldt, We have secured heirs! Congratulations to Cypser and Mineko! May your reign be glorious and filled with love. Thank you to everyone that made the day happen and to our gracious hosts, the Barony of Granite Mountain.

We look forward to the populace joining us one last time as we celebrate the wonder that is the Kingdom of Atenveldt at Our steppin down and the Coronation of Our Heirs. We send Our heartfelt thank you to Our court members for taking time out of their schedules to help Us reign. We have been blessed in all of Our reigns in having great court members. Without all of you, there is no way a crown can have a successful reign. Thank you! As We envision the days of Our retirement, We cannot wait to spend more time with the many new friends and old and continuing the laughter and fun that We have had over the past six months. Finally, a huge thank you to the Kingdom officers for all their work in running the kingdom!

Last but not least We want you all to remember the 'shovel', a talisman to show others you are protected from the 'plague' and focused on not partaking in gossip, assumptions about others, and looking for the worst in things. These are things that take away from the joy that brought us to the Society to begin with. So please, continue to wear your shovels and spread the word and make this a better place to be. Remember to know thy power! For you are the difference in the fun, which is why we are all here. We look forward to continuing to enjoy the fun that We had during Our reign as members of the populace in support of our Heirs during their reign.

With great love to the Kingdom of Atenveldt, we remain in her service.  
Shovel on Atenveldt!

# Words From the Heirs

Greetings to the Solar Populace:

It is with great joy We join Atenveldt again in serving the Kingdom as Heirs and Crown. We will use this missive to share with you our excitement and plans!

We are very happy to have attended A&S and having seen so many great works of art. As members of this illustrious community we couldn't be more appreciative to have chosen our Champion from among you. Thank you for sharing your skills, your time and your works of art. With the turning of the calendar and the changing of the Crown We want to thank Craven and Elzbieta for their time as Rulers once again. With each reign they put the populace first and foremost, make sure everyone is included and they set an example for all those to follow. While they say this is their last, we are certain the Sun has not set on their time and their contributions to the society.

We look forward to Coronation and choosing more of our Champions from among you. Once again the arrows will find their mark, the axes will cleave their target and the swords will swing to victory!

We would like to see our Bardic Champion found at Highlands War! The campfire will be lit, the torches illuminated and the songs will sound out to the hills!

With Sun in our Hearts,

## Society Impact Assessment: Anti-Drag Legislation

March 10, 2023

The Society is currently assessing the Anti-Drag Legislation recently passed in Tennessee, USA, in addition to the proposed similar legislation in 14 other US states. The Corporate Diversity, Equity and Inclusion Officer, in conjunction with SCA Inc.'s Legal Counsel and President, is undertaking an impact assessment for the Board.

This aims to determine potential impacts for the Society's participants in terms of public interaction and other potential safety consequences.

## Use of Online Petitions – Society Seneschal

March 17, 2023

At the January 2023 Quarterly Board Meeting, the Board upheld the following policy interpretation request from the Society Seneschal regarding the use of online petitions.

'Corpora I.C.7.e, "Communications with the Board of Directors of the SCA, Inc." reads:

The Board does not accept anonymous communications, and electronic communications with no identifier of the sender other than an email address will be considered anonymous.

By extension, this policy applies to SCA officers as well. Unsigned emails are not considered legitimate communications with either the Board or SCA officers.

Further, the Corporate Policies of the SCA regarding electronic communications with officers state that "Messages posted for general attention on any public electronic communications forum are not regarded as formal communications to an officer..."

Since online platforms, including web-based opinion or petition sites, do not contain a way for the SCA to verify the identities of those posting, they are considered anonymous and may not be regarded as official communication to an officer.'

Excerpt from Society Seneschal Report

"This policy interpretation was geared toward the massive online petition sites such as change.org, where it's pretty easy to sign with a fake identity or even anonymously. In a recent test, the ability to generate a fake account to register with such sites was done in less than 3 minutes. The Society continues to welcome petitions where a level of authentication can occur for participants as per Corpora. This ruling specifically does not address 'pollings' for items such as changes to group arms for example, as these matters are entirely separate. It should be noted that while anonymous communications are not formally accepted, all correspondence received is read."

You can contact the Society Seneschal at [seneschal@sca.org](mailto:seneschal@sca.org)
