Words of the Crown

Krake and Beatrix, most humble majesties of the Black Dragon Thrones,

Greetings to all and everyone in our beautiful lands of Drachenwald!

161 days since the big adventure began at the autumn crown tournament in Thamesreach, Insulae Draconis. Our reign of the great Kingdom of Drachenwald is now 84 days old. It might not be much compared to the long reign of Ærikr and

Jaquelyna, but to us it has been a grand and very enjoyable journey. After each event we are looking forward to the next one with new ideas. We are inspired by you to hold more exciting courts and to make your dream better at all times.

Our majestic journey started in the most northern parts in the Shire of Reengarda and went through the Canton of Unikankare, the Shires of Löghammar, Gyllengran, Meadowmarch, Depedene under Wychwood. And we are looking forward to seeing even more parts of the Kingdom and to meet our subjects In Knights Crossing, Attemark, Pukka, Dun in Mara and Polderslot.

Then we will willingly pass on the crowns, the responsibility and the joy of ruling these beautiful lands with its magical people to our heirs.

So far it has been lots more fun than we could ever have anticipated and people have been so helpful, our hearts fill with joy and one can even get a bit embarrassed about it. We are currently planning upcoming events, big and small and to see it all come together is very exciting.

Even if it is impossible to rate the experience, one of the top ones was our first elevation to a peerage, Sir Tuomas. It may have been cold and dark outside but the warmth and love at the event outshone all the bad weather in the world.

Forever grateful for your service and loyalty,
Your most humble King and Queen.

Greetings from the Seneschal

Dear Drachenwald!
Greetings!

I'm on my way home after a wonderful Crown tournament in the Barony of Knights Crossing! It's always a pleasure to attend your events.

We have now new heirs that will ascend the Black Dragon Thrones at 30 years.

Vivant to Crown Prince Sven and Crown Princess Siobhan!

During the event their Majesties had a Curia regarding the retired silver kingdom crowns. The Curia agreed with King Krake and Queen Beatrix that the crowns can be melted down and the silver used for tokens like the Albion. The plan is to display them at 30 years so everyone there can see them one last time.

Drachenwald is still looking for a bid for 12th Night 2024. (see <https://drachenwald.sca.org/offices/seneschal/event-bid-checklist/>)

See you soon!

Greetings from the Chronicler

Greetings unto the populace of our wondrous Kingdom of Drachenwald,

The SCA has been around for quite some time, and as we move into the new year, being AS LVIII, it is with great pleasure that I see the fun and pleasure that has bought all those of us who participate in this dream together, is still in abundance. It has changed, for change is a constant part of what we are, but the pleasure and fun present within the society is still there. The picture I chose as the cover of this months issue embodies that, and I encourage one and all to share in that joy, to bring that pleasure to others, and to enjoy our most excellent hobby!

Yours in Service,

Dafydd Myfyrgar

All were firm in their opinion, advising the Crown to Elevate Sir Tuomas and thus with tears of joy did their Majesties perform this deed.

Adventures to and fro (Part 1)

- Penned by Keldor, translated by Kareina

We sat down and looked at the calendar; so many events that we wanted to attend: Spring Crown Tournament, Double Wars, Drachenwald 30-year Anniversary, Frostheim's Medeltidsdagar.

But it would be long and quite expensive. Crown was first, it was also the one that would have been easiest to skip. A long trip, just for one weekend... I said it's a long trip. If we were to fly, it could take 13 hours plus a rental car/or pickup. If we were to drive, it would take 24 hours without sleep, and a tire change. Trains would require a bank robbery, (and they don't have any money anymore anyway) plus a fairly long journey time. Traveling by train is not cheap.

Then there is the fact that in two cases, plane and train, you need to calculate what to take with you.

So... we stayed home.

Actually, we packed the car, drove through the night down to my sister's in Vadstena, in southern Sweden, where we slept. We had intended to change the tires there (as one can't drive with studded tires in Germany)... but snow put a stop to that.

It shouldn't snow in southern Sweden at the end of March, that's Northern Sweden's job. They shouldn't come and take our jobs... #violated

We then started the next stage of our journey, towards Denmark, where we stopped and changed tires, and then slept for a couple of hours.

(Denmark is flat, so very flat.)

Our journey towards Crown continued, towards the German border and its armed guards, barbed wire, big dogs... not! The border crossing was hardly noticeable, which feels pretty darn good.

Once in Germany, we tested the German highways. Where cars go really fast, or they stand still.

Kareina was our map reader, she was very clear: don't take the wrong exit, we will never find our way back again. Therefore, we didn't take the wrong exit; we simply didn't have time to do so. Which was a bit of a shame, since the roadside signs advertised sightseeing: Castles, zoos, armor museum (I was so close to turning off there), and more.

When we were only 40 km from the site our GPS announced that it would take 65 minutes to drive. Forty km, on a motorway. Over an hour away... it was so right. But we arrived, eventually.

Then, in order: Toilet, sign in, hug Maggie, find our crash space, (which was **AWESOME** by the way), carry our things in, change clothes, pour a beer, let the night happen. We found a sofa with nice people, and stayed there until all the energy was gone. Then we slept for a wonderful nine hours.

Strawberry Raid II 01 - 05 June 2023 Dun in Mara - Ireland

The SCA Shire of Dun In Mara welcomes you back to Strawberry Raid, five days of medieval camping around the beautifully restored 15th-16th century tower house of Sigginstown Castle, in the beautiful sunny South-East of Ireland.

We will have classes, practice and tourneys in our martial pursuits, as well as plenty of classes and fun projects in our arts & sciences.

This year, our visiting teacher at armoured combat will be Duke Timmur Jochan (KSCA, OD, OP) from the Kingdom of Artemisia.

Site

Sigginstown Castle, Co Wexford
Sigginstown Castle is owned by SCA members who very generously open their home for us. The main attraction of the site is the restored tower house. It has electric lighting, but the furniture and the wall decorations are all done according to period examples.

The site has a large barn which will provide a communal gathering place, particularly in case of bad weather. The barn has tables and benches as well as a gravel floor. You are welcome to have your meals here, do crafts together, arrange classes, etc.

Camping will take place on a level grassy field. The cost of camping is included in the event fee. We do not separate medieval and modern tents into different camping grounds, so you can form an encampment with your friends regardless of your tent style.

No food is provided, so you will have to make arrangements to cater for yourself. We suggest banding together with friends. Portaloos and waste disposal will be available.

If you do not wish to camp, you are welcome to arrange your own off-site accommodation.

Three meals are served daily: generous breakfast, light lunch and a warm supper. We serve two feasts during the event, the first is on Wednesday and other on the second Saturday. There are also two small kitchens for those who want to cook for themselves.

We will not be able to serve meals or feasts for everyone due to the small kitchen, so please reserve early.

All meals are low lactose. There will also be a vegetarian option. Unfortunately we may not be able to provide meals for people with any other dietary requirements. Please consider that there is always a risk of contamination, because we don't have a separate kitchen for the allergy foods.

- Pets are only allowed outdoors. Dogs should be kept on a leash during the whole camp.

- It is recommended to have a fire extinguisher in the tent.
- The guardians are always responsible for the underaged campers! Please note that in

the evenings there may be alcohol use at the sauna building and it may not be an appropriate environment for minors.

- No children should go swimming without their own responsible adult at the beach.
- While paddling, everyone must wear a life vest. Paddlers must write down their planned route and schedule on the list by the beach. Paddling alone is not allowed!

Announcements - Use of Online Petitions – Society Seneschal

At the January 2023 Quarterly Board Meeting, the Board upheld the following policy interpretation request from the Society Seneschal regarding the use of online petitions.

Corpora I.C.7.e, “Communications with the Board of Directors of the SCA, Inc.” reads:

The Board does not accept anonymous communications, and electronic communications with no identifier of the sender other than an email address will be considered anonymous.

By extension, this policy applies to SCA officers as well. Unsigned emails are not considered legitimate communications with either the Board or SCA officers.

Further, the Corporate Policies of the SCA regarding electronic communications with officers state that

“Messages posted for general attention on any public electronic communications forum are not regarded as formal communications to an

officer...”

Since online platforms, including web-based opinion or petition sites, do not contain a way for the SCA to verify the identities of those posting, they are considered anonymous and may not be regarded as official communication to an officer.

- Excerpt from Society Seneschal Report

This policy interpretation was geared toward the massive online petition sites such as [change.org](https://www.change.org), where it's easy to sign with a fake identity or anonymously. In a recent test, the ability to generate a fake account to register with such sites was done in less than 3 minutes. The Society continues to welcome petitions where a level of authentication can occur for participants as per Corpora. This ruling specifically does not address ‘pollings’ for items such as changes to group arms for example, as these matters are entirely separate. It should be noted that while anonymous communications are not formally accepted, all correspondence received is read. You can contact the Society Seneschal at seneschal@sca.org

Announcements - Society Impact Assessment: Anti-Drag Legislation

The Society is currently assessing the Anti-Drag Legislation recently passed in Tennessee, USA, in addition to the proposed similar legislation in 14 other US states. The Corporate Diversity, Equity and Inclusion Officer, in conjunction with SCA Inc.'s Legal Counsel and President, is undertaking an impact assessment for the Board.

This aims to determine potential impacts for the Society's participants in terms of public interaction and other potential safety consequences.

Contact Information

This contact information is provided for the purpose of SCA activities only and may not be used for any other purpose, particularly commercial activities. Please remember to advise of changes when you step up to office and when you step down and confirm your willingness to have your details published.
