Words From the Crown

Greetings Atenveldt!

Words cannot truly express the gratitude to the staff of the War of the Phoenix! They have spent countless hours ensuring the success of this War...and it was truly a success! Without the vision and hard work of each and every one of you, this event could not have happened.

Thank you to all that volunteered time at the war to help make the load on the event staff just a little easier! Whether it be helping with set-up at the start or tear down at the end, a shift at the gate or the watch, or ensuring the fighters were well hydrated (these are just some of the areas where people volunteered), we appreciate you giving time out of your war to help where it was needed!

Thank you to the populace of Atenveldt, and those from our cousin Kingdoms, for attending the War of the Phoenix. Without all of you giving this war a chance, all the work done by the war staff would have been for nothing! Thank you to those that traveled great distances to come to war. We hope you felt the love and hospitality of Atenveldt! And to the members of our populace, thank you for hearing the rally cry and coming out in great numbers to provide that hospitality!

And finally, thank you the Aten sun for shining bright over the war!

Our hearts are filled with stardust and minds with wonderful stories from the War of the Phoenix. We hope that is the same for everyone that attended! We hope all had safe travels home and look forward to seeing you at the War of the Phoenix again next year!

For the glory of Atenveldt.

Kingdom Announcements

With the Success of the War of the Phoenix, we continue to grow.

Part of that growth includes preserving and updating the awards and traditions that were part of our Estrella War, and we are carrying forward with the War of the Phoenix. The Queen's Oleander Favor celebrates the ladies who join us on the field of combat at the war. While the Star of the Desert is to award those persons who give of their time and effort to make the war happen for the known world.

As such, we have updated the Ceremony and Charter for both as found below.

Queen's Oleander Favor (Ceremony Re-wording)

Herald:

Atenveldt's Lands are graced with gentle breezes and a blazing sun -- lands that nurture life bearing an inner strength, and astonishing beauty. It is from this Aten soil, that the Desert Oleander grows -- strong, entrancing in color and delicacy, yet bearing stems braced with deadly thorns and a lethal poison.

Like the Oleander, ladies who take the field of combat combine this same gentle beauty with deadly force. Like the desert flower that bears the name Oleander, these combatants enchant their opponents with their grace and beauty, yet bear thorns to cut the flesh and a deadly force to slay their enemies.

It was thus proclaimed long ago, that the first time a lady takes the field as a combatant at Estrella War, they are forged in the Atenveldt Sun and earn the right to wear a favor bearing a desert Oleander. With the War of the Phoenix rising out of the memories of Estrella War, it is thus proclaimed that the tradition shall continue with the War of the Phoenix and ladies who return to do combat on the fields of the War of the Phoenix may then add one Oleander to the favor for each year they fight.

Her Majesty of Atenveldt calls before Her all ladies from all Kingdoms of the Knowne World who fought on the War of the Phoenix battlefields for the first time in heavy weapons or rapier, so they may receive their Oleander favor.

[Queen(s) distribute favors to ladies]

Herald: Three cheers for these Gentle Ladies!!!

Star of the Desert (Charter Update)

In Anno Societatis XXXVII (37), during the third reign of Their Royal Majesties Aaron and Alessandra was created an award known as the Order of the Star of the Desert. In Anno Societatis LVII (57), during the seventh reign of Their Royal Majesties Craven and Elzbieta, the charter was amended to reflect the change in the name of Atenveldt's kingdom war.

1. There shall exist in the Kingdom of Atenveldt an award known as the Order of the Star of the Desert, which may be given by the Crown to individuals who show tireless service helping with the running of the Kingdom's war (i.e. Estrella War, War of the Phoenix).
2. This Award shall be given to adults in three levels depending on the years of service for the war the recipient may receive a Gules - 1st level, Azure - 2nd level, or Argent - 3rd and highest level. This award may be presented to the same individual more than once, but only at a higher level than is currently held by the recipient.
3. In addition, there will be two levels for youths. For those youths under 13 years of age may receive the Vert level and for those youths aged 13 to 17 may receive the Sable level of this award.
4. The members of this Order shall be styled as Companion of the Order of the Star of the Desert, and be entitled to place the initials (for adults) SDG, SDB, or SDA; and for Youths SDV or SDS after their names.
