Beloved Outlands,

We bring to you triumph and glory as Our Kingdom has traveled to the lands of Atenveldt and returned with victories on the battlefield and tales of comradery from Our great halls! While We will continue Our efforts of building foreign relations at Gulf Wars and Lillies, We look most forward to spending Our Spring with each of you, and joining together as a Kingdom this summer for BATTLEMOOR!

It is Our pleasure to visit the Barony of Citadel for the Investiture of Maese Carlos Nieto de Andrade and Mistress Joella of Blue Lion's Keep in March, and the Barony of Dragonsspine, in May, for the Investiture of Maistir Toirrdhealbhaigh MacAnghusa and Maitresse Adelaisa Bernois. We know that both of Our baronies are ensured success with these individuals to guide them in Our absence.

As we plan Our travels, know that We intend to recognize many worthy individuals, but that We take the words of Our populace into great consideration before We do so. With this, send your recommendations post haste, as Our travels will be swift and Our time on the Stag Throne short.

From Minister of Arts and Science

All hail the citizens of the Outlands!

I was so happy to see how many amazing artisans demonstrated their crafts at the Artisan's Green at Coronation. Thank you so much to Sir Hrolief for organizing it and to everyone who participated. I would love to see more areas like this at events so that we can see what people are doing and have a place to do art.

We are starting to reach full speed back to the arts and sciences! It is time for the first in person Kingdom Arts and Sciences Tournament since before the pandemic! The Tournament will be held by the Barony of Unser Hafen on April 1, 2023. This will also be the time for Her Majesty Sabiha's Queen's Prize Tournament with a theme of miniature to be expressed by the artisan. You can enter Kingdom Arts and Sciences and Queen's Prize with the same object, or with different objects. Please, only one Queen's Prize entry per person. We should have space for displays. To register to enter, display, or judge, please fill out the form at <https://forms.gle/QyvxRpUiRu4uUfzR8>.

Battlemoor is happening this year at the end of June/beginning of July. We would love to have a lot of classes. If you are interested in teaching, please fill out this form:

<https://forms.gle/eMaKpkEfUkn1wNQB9>.

Additionally, my time as Kingdom Arts and Sciences Minister is coming to an end. I am happy to stay until the fall Kingdom Arts and Sciences Collegium, but would like a deputy to train in the meantime. Please submit your name and SCA resume to me, their Majesties, and the Kingdom Seneschal. I look forward to seeing who will next carry the mantle of this job. Feel free to contact me with any questions.

In Service,
Marion Forester

Greetings to the Outlands from Æðeluulf munuc, White Stag Principal Herald.

Another year has come and gone, and a new season of foreign campaigns begins anew. As you travel abroad, or even within the kingdom itself, do not forget to write letters of recommendation for your friends and compatriots, as you all serve as the Eyes and Ears of the Crown.

Also, the year end has come, and it is Domesday time. To facilitate communication, I will be posting my report to Laurel and the Crown to the Herald's website: <http://whitestag.outlandsheralds.org/>

Finally, I am officially soliciting for a deputy and successor to the position of White Stag, the Palmer Herald. Letters of Intent should be addressed to the Crown and myself. Success in this position (and in the position of White Stag) is mostly keeping track of projects and shepherding them along, not being the single point of authority. White Stag and Palmer also deal with confidential matters with the Crown and Their Heirs, so discretion is important in this position. The ideal candidate has a reliable internet connection and computer, good written communication skills, strong customer service skills, and the ability to step in and learn one of the deputy positions as the emergency back-up. Palmer requires about 5 hours per month, and White Stag about 10 hours, plus travel to major kingdom events (Crown/Coronation).

My warrant does not expire until March of 2024, so I am willing to train a successor if you feel interested in the position, but unsure of your qualifications. Please do not hesitate to reach out directly: herald@outlands.org

I remain, in service
Æthelwulf munuc, OP

Deputy for Kingdom Chamberlain Position Available

I would like to announce that I am looking for a deputy for the Kingdom Chamberlain position. All interested members of the Kingdom may submit a Letter of Intent. I plan to guide you through the position through Crown Tournament this spring and Coronation over the summer before passing the position on fully to the deputy. The Kingdom Chamberlain manages all of the Kingdom Regalia. This individual must be a self-starter, able to work with Microsoft Office products, and is comfortable talking to the Crown, their Retinue, and Kingdom Officers to schedule inspections and talk about any needs or repairs. A list of the duties are, but not limited to, the following.

The Kingdom Chamberlain is:

- Responsible for the storage, inventory, and maintenance of the physical property belonging to the Kingdom. This includes determining that the regalia being checked in and out is in a serviceable state and completing/updating an inventory of property at the end of each reign and reporting it to the Kingdom Exchequer;

- Responsible for contacting each Crown at the end of their reign to schedule an inventory check, typically done at Coronation before stepping down;

- Providing the necessary paperwork for the checkout process for the new Heirs and Crown at the beginning of their reign;

- Responsible for heading a Regalia Committee who shall assist in the creation of new items of regalia, replacement items, and provide help to the Crown in the maintenance of regalia items;

- Reporting regularly to the Kingdom Exchequer: updated inventory and lease agreements after each reign;

- updates on regalia that is currently in process of being made or repaired monthly or quarterly, depending on the item;

- Responsible for updating regalia tracking;

- Responsible for updating all procedures pertaining to the office.

- Responsible for finding and training deputies in the duties for this office.

This position is financially warranted and reports to the Kingdom Exchequer office. The Kingdom Chamberlain is authorized to receive reimbursement for travel to all Crown Tournaments and Coronations based on actual gas receipts per the Outlands Financial Policy.

I will be accepting letters of interest through March 1, 2023 for this deputy position. Please send your Letters of Intent to me at the following address:

Nerienda of Elmet: chamberlain@outlands.org

Yours In Service,
Nerienda of Elmet
Kingdom Chamberlain

Greetings unto the Outlands, and to the rapier community specifically!

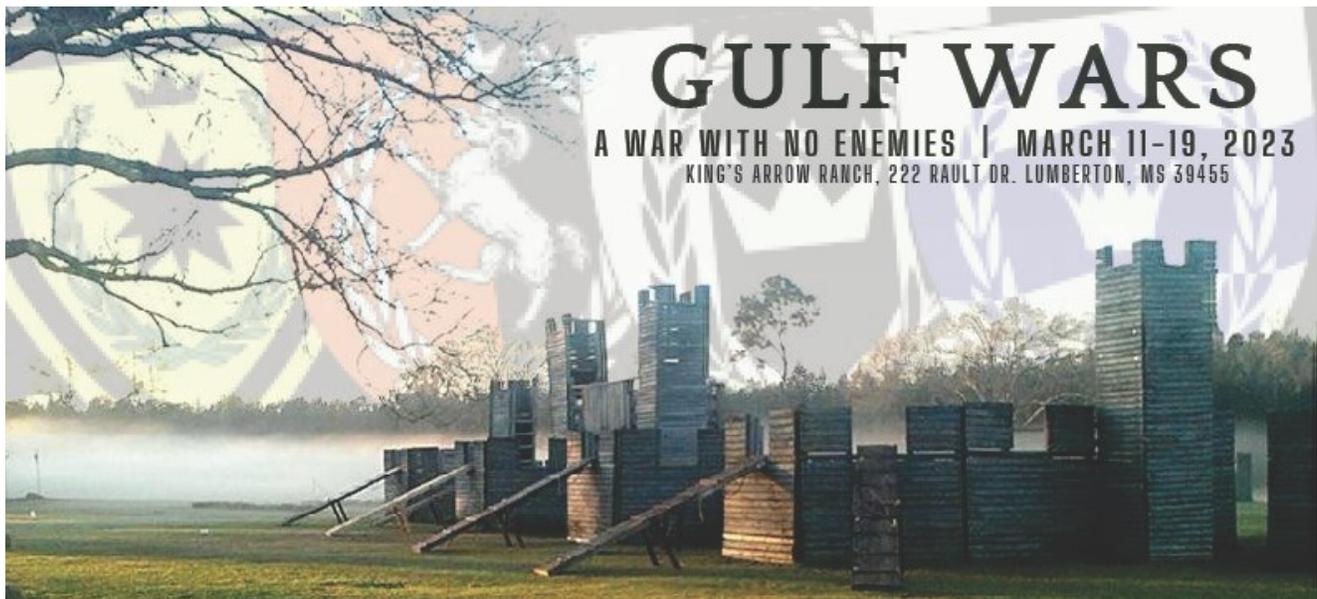

I have greatly enjoyed my term as Kingdom Rapier Marshal. I've enjoyed meeting and fencing so many of you, and working to make sure that my office has addressed your concerns positively. I've seen the kingdom re-open from pandemic closure, witnessed not one but two new authorization methods, revised the ruleset (and submitted another revision), and streamlined the inclusion of requested improvements to those rules. It's been rewarding having the chance to hold a dialog via my Wednesday Facebook posts, which have led to a number of positive discussions.

That said, all good things must come to an end. My term is up in July, and as such, I will require a successor. Per Outlands law, I am announcing my impending term-end several months in advance, to give the populace a chance to apply for this position, and offer the successful candidate the chance to get a little while seeing how the office works before stepping up. The position is largely an administrative one, and one which requires understanding the rules as well as interpreting them when needed. One should be comfortable being a marshal, keen to champion and improve upon the rules, and be comfortable answering to the office of the Earl Marshal and the Crown.

Thus, I invite those gentles who would apply for the position of Kingdom Rapier Marshal forward letters of intent and qualifications to myself at rapiermarshal@outlands.org and to the Earl Marshal at emoutlands@gmail.com. It is my intent to step down at Battlemoor, so we will accept applications through April 1st (no foolin'), and hopefully announce a decision for SCA New Years on or around May 1st.
