Advertising rates are free for SCA event advertisements. All advertising is on a space available basis; please see information on <http://chronicler.ansteorra.org/> for more details. Please also see the Publication Policies located elsewhere in this issue. Any ad for early publication should be sent as a half page for space concerns.

All Rights Reserved for each of the above submissions.

Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession **no later than the first of the month prior to the cover date (e.g. January 1 for the February issue)**. This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the first of the month so that space may be reserved. Anything arriving after the

first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. **If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.**

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement **each month** UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to kingdom@chronicler.ansteorra.org.

Again, please see: <http://chronicler.ansteorra.org/> for detailed information on event announcement submissions.

Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

Stellar Majesties

Ansteorra,

Crown Tourney comes to this fair kingdom in June. We will be strictly following kingdom law for eligibility. The format will be weapon of choice, single elimination, best two of three. Double kills will be refought for each point until there is a clear victor. We will not require a letter of intent, but registration online will be mandatory. Please watch official online channels for the registration form announcement. Registration will close at noon on June 3.

As this reign advances, We are most grateful to Their Serene Highnesses Micauley and Caterina and the Landed Nobles of this kingdom for presenting awards and announcements when holding court where We are not present. We, as a kingdom, are most fortunate to have multiple avenues by which worthy gentles may be recognized for their accomplishments.

We have recently attended the following events on Our Progress:

Ansteorra Trident (April 1st, 2023): The kingdom was able to give a different type of event a try and it was a great success. The Barony of Elfsea hosted Ansteorra Trident - A Day of the Blade, the Bow, and The Bard, on the first Saturday in April. It was a tri-championship event where Anstorrans competed for the Royal Blade, Royal Hunter, and Premier Bard. There was so much talent in diversified arenas of skill. We appreciate all the efforts Elfsea, under the guidance and direction of His Excellency William Palfrey as event steward, made to ensure Trident was the best multiple championships We could have hoped for. Thank you to all the communities that came out to support the event and made it very interesting to

watch. Each of the championships, Royal Blade, Royal Hunter, and Eisteddfod, were a pleasure to watch, with so many having fun participating in activities where the result of winning is a commitment to serve. Our Royal Steward, Her Excellency Lessandra, as usual, showed Us how committing to serve makes the kingdom and events better for everyone enabling others to have a good time. Our entourage for the day helped keep things moving, so all the activities could happen as scheduled, which shows respect for everyone's time.

Glaslyn Defender of the Flame (April 22nd, 2023): We look forward to this event every year, and for good reason: it is FUN. The laughter could be heard across the beautiful scenic backdrop and smiles could be seen everywhere. It was a wonderful day watching monkeys entertain themselves and the watching crowd. Seeing the variety of activities that took place throughout the day was inspiring. Thanks to the event stewards and Gaslyn for organizing and executing a fun filled, truly enjoyable day. Thanks to our Onsite Chancellor for the day, Mistress Colleen, who anticipated and took care of all Our needs before We had the chance to think about them. Colleen is the epitome of efficiency and proof positive that pre-planning makes everything run smoothly. We appreciate the entourage staff who gives of their time to help others have fun.

Kingdom Seneschal

Greetings!

I hope everybody has had a great time at all the different tournaments this spring. I know there

was great excitement with the premier Thrown Weapons championship. As we head into the hotter months, please remember to keep hydrated!

The support of the kingdom officers by our deputies is paramount in running a kingdom smoothly. I want to thank everybody who has held an officer position as you are what keeps our kingdom running efficiently. At this time, I have several officers who are needing to step down. Please join me as I thank all of them: Duchess Antigone of York, Countess Christyana Lambrecht, Mistress Gwenneth Glamorgan, Mistress Delphina le Champeaux, Baroness Calena di Nero Rosa, and Boiarynia Koia Karasova.

This means I am now accepting applications for: Media Liaison, Southern Regional Seneschal, Waiver Secretary, Events Deputy and Social Media Officer. These applications are due by June 30. Please send the application to me and the corresponding officer. In addition, I am looking for a volunteer to help coordinate classes for Round Table. Please send me an email as soon as possible if you are interested.

Good Gentles,

We are experiencing on-going difficulties with Paypal payments -- The problem is on the Paypal side and we've not yet found a solution. Please know that we've requested a variance to allow us to request funds so that we can continue to support pre-registration for events. As soon as we have a working solution with Paypal, we'll post in all the communication channels we can find. I know the officers that are processing paypal requests are working hard and I'm grateful for their continued service to keep our events running smoothly.

My time in office is nearly up -- I'm hopeful that I'll have some good news to share soon with who my successor will be! Looking forward to the continued successes of our Kingdom!

Kingdom Minister of Arts & Sciences

Greetings!

Summer is here! I hope everyone has a plan to learn something new and exciting. King's College is coming up in July, and I'm looking forward to seeing all the wonderful classes that Ansteorra is known for.

My time as Kingdom Minister of Arts and Sciences is drawing to a close. THANK YOU to everyone who has made this job run smoothly:

- All of the Artisans and Laurels who have worked hard making King's College, Kingdom Arts and Sciences, and Laurel's Prize Tourney so successful.
- All of the Local A&S officers who report every month with information about all the local activities
- All of the Regional Officers who make sure all the local groups have the support they need (and share awesome information with me!)
- All of the Special Area Deputies who have helped bring people together and allowed them to showcase their talents.
- All of the previous Kingdom Ministers who have given counsel and advice.

Star Principal Herald

Greetings Everyone!

I hope you all are enjoying this wonderful spring and early summer!

Last month, Their Majesties announced a change to the King's Archer to be more in line with the Arc d'Or by expanding it to include all missile activities. The change to the award constitution is as follows:

a. ***“There shall exist... to further their skill level and capabilities in missile weaponry, including archery, thrown weapons, and siege engines, and the like on the target or martial field, the arts, and basic heraldry.”***

And with this change also comes a change to the award charter text. The new charter text is as follows:

“... of distinguished efforts in missile weaponry and the gentler pursuits...”

If you missed Ansteorran Heraldic and Scribal Symposium, you missed a fantastic event with wonderful people! The day was filled with great classes, amazing teachers, laughter, networking, and some of the BEST food ever! I want to sincerely thank the Barony of Bonwicke for hosting this years Symposium. You did an amazing job! Your hospitality went way beyond anyone's expectations! You made it all look so easy! Thank you so much! And to HL Jessimod, Fru Sigrun, and HL Valeria – thank you for gathering all the teachers and classes. There was an amazing variety, and it was very difficult to chose what to attend! Thank you for all your hard work! And thank you to everyone who attended! You made it EPIC! All the joy, laughter, and learning was awesome! Thank you!! I hope everyone had as great a time as I did.

Next up is Known World Heraldic and Scribal in Northsheild the weekend of June 23rd-25th! Plans are underway for all the fun and knowledge sharing everyone can handle! All the available seats I have are filled, but if anyone would like to caravan with us up to Milwaukee and back, contact me for an EPIC adventure!

And the fun doesn't stop there! OH NO NO NO

NO! After KWHSS is over and we've learned new things and shared them with anyone who will sit still long enough (or who isn't fast enough to escape us), the Herald's Retreat in Wiesenfeuer is July 29th! Prepare for a full day of learning about ALL THE THINGS in Heraldry! Instructors are standing by anxiously awaiting for the day to come so they can fill your head with how to be a local herald, what scenarios you might come across and how to handle them, how to complete an heraldic consultation, what armory and onomastics are and how to research and conflict check, and the list goes on and on and on. So, if you have any interest what-so-ever in learning about how to be a local herald, please come join us! We're happy to introduce you to another great aspect of the SCA!

As announced and demonstrated in the Plenary meeting at AHSS, the new Non-Local Heraldic Officer MONTHLY Report Form is up and running on the Ansteorran Heraldic website! YAY! This helps eliminate so many missing reports and duplicate emails and time wasting bleh. Thank you to HE Goldweard and HL Valeria de'Martinez for developing this form and testing it! ICYMI, the report form can be found here: <https://ansteorra.org/heraldry/reporting-2/>, ALL Non-Local Heraldic Officers should be using this form as their MONTHLY (YES! MONTHLY!) report for reports due on June 5th, 2023, and after.

I would like to welcome M'lord Tyler of Bryn Gwlad as the new Obelisk Herald. He took over the duties at AHSS from HE Goldweard. Tyler will be in charge of maintaining and updating the herald's website. He's already off to a great start! Thank you, Goldweard for all the work you've done over the past two years or so! You've done a great job!

But the College isn't letting Goldweard stray too far! He is our new Sigilarius Pursuivant! He will be maintaining the Ansteorran College of Herald's social media and graphics files. We'll see some new and exciting things as the College continues to expand its social media presence.

Until next time, I remain

June updates from the Webministry!

Things have been going smoothly so far. I have a couple outstanding bug fixes that hopefully I will have fixed by the time you read this. Wiki errors and backend database stuff that crops up now and again.

I've done a traffic analysis of our /welcome dashboard now that Sherwood Demo is over. THE sherwood demo was the first big demo where folks used a dedicated QR code to our welcome.dashboard! Throughout the faire there were about 85 people who entered the site via the welcome dashboard and continued on to our /groups page. Very exciting!

If you're doing a demo, please consider using QR codes so that folks can get to our sites quickly! Shoot me an email if you have questions or need help.

Round table is upon us! Check the schedule, volunteer as Host if you can, and enjoy the training and learning!

Happy month!

Kingdom Chronicler

Greetings, Good Gentles, All!

I hope this month of June finds you well. I would like to thank those of you who have been sending in great event ads to the Black Star each month. People have been submitting ads in a timely manner, and that makes my job much easier. I would request that those who wish their ads to be published for multiple issues please also submit a half-page version of their ad to allow for extra space.

I remain ever grateful to my Chronicler team for their boundless creativity and faithful publication! Please support them by referring

regularly to your local newsletters and submitting interesting content!

My time as Kingdom Chronicler is drawing to a close. I would like to open the office for applications to allow time for training my successor. All of the responsibilities and requirements for the office are listed in the Society Chronicler handbook.

<https://www.sca.org/wp-content/uploads/2019/12/ChronPolicy.pdf>

I would be happy to talk with any interested individuals about what it means to hold the office.

Two Regional / Principality offices are also open for applications: Central Regional Chronicler, and Vindheim Principality Chronicler. These are both administrative positions that monitor and facilitate the regular, smooth, and correct publication of branch newsletters.

Individuals interested in any of these open offices should fill out an application using this form: <https://ansteorra.org/seneschal/apply-for-an-office/>

Make sure copies are sent to me (kingdom@chronicler.ansteorra.org),

Applications for the Kingdom Chronicler office also need to be sent to the Kingdom Seneschal (kingdom@seneschal.ansteorra.org) and the Crown (trm@crow.n.ansteorra.org).

I have really loved my two years as Kingdom Chronicler, but I am excited to see how the office of the Chronicler will grow and develop in the future!

Zodiacus Herald

Greetings!

As previously announced on Facebook, there's been some updates to the Order of Precedence. It's all thanks to my coding guru, Master Reis. In no particular order they are:

- 1) Vindheim can be used as a branch name.
- 2) Using the Crowns tab, you can reach either the Crowns of Ansteorra or the Coronets of Vindheim!
- 3) All the Vindheim awards are sorted with the coronets who presented them.
- 4) And a bunch of behind-the-scenes stuff in order to achieve this outcome.

And I would like to remind the populace, you can

indicate your preferred title. As long as your choice is on the Alternate Title List (<http://heraldry.sca.org/titles.html>) as an approved substitute for the standard titles (Lord/Lady, Baron, etc.) and you have that level of an award, it can be put in the OP. Just email zodiacus@herald.ansteorra.org with your name & preferred title choice.

My thanks to Orlando Giovanni, Hubert d'Aigues-Mortes, Diego Fortuna de Almería, Ivo Blackhawk, Sævarr Màni, and Absolon of Hereford for their court reports.
