# Royal Missive

Unto the most gracious, and wonderful populace of Lochac, do King Jayne, and King Thibault Write for the final time.

Our time on the thrones has been one of much joy, and many happy tears. The ongoing support of those around Us has made the reign magical, and has enabled Us in more ways than We could ever communicate in one missive. A reign is a rollercoaster, and it takes a solid foundation to be able to navigate the most wonderful of highs and the most unfortunate of lows. To those who have supported Us in Our positions, We want to extend a genuine and heartfelt thank you for each and every moment of kindness and generosity that has been extended to Us throughout Our reign.

While We are looking to the future in these wonderful moments, and are so excited for Their Royal Highnesses to take the Throne of Our most wonderful Kingdom; We also are reflective at this time and will deeply miss this most privileged of positions where We have been invited to the most wonderful moments. While transitions and changes can be a challenge, Our transition away from the Thrones is made infinitely easier by the knowledge that the Kingdom is in the best hands We could have hoped for.

With the fullest of hearts, and the warmest of regards,  
Thibault and Jayne  
Crown of Lochac

# From Count Jayne

## Unto the most magnificent populace of Lochac

I hope that you will all forgive my intrusion, and would indulge me in this final letter to you all. I would like to simply thank you all for supporting me in my time as King of Lochac, and for the ways in which the Kingdom both enabled and then supported Count Thibault's and my reign. All of those good gentles within the LGBTQIA+ community who came before myself in the community who were openly and unapologetically themselves, that paved the way for myself to sit on the throne will forever have my undying thanks. I was the first openly transgender Crown of Lochac, however I am not the first trans person who has sat on our Throne, and I am not the first openly transgender Crown within the SCA. I stand on the shoulders of giants, who have walked these paths before me.

There are some times that I have had to steel myself and call upon all of the reasons that this reign was so important, whether it be my reign, or another transgender sibling who had taken on this role. There have been so many magical moments that have proven to me time and time again just why this reign was so important to those within our Kingdom, and our society. The importance of the representation of an obviously and obnoxiously queer person in leadership. The whispers of those who see themselves represented through my being on the Throne. The college kid who cried when they saw the AoA writs with the progress flag, and saw our Kingdom as a safe place to be. The laurel

who swore fealty for the first time to a Crown of Lochac, swearing while I was Crown, because I'm the first where he has been represented by anyone in this position. I stand here as a Royal Peer, only because of those who have put the work in to allow the conditions under which I was able to thrive.

The creation and maintenance of a welcoming and safe community in this world is an ongoing act of work, devotion, and service. There is still work to do, and while we have collectively come leaps and bounds, there are still a ways to go. We must all continue to question tradition, re-examine and enhance praxis, explicitly push back against bigotry in all its forms, and be actively and unapologetically anti-racist. I am only able to walk safely in this world as a trans person, because of Black, Indigenous, and people of colour who have come before me and have fought for our rights. Progress is not inevitable, it is ongoing work that we as a Kingdom, and as a society, need to keep pursuing.

In service to the Crown, and the Dream  
Count Jayne (He/They),  
Former King of Lochac

With the support of  
Princess Ursa the Minor, Crown Heir of Artemisia (They/Them)  
Laureate Bethony Gaitskell of Lochac (They/Them)  
Count Yseult de Michel of Calontir (They/He)

# Newes from the Crowne.

**K**now all who hear, see or read this that the Crown of Lochac has passed to KING RATBOT and QUEEN KATHERINE as witnessed by the many who gathered recently for the joyful days of Autumn Coronation in the fine Barony of Politarchopolis. And that The Kynges Thibault and Jayne have come into Their Counties in honour of Their service to the Kingdom VIVAT! And that The Crown is searching throughout the Kingdom to appoint citizens of good standing to their Privy Chamber and also warranting others to honour with-out the Chamber in recognition of especial service, to wit:

- Item: redoubtable battle-maidens to join the Kings Guard in the Privy Chamber, King's Wing.
- Item: musicians, singers and folk of entertaining manner to make merry with the Quene's Other Consort.
- Item: Royal Provodores to recognise those who supply Fine Comestibles to the Crown, in especial in rat form.
- Item: The Royal Spy Desk, scriveners and those others who serve Chancery to keep the Crown informed.

*The Annunciation of the Crown.*

Lord Thorbjorn Bjarnyr, after da Vinci.

CORONA PRAETERIIT, VIVAT CORONA.

Honoured mother, I have much to tell but short time to write as this has been a busy month with the Princess hard at work and the Prince recovering from his exuberant activities in the company of certain Dukes. He scandalised Festival goers by losing the princely thrones in a dice game; fortunately Principal Secretary Nicodemus was able to redeem Her seat/ the Prince sat on a cloak for Court. He is well used to that, campaign commander that he is and coming from lands where nothing bites or stings or stabs. Thereafter the two reunited at Coronation, a goodly affair though there was startlement in that They came naked to their crowning, as in the days of old, but for undergarments of fine linen richly embroidered with rats, and jewelled cloaks/ later They wore cloth of silver and wool and velvet of the darkest black. After Their crowning, the K required the Q to pay homage but she turned the tables on him citing *primi inter pares* and thus he had to do homage to Her in turn, making them jointly first amongst equals like unto Their Catholic Majesties of Spain. There was much joyful Court business, and splendid music from Maestri Crispin and Dafydd. The food was delicious tho the rats did give me pause. It was truly a magnificent event by the Barony of Politarchopolis. Next the Q will travel from Gildenwick in the east to Western Raids/ the K has business elsewhere. I must be about the packing, thus no more for now.

*Yr loving daughter, J*

In the throat of maester-singer David Jones  
thru the penne of sonneteer Erik Didrikson  
to me for oore owne special Circumstaynce :

Q. KATHERINES  
**CORONATION Promise**  
to King Ratbot.

**I**F fate would have thee King, why, fate will crown  
Thee thusly, and exalt me as your Queen,  
Though circumstance may tear our banners down  
For know, a reign is naught but fleeting scene.  
Tis pity we cannot like dolphins swim,  
Away through boundless oceans wide and deep;  
But life is short - we answer to Fate's whim,  
And not e'en Fate can us together keep.  
And though within six months our reign will end  
We'll take a stand atop our shining tower -  
As King and Queen, our Kingdom to defend  
Until we come, in turn, to cede Our power.  
For this We know, though time flows ceaselessly away,  
We can be heroes, if just for one brief reign.  
We can be heroes, starting from today.  
We can all be heroes.  
What d'ya say?

For that I cannot gift him a Crown and  
thus it must be words, the only things which  
I have in over abundayce as he does so  
often chide me withal.

The Prince had a new shirt for Our Crowning instead of the usual  
hand-me-downs he received as a squire some dozen years ago. Mistress  
Ginevra Isabella di Serafino Visconti fashioned it / she is so very skilled  
with a needle it puts my own poor efforts to shame. Our splendid  
Coronation ratiouis robes came from M<sup>rs</sup> Robesia le Garjent and Lady  
Birya. I never thought that a tape of rats would look so fine / tho I  
must say the many sparkling jewels helped. I wonder where R got  
those....

# Notice Board

## Greetings Lochac

The Barons and Baronesses of Lochac put in amazing work in sustaining the Kingdom. At some point however such efforts deserve respite. We were saddened when we heard that Master Thomas Bacchus and the Honourable Lady Mildryth Thomaswyf, Baron and Baroness of Mordenvale had decided that it was time for them to step aside, but we thank them for all their work and wish them well in their retirement.

Our thanks also go to all those candidates who indicated their willingness to serve their Barony in one of the most demanding and valuable roles to play in the Kingdom. It speaks volumes of their courage and dedication to the Kingdom. Know that we will be pleased to travel to Tocal in July to elevate the new Baron and Baroness of Mordenvale, the Honourable Lord Gavriil Slotkovich and Lady Kolfinna Burlufotr.

Pro Regnum et populi,  
Ratbot & Katherine  
Crown of Lochac

## Greetings All

After careful consideration of the applications and taking into consideration the thoughtful commentary of the Populace of Lochac with Permission of The Crown and various stakeholders I would like to announce the next Lochac Kingdom Constable will be:

Don Diccon Shorthand (Richard Arthur). I wish him every success in this role.

Yours In Service

Gomez  
Lochac Seneschal

## Greetings!

As I announced in closing court at Rowany Festival, I approach the end of a double term as Earl Marshal for the fine Kingdom of Lochac, and it is time to seek my successor.

You don't have to fight for it - at least not on the tourney field - but if you are interested in supporting the Arts Martial throughout the Kingdom, please get in touch to discuss your thoughts and ideas for the role, and to apply.

Key requirements:

- You will need to be a current SCA member, 18 years or older, AND be a current warranted Senior Marshal, or Authorising Fencing Marshal, or Authorising Equestrian Marshal within the Kingdom of Lochac
- Reliable and responsive access to email and internet connection
- Ability to keep on top of a variety of related administrative tasks
- You will be in fealty to the Crown for your two-year term

Key elements of the job:

- Encouraging the development of chivalry on the field.
- Development, maintenance, publication and enforcement of the Kingdom standards for construction and use of weapons and armour
- Appointment and support of such Deputies as are required, and support for group officers

Please send your applications by 31 May 2023 to [seneschal@lochac.sca.org](mailto:seneschal@lochac.sca.org), with a courtesy copy to [marshal@lochac.sca.org](mailto:marshal@lochac.sca.org). Do please include your membership number, mundane and SCA names, and any relevant experience, along with any important plans or great ideas you would seek to enact if successful in winning the role

If you would like to know more about the job, or to discuss how you see yourself taking it forward, I would love to hear from you!

Yours in Service,  
Angele de Savigny

# Diversity, Equity, and Inclusivity Spotlight

## DEI in the SCA

Baron Charles de Bourbon was appointed SCA Inc.'s Diversity Equirty and Inclusion Officer on March 1, and has been posting regular updates and useful articles on the SCA Diversity Equity & Inclusion Facebook page since then ([www.facebook.com/SCADiversityEquityInclusion](http://www.facebook.com/SCADiversityEquityInclusion)). Posted below is an update made in April about DEI items approved in the April 23rd SCA Board of Directors meeting:

“For context: in 2021 Jessica Van Hattem submitted a suite of recommendations to the BoD, and in December, 2021 several board members crafted a proposal based on those recommendations to present for implementation.

When I stepped up, the proposal was handed to me to review for implementation and proposal to the board. Sunday, the following items were approved for implementation across the Society. Some of these items are fairly large, and I will be building implementation task forces.

1. required DEI training for all Society and Corporate officers, the BoD, and Kingdom greater officers including crowns
2. Work with kingdoms to develop a process to publish and retain required accessibility information for events/locations.
3. Work with Society Chatelaine to develop DEI awareness for new folks
4. All kingdoms are asked to have a DEI officer, and I will work with Kingdom DEI officers and Seneschals to standardize the job description, scope, and function.
5. Form a workgroup to investigate the potential creation of a Society DEI officer and the roles and responsibilities associated with the position.  
For additional review:
6. RFP for external consultant being reviewed

Policy Change:

7. Add B for Belonging to DEI office, so it is now the DEIB office in keeping contemporary practices.”

## From the Chronicler

Greetings Lochac!

Lots has happened since last I wrote to you. Considering I'm still recovering from Festival plague (lower case plague, in this case), lets start there. Rowany Festival was, as always, a week of friendship, learning, joy, and day naps. It was chilly this year, though luckily not raining much, and the evening campfires were much appreciated. Leaving is always hard and I'm already looking forward to next year, and my brain is buzzing with inspiration. Though of course I was more than happy to see my wonderful bed and shower!

Their Majesties Ratbot and Katherine's coronation was held last weekend, and what a spectacle it was! It was an honour to attend some truly beautiful and emotional courts. Being of hearty Crescent Isles stock, Their Majesties fared well in their shifts during their investiture, but I must say I enjoyed my nice warm wool sottana. Do see Their missive for more information about the mischief I realise is likely to be a hallmark of their reign. Though if there's more chocolate coins to be had I'm absolutely on board.

YiS,  
Salome

## 3rd of June: Borgias' Poisoners Ball, Ynys Fawr

Come join us for feasting, dancing and gaming  
The Borgias are back, and there will be maiming  
Collect crosses or crowns - that is your mission.  
A pope or a prince? - Choose your ambition

Use slyness and scheming, tactics, betrayal  
Be wily and wary and you might prevail.  
The brave and most cunning will likely survive,  
Can you dodge the assassins and pray stay alive?

A touch on their hand or a spike in their drink  
Hold their gaze and do not blink  
Let nothing distract you, do not listen to lies  
Be like the Borgias, eyes on the prize

What's your ambition? How will you rule?  
Your ultimate test is a poisoner's duel  
Eat, drink and make merry for by end of the ball  
One of you will triumph, the rest will all fall.
