From Their Royal Highnesses

Unto the populace of the West,

Greetings from Hans and Ciar, Rex et Regina Occidentalis, on this, the 7th day of May, A.S. LVIII

We were blown away by the outpouring of love and support we were gifted at Beltane, and We thank each of you for it. This unity is the glory of the West...despite the rivalry between Our Principalities, which seems to have been brought down to a low simmer after the recent, er, encounter, at the lands of KHTI.

Earlier this spring we saw the triumph of Their Excellencies, Roland and Audry, in the Mists Coronet Tournament. Late May and June bring with them the selection of Heirs in Cynagua and Our own June Crown.

And speaking of Crown...We will be returning to an old Western tradition and requiring the use of great weapons in the 4th round. In addition, we will require that the first fight of the Final Round be fought with great weapons. The Tournament will otherwise be the standard double elimination, each round from first to semi-finals being one fight and Finals being best two out of three. We hope that each of you who presents yourself and your consort in these grand tournaments find splendid combat and great joy in them.

We look forward to seeing you there!

Hans & Ciar

Words from Viscountess Mistress Nemonna Vicana and Lord Colum Mac Eoghain Ui Niall (from Facebook)

The King and Queen listened to the voice of the Populace of Selviergard and with the insight provided by the polling, an announcement was made this evening that Colum and Vicana have been selected to be invested as the Baron and Baroness of Selviergard at the Twentieth Year event. It is with humble gratitude that we accept this trust from Our King and Queen. It is an honor to even have been considered for this role and it is an amazing and intimidating thing to be selected by Our King and Queen to be asked to serve as Baron and Baroness.

We extend heartfelt gratitude to Master Rodrigo de Reinosa and Mistress Étaín O'Rowarke and Lady Astrid Thorasdottir for demonstrating a love for this wonderful Barony by submitting Letters of Intent for the Baronial Seat. You are inspirational to us and we count ourselves as incredibly lucky to have you as our friends.

Baron Halfdan Two Bears has been and will always remain an inspiration and example for us. Thank you so much for your wise council and support.

We wish to thank the Populace of Selviergard for Their support and appreciate all the advice and comments we have already received . Thank you, we look forward to being Yours in Service to the Dream.

We have a short time to prepare for this position and will need your help and support. Lord Colum is the Baronial Constable and will need a Deputy to quickly take over the office when he becomes otherwise engaged. Please contact Colum if you would be interested in becoming the Constable, or would be willing to hold the office as a Deputy until it can be filled appropriately. It is a great job and the mace that serves as regalia for the Constable is really impressive.

We are excited by this opportunity to give back to the Society for Creative Anachronism our service in gratitude to the Dream that has inspired us for so many decades. We look forward to working with the Populace of Selviergard and all the Noble Lords and Ladies of the Principality of Oertha and Kingdom of the West to Live and Dream in Our shared Knowne World.

Humbly, Yours in Service

Colum and Vicana

Letters and Communications

From the Kingdom Seneschal

West Kingdom Communications Team Receives a Commendation at the Recent Board of Directors Meeting!

The West Kingdom Communications Team received a formal commendation during the recent Board of Directors meeting by the Communications and Social Media Officer.

Specifically, the Commendation states: "The Social Media and Communications team of the West Kingdom - this 25-person strong team (at the time of the report) across the Kingdom is focused on both internal and external marketing, supporting each other and continuing to improve these experiences for the West."

These people are unique in their positions as nearly all their work is not only behind the scenes, but the sheer volume of their work is also seldom understood, yet most of us interact with it every single day.

Please join us in congratulating this team for their recognition at the highest level and all the work they do to support and grow our Kingdom!

Katrina Yarbrough,
OP West Kingdom Seneschal

Membership Card Update APRIL 12, 2023 |

Membership Cards are back! If you've renewed your membership during the past quarter and elected to receive a paper membership card, keep an eye on your mailbox. The files are at the printer and all cards will go out via USPS beginning **Wednesday, April 19**. Going forward, membership cards will be printed and mailed twice a month to ensure that people who select the physical card option will receive it in a timely fashion.

A new fully-digital option for your SCA Membership Card will shortly be available. Proof of membership details will also continue to be accessible through the Membership Portal.

Transferring from our old system to a completely new type of CRM certainly presented some unique challenges from a data import perspective, but I am happy to report that nearly all issues affecting member profiles have been resolved. Thank you to everyone who has patiently assisted us with discovering and resolving these bugs so far.

As you may know, this significant systems upgrade coincided with some extremely severe winter weather in the San Francisco Bay Area, where the Corporate Office is located, and our small staff is now working through a significant backlog of requests and communications. We have temporarily taken on additional resources to address this, and it is anticipated that membership processing will return to a more regular cadence from late April onward.

The need to find new software also presented us with the opportunity to reduce related costs. Our new member software represents an 83% annual savings compared to our previous system. This is part of our ongoing drive to find appropriate corporate savings wherever possible.

Thank you once again to everyone for their kindness and patience during this time. I continue to investigate opportunities to improve the portal experience based on your feedback and can be contacted at membership@sca.org. Please note that due to the high volume of correspondence we have received, there may be some delays in response time.
