THE SCA PROHIBITS HARASSMENT AND BULYING OF ALL INDIVIDUALS AND GROUPS.

The SCA prohibits bullying and harassment of all individuals and groups. Bullying is systematic and unwelcome behavior which involves the use of influence, threat, intimidation, or coercion to cause hurt or harm to another person or group of people. When the bullying behavior is based on a protected class (1), that behavior is defined as harassment.

(1) race, sex, religion, national origin, gender, sexual orientation, age, or disability.

Bullying and Harassment may be **overt**, as in the following non-inclusive list of examples:

- Verbal abuse, including using racial, homophobic, transphobic, ableist epithets, etc.
- Non-consensual physical contact, violence, or threatening gestures.
- Displaying material that is offensive, degrading, or threatening to a protected class.
- Consistent demeaning remarks or malicious teasing - Stalking or predatory behavior

Covert:

- Spreading rumors or innuendo with malicious intent
- Deliberate exclusion, isolation, or alienation of an individual without just cause
- Using rank, title, or office to intimidate others

Provided that the behavior does not rise to the criteria listed above, bullying and harassment is not:

- Single episodes of social rejection, dislike, tactlessness, or forgetfulness.
- Mutual arguments, disagreements, or fights.
- The termination, mutual or not, of a romantic relationship or friendship.
- Reasonable constructive feedback or critique.

The test for bullying is the reasonableness of the behavior and the impact of that behavior on the recipient. Participants engaging in bullying/harassment are subject to appropriate sanctions. If an individual believes they have been subjected to or have witnessed harassment, bullying, or retaliation, that person should contact a seneschal, the President of the SCA, or that kingdom's Board Ombudsman.

From Their Majesties

Andreas Rex and Kallista Regina

Unto the Most Noble
Populace, Greetings from
Andreas and Kallista, King and
Queen of Sylvan Æthelmearc

We hope this missive finds
you all in good health and full
of cheer. We are quite fond of
this time of year, as the air
turns crisp and the world be-
comes a dazzling display of
vibrant colors. Now that we
are delving deep into spooky
season, the Kingdom has an
extraordinary schedule of
exciting events planned. We

encourage you all to get to whichever events that you can as you certainly won't be disappointed in what Æthelmearc has to offer. Whether your heart is on the field, or on the range, or in the kitchen or in the classroom, We are sure that no matter where you go, you will find a little of that thing that you love.

Of special note this month, is the occasion of Our Crown Tournament. Æthelmearc will once again have Heirs! Whoever is victorious that day, We hope that you will join us in welcoming them and showing them the same love and hospitality that you have shown us.

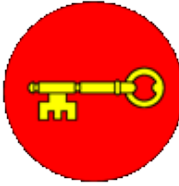

As Always In Service To The Dream,
Andreas Rex and Kallista Regina

Officer Reports

From the Kingdom Seneschal

Greetings Æthelmearc!

We're nearing the second anniversary of my taking the office of Kingdom Seneschal. It has been a busy and exciting time full of interesting challenges. That said, with one year left in my term, which was extended by a year to align with the new three-year cycle, it is time to start the process of finding my replacement.

The office of Kingdom Seneschal is both challenging and rewarding in ways that are difficult to explain. Though without a doubt one of the most difficult jobs in the Kingdom, we benefit from a tremendous amount of support from all quarters of the Society. At no point in these two years was I ever lacking support to help me rise to the various challenges presented to me.

I would please ask you to consider rising to the challenge and submitting a Letter of Intent, which I will be putting out the call once we have got Coronation and Crown Tourney completed. And please, if you have an interest, feel free to ask me any questions you may have about what the office requires of you.

In other news Pennsic was a rousing success despite the many challenges put before us. We had a wonderful Curia Regis which included several changes to Kingdom Law, a new version of which has been sent for publication and should be on the website by the time this missive itself is published.

There's a wide variety of events on the calendar for this autumn including Coronation and Crown Tourney, two events that are especially important to the Seneschal's office. I hope to see you all soon as our Sylvan Kingdom blooms into a myriad of fall colors about us and we prepare for the harvest!

In Service to the Realm,
Barún Pádraig Ó Branduibh

From the Kingdom Arts + Sciences Minister

Greetings from Rue, your friendly

Arts and Sciences!

On October 4th we will be having our Kingdom Arts and Sciences Championship in West Virginia at the Haunting in the Hollow event. All the information can be found here: <https://aeans.aethelmearc.org/kingdom-arts-sciences-championship-as-lx/>

October 25 is Agincourt in Rochester, PA (15074): <https://aethelmearc.org/event/agincourt-xviii/>

THL Lisabetta di Rossi (Bess) is coordinating an A&S Display encouraging anyone to show something they are passionate about working on! No sign-up is required. They are also offering a day's worth of classes both outside (under cover) as well as inside.

Next month, Fall Æcademy will be held November 15 in California, PA (15419) <https://aethelmearc.org/event/fall-aethelmearc-academy-suggested-date-region-2/>

If you would like to teach a class, please reach out to the Academy Chancellors at aecademy@aethelmearc.org.

See ya there!

Please contact us at ans@aethelmearc.org for any questions or issues.

Officer Reports

From the Kingdom Exchequer

Welcome to Fall, Æthelmearc!

At next year's Fall Crown, I will be stepping down as Kingdom Exchequer. I'm looking for individuals who are interested in training for the position to be ready to take over the position next year. The long lead time is to provide the full year cycle of training to an incoming exchequer.

Ideally, I'm looking to train several people in the position so that we have a pool of individuals for the future and to fill any needed Regional Deputy positions.

All potential exchequers must be a Paid SCA Member, 18 or older, can become a Warranted Exchequer (though an existing or active Warrant is not required to apply), and must have regular access to Email, Google Drive, and Excel.

If you are interested, please send your letter of intent and resume to exchequer@athelmearc.org.

Should you have any questions, concerns, comments, etc, please contact the Exchequer Office at exchequer@aethelmearc.org

Be safe, be smart, & be kind.

Sir Tigernach mac Cathail

Kingdom Exchequer

From the Kingdom Chronicler

Please remember the deadline for the Æstel is the 5th of each month (unless a notice is sent to the Official Kingdom Mailing list indicating an earlier date).

It is important to note that this deadline is for the following month's issue. For example, the deadline for the June issue of the Æstel is May 5th.

I would also like to encourage more of the Kingdom officers to submit a missive regarding the news of their office. It would great to have more officers to contribute to the Æstel!!

The finalized newsletter must go to Corporate by the 10th of each month. Why is this important? When submitting events to the calendar if you submit event information after the deadline it is not going to make it into the Æstel for the proper month. Any updates to a current event submitted after the deadline will also not make it into the Æstel.

Another reminder when newsletters are published, please remember to send an email to the specified people with a copy of the newsletter. If any of the group Chroniclers have questions about who to forward the newsletter to, feel free to send an email to chronicler@aethelmearc.org YIS,

Baroness Thalia Papillon

In the Morning:
Court was Opened

Their Majesties welcomed all to the event and gave leave to Their Excellencies of Endless Hills, Baroness Magge Illfoster and Baron Nicolo dei Gaetani, to hold court and conclude their business.

Baronial business being finished, Their Majesties called forth Baroness Magge Illfoster and Baron Nicolo dei Gaetani, and divested them of their Baronial coronets and responsibilities, releasing them from service.

Their Majesties called forth Her Ladyship Juliana Woolworth, seneschal of the Barony of Endless Hills to assure that a proper polling was held, affirming the desire of the people of Endless Hills to remain a Barony and to offer up candidates meeting the people's approval.

Their Majesties then called forth Dona Kolfina Jodisdottir and Lady Revna Lunaris and invested them as Baronesses of the Endless Hills. Their Majesties heard the oaths of the new Baronesses and granted arms to Baroness Revna Lunaris to mark her new station.

Their Majesties then gave leave to Their Excellencies of the Endless Hills, Baroness Kolfina Jodisdottir and Baroness Revna Lunaris to hold court.

Baronial business being concluded, Their Majesties then called forth Eleanor of Endless Hills. Noting her service and general helpfulness despite her age, inducted her into the Order of the Silver Buccle. Scroll by HRM Murdoch Bayne

Their Majesties then sought THL Magge Illfoster and recognized her service as a former Baroness of Endless Hills and made her a Baroness of the Court. Scroll Calligraphed and Illuminated by Jinx upon a text by Chaghan Ghunan.

Their Majesties also sought out THL Nicolo dei Gaetani and recognized his service as a former Baron of Endless Hills and made him a Baron of the Court. Scroll by Meisterin Amalie Reinhardt, with some help from AB-

BA.

There being no further business for the morning, and the court was suspended.

In the Evening:
Court was resumed with welcoming words.

A moment of silence was held on behalf of Lord Primo da Napoli, Mistress Maria Piekneplótno, and Mistress Morgana bro Morganwg, all of whom passed recently.

Seeking some joy to counter our collective sadness, Their Majesties called forth all the children present and allowed the children to choose a toy from the Kingdom Toy Box.

Their Majesties then sought all those for whom it was their first event or first royal court and gave mugs in the hopes they would return to have the mugs filled.

Their Majesties then gave leave to Their Excellencies of the Endless Hills, Baroness Kolfina Jodisdottir and Baroness Revna Lunaris to hold court.

Baronial business being concluded, Their Majesties then called forth their Heavy Weapons Champion, Sir Aaron the Swift, and divested him of his office and regalia. Finding an absence of a Heavy Weapons Champion, Their Majesties then questioned THL Salvador Moro de Medici, winner of the tournament, if he was still willing to stand as Heavy Weapons Champion. Upon Salvatore's affirmation, Their Majesties invested him in the role. Scroll by Baronessa Umbriana Campana.

Their Majesties then received the oath of fealty of Their Excellencies of St. Swithin's Bog, Baron Jean Phillippe Dit Barbe Rousse and Baroness Catherine de Troyes. Their Majesties also received the oath of fealty and service of Master Denys the Decadent.

Their Majesties then called for Kass of the Endless Hills and Awarded him Arms. Scroll wording by Daven MacKeannaugh and Iron Forge, calligraphed by Arminger Uraca Beatriz Boteleio, and illuminated by Cristina inghean Ghriogair.

Their Majesties sought out Surtr Atfarason and Awarded him Arms. Scroll Illuminated by Lady Isabella da loria and calligraphed by Baronessa Umbriana Campana.

Seeing room for more nobles in Æthelmearc, Their Majesties also called forth Opelia Demetria and Awarded her Arms. Calligraphed by Lord Vincenzo da Loria and illuminated by Porfinnr y Elsfiord.

Their Majesties sought out Lady Matilda of Endless Hills, and being impressed by her service, inducted her into the Order of the Keystone. Scroll by Armiger Cassia Carata-

ca.

Their Majesties called before them Lord Halfdan Arnson and noted how he worked in the rain because it was the right thing to do. For that and other services, they inducted him to the Order of the Keystone. Scroll illuminated by Porfinnr y Elsfiord, calligraphed by Lord Vincenzo da Loria, with wording by Baron Snorri skyti Bjarnarson.

Their Majesties then had words with Hakon Runolfsson, particularly about his growing prowess on the field. For that, they inducted him into the Order of the Golden Alce. Scroll illuminated by Porfinnr y Elsfiord, calligraphed by Meisterin Amalie Reinhardt, with wording by Master Po Silvertop the Rogue.

Their Majesties then called again for Baron Jean Phillippe Dit Barbe Rousse, and united him with a scroll for his induction into the Order of the Gage, which had been done on 13 July AS LIX (2024). Delayed scroll by HRM Murdoch Bayne.

Their Majesties sought out Lady Birna Haka-dottir and spoke of her growing research into naalbinding and other arts. They then invited into their court the Order of the Fleur d'Æthelmearc present to welcome Birna into that order. Scroll by HRM Murdoch Bayne.

Seeing the Order of the Fleur d'Æthelmearc still too small, their Majesties then called forth Antoinette de Lorraine, whose research into cross stitch and counted work impressed Them and the Order. They inducted her into the Order of the Fleur d'Æthelmearc as well. Scroll illuminated by Asa of Oseberg, calligraphed by Armiger Cassia Carataga upon words by Master Jehan le Blanc, with help from Mary Queen of Scots.

Their Majesties then demanded the presence of jorundr hinn rotinn and noted he was out of excuses. Their Majesties further demanded the presence of the Order of the Pelican, and in their witness issued a writ of summons for jorundr to contemplate membership in the Order. Scroll illuminated by Armiger Cassia Carataga and calligraphed by Meisterin Amalie Reinhardt upon a text by Meisterin Helena Mutzhasen.

Her Majesty noted a gentle whose name appeared often on the scrolls given out, and that much of that work was done earlier in the day. Thus, she called Armiger Cassia Carataga and named them Queen's Inspiration for the day.

The scribes, wordsmiths and regalia-wrights were then thanked and allowed to choose from tools in the Scribal Toy Box.

With words of appreciation for the day, and no further business, the court of Their Majesties was closed.
