Hrothgar and Ingridr

King and Queen
crown@outlands.org

Unto the Mighty Kingdom of the Outlands do We, Hrothgar and Ingridr, send Our warmest greetings.

The Winds of War do sweep across Our fair Kingdom, bringing with them the Stag's call to battle. Our campaign begins at War of the Phoenix, but this is just the first of several wars and events at which We hope to be joined by Our populace.

Attending a foreign war alongside one's Kingdom brings far more than the opportunity to fight in a larger battle than found at home. Fighting alongside one's comrades in large melees against foreign foes provides a fighting experience not found elsewhere, but there is more to be learned beyond the martial aspects of a war. Sharing a camp with fellow members of a kingdom, particularly those who don't often see one another, forges and strengthens friendships through shared moments found between the commotion of an event. Exploring the arts and sciences displays and classes of other kingdoms enriches us in areas that may not be taught, or even heard of, in our region. Crossing swords or sharing time with gentles from other Kingdoms and cultures can build enduring friendships and deepen understanding of the Society as a whole. And beyond all this are the stories that come along with traveling for hours with a group of likeminded companions on the way to an adventure.

In just a few short weeks, Gulf Wars will be here, and We look forward to seeing all those who are interested and able to attend. There are several efforts underway to help Outlanders make the journey, so reach out if you are interested and need help to make the event.

Another event that We hope to see Our populace, and hear its counsel, is at the Dragonsspine Baronial Polling. Baronial Pollings provide the Crown an invaluable opportunity to hear the Barony's voice during times where decisions must be made to facilitate the growth and change of a new chapter for the Barony. We encourage the populace of Draggonspine to join us at this event and lend Us your words as We contemplate the successors of the Territorial Coronet.

Soon after the Polling, Kingdom Arts and Sciences Competition will be held in the Shire of White Mountain. The pursuit of the arts and sciences within the Outlands is a subject dear to Our hearts, and as such, We would also like to strongly encourage artisans of all levels to not only attend but to compete! It is in the showing and sharing of works that we grow and learn as artists, and Kingdom A&S is, and should be, the biggest spotlight to showcase the skill of the Outlands. We hope you will join Us for this day of celebration of the artistic accomplishments of this Kingdom.

Words from the Officers

From the Office of the Kingdom Seneschal

Greet the day Outlanders!

As Seneschal, I have a few announcements for you to be aware of. First, as many of you are likely aware, we have a new Kingdom law. The seneschal will be meeting to discuss it this month.

Secondly, keep an eye out for the Premier Service Event of the Kingdom. Stags Con is back. We will host Stags Con virtually in the next few months, and plan to hold an in-person Stags Con in the fall. Everyone is welcome. Please join us for service related trainings, announcements, and discussion. Bring your questions for the Officers. Details will be forthcoming. We look forward to seeing you there.

In Service,
Sir Christine

Greetings!

As we close the reign of Simon and Aria, I wish to pause and shine a well-deserved light upon the scribes of our Mighty Kingdom.

67 scribes answered the call of service and artistry, creating an astounding 265 award scrolls and archery ranking scrolls. Each stroke of pen and brush was an act of devotion—to the Crown, to the recipients, and to the shared dream that is the Outlands. Your talents, generosity, and countless hours of labor ensured that honor was given beauty, and service was met with gratitude made visible.

From illuminated manuscripts to bold nontraditional designs, you have shared not only your skill, but your hearts. For that, I offer my deepest thanks.

As we now look ahead to the reign of Hrothgar and Ingridr, it is my hope—and my joy—that you will continue to create, to collaborate, and to inspire. May your hands remain busy, your inks ever flowing, and your love of the art endure.
