Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the first of the month so that space may be reserved. Anything arriving after the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

PDF is the preferred file format for submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability.

Ads, releases and checklists should be sent in electronic form via e-mail to kingdom@chronicler.ansteorra.org. Please see: <http://chronicler.ansteorra.org/> for detailed information on submissions.

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of any item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.
