From the East Kingdom Webministry

To the populace of the East,

On July 1st, East Kingdom Webministry will be implementing a stricter password policy. From that date forward all passwords will need to be a minimum of 12 characters in length. Also beginning on July 1st we will be checking for known compromised account credentials for all new East Kingdom members accounts and password changes on existing accounts.

At a later date we will start proactively checking existing accounts and requiring password changes for any passwords found to be compromised. As always, the best guidance is to use long, memorable, and unique passwords for each separate online account you have.

Questions:

How can I remember and manage long, memorable, and unique passwords across all the places I have to log in to things?

East Kingdom Webministry strongly recommends the use of a password manager, such as LastPass, Bitwarden, KeePass, or 1Password. These utilities can help you create, safely store, and manage unique passwords for each website and account that you use. Web browsers also offer tools to remember and manage passwords, but dedicated password managers offer advantages in creating and safely storing secure passwords and in cross-device and cross application functionality.

If you are checking the password I enter, don't you know my password? If you are checking it with an online dataset, don't they get my password?

No. Before your password is collected and checked, it goes through a transformation known as a one-way hash. This creates a new text string from your password, and cannot be reversed to your original password. This new

string is what is used for the checking. If this new string matches, we can say that your password is compromised. If this new string does not match, then you are good to go, and no one can tell what your original password is. East Kingdom Webministry does not know your password, and will never ask for it from you. Why? Why are you even doing this? Why does it matter? Why are you making things harder for me?

There are many reasons to ensure accounts remain secure. But at a minimum, because officers often have access to important data and systems, and keeping these secured benefits everyone. Shorter passwords and reused passwords are more susceptible to being compromised.

Quarterly BoD Meetings

All quarterly board meetings have a 10:00 am start time. Note: Attendees are asked to wear modern clothing to Board meetings.

3rd Quarter 2026 Tentative Date: Jul 19

The Great Northeastern Dessert War: Cake vs. Pie

Citizens of the Confectionery Kingdom,

Ready your forks and steady your dessert plates—history is about to be baked.

At Malagentia's own Great Northeastern War, the long-simmering rivalry between Team Cake and Team Pie will erupt into an all-out, slightly crumbly conflict. After generations of whispered arguments like "But cake has layers!" versus "Pie has filling AND crust!", diplomacy has failed. Only one dessert can reign supreme.

The Factions

* Team Cake will march proudly under banners of buttercream, wielding spatulas and shouting battle cries like "BIRTHDAYS FOREVER!" His Majesty's and their heir consort's dessert honor must be defended!

* Team Pie will counter with rolling pins held high, chanting "FRUIT IS BASICALLY HEALTHY!" Her Majesty and the Sovereign Heir will be fighting for the love of all things pie!

The Battlefield

The war will be fought on neutral ground—the fields of Hebron Pines RV & Golf—which will be immediately covered in sprinkles, crumbs, and questionable amounts of whipped cream.

The Prize

Eternal bragging rights!

* Important Warnings *

Forks are tools, not weapons (mostly). Casualties may include diets and self-control. Come hungry. Leave opinionated.

* Choose your side. The ovens are preheated. *

We'll be hosting a full, multi-day offering of martial activities for Archery, Thrown Weapons, Armoured Combat and Fencing, including a variety of tournaments, novelty shoots, woods battles (in real woods!) and strategic scenarios.

Schedules for all activities and further details can be found on the website at <https://malagentia.eastkingdom.org/gnew/> as they come available.

At the request of the site owners, pets are no longer allowed at Great Northeastern War. Service animals are, of course, still welcome.

RV camping is permitted at the event. A separate fee must be paid to the site and all arrangements for placement and hookup must be done through the site owners directly, NO EXCEPTIONS. When you arrive at Gate, please let our staff know that you will be camping in an RV.

From Bethel, Berlin, Montpelier, Burlington, Montreal, and similar points West:

Please consult a map to find your best route to pick up Route 26 South west of the towns of Norway and Oxford, Maine. For most folks coming in from Northern New Hampshire and Vermont, you'll want to cross the Maine/NH border on Route 2 and pick up Route 26 South in Bethel, Maine, but there are other possible routes as well, depending on your starting point.

Follow Route 26 South through the Western Maine towns of Bryant Pond, Paris, Norway, and into the town of Oxford. About two miles after you pass through the business district of the town of Oxford, you'll come to traffic lights which mark the entrance to a Wal-Mart (on your right). Pass straight through the lights, continuing South on Route 26. 1.8 miles after the Wal-Mart, you'll pass the Oxford Plains Fun Park on your right, closely followed by Oxford Plains Speedway on your left. About 1.7 miles after the speedway, turn left onto Route 121 North (a Citgo station marks the corner of this intersection, on your left). Follow Route 121 North, into the town of Mechanic Falls. After 4.4 miles, you will arrive at a 4-way intersection with a traffic light.

Turn left at the light (keeping the Cumberland Farms on your left) onto Route 124 North. Follow Route 124 North into the town of Minot. 4.4 miles from the light you will come to a strange intersection, which is marked as

the junction of Routes 124 and 119. Turn right at the Yield sign and then immediately left at the T intersection (heading away from the church), staying on Route 124 North.

Continue a further 2.3 miles on Route 124 North, into the town of Hebron. Hebron Pines Campground is clearly marked, on your left.

Rusted Woodlands is proud to once again announce we are hosting EK Novice Day 2026. Come and celebrate the accomplishments of our newest members in the East Kingdom's Novice Day 2026. This event's purpose is to celebrate our fledgling members into our community and give them a chance to showcase the talents they have developed in their inception to the SCA (within 2 years of their initial authorizations). We will have TWO (2) tournaments:

All fighters please note: The tourneys will be preceded by a procession of the combatants with their consorts/inspirations. If a contestant doesn't have one, one will be provided. New Combatants will be able to authorize the day of the event.

* Sunshades and tents are allowed around the perimeter of the field. Due to the site's sprinkler system, stakes are not allowed beyond this area.

The Arts and Sciences (A&S) remain an ever important and integral part of our Society and will be represented with their own competition. The A&S Competition is open to all gentles who hold neither a Kingdom or Baronial level A&S award, nor have ever won a major championship. The winner(s) will be decided by votes cast by both the Populace and the Laurels.

Registration Fees
 Registration:
 For individuals bringing minors other than their own children, please remember to bring the appropriate medical waiver signed by their legal guardian.

****Pre-Registration Deadline: To come****

For individuals bringing minors other than their own children, please remember to bring the appropriate medical waiver signed by their legal guardian.

Cabin Registration:
 If you pre-register you will not be charged for a cabin unless we have one available. If you need to pay by check, we prefer that you pre-register through the form and choose the option to pay by check. If you mail in your pre-registration without using the online form, do not include the cost of the cabin in the check. If a cabin is available, we will contact you and you will need to pay for the cabin at Gate.

We highly recommend sending your cabin registration in along with your event and feast registration as cabins are first come, first served. The number of bunks listed with the cabins is the minimum, occasionally some of the cabins may have an extra bed or bunk.

All cabins have electricity and usually one outlet. You may want to bring a power strip if you need more than 2 plugs.

If you have requested a cabin and one is available, it will be included in your pre-reg total. If you are put on a waitlist, and a cabin becomes available, you will be notified and sent a second invoice for the price of the cabin using your previously selected payment method.

Groups/families should choose one person to reserve the cabin. Please note that we strongly suggest keeping to family "pods". It is up to the individual reserving the cabin to determine who will be using the cabin. The event staff will not be combining people into cabins.

If there are multiple families in your group reserving a cabin, please include your group name so we can try to put the cabins together. Cabins will be assigned after your reservation has been paid. You will have 48 hours after you receive your invoice to pay for the cabin. There will be a waitlist until all cabins have been paid for.

Please do not put a small child in the top bunk unless they are able to get up and down on their own.

Feel free to bring coverings for the windows, or to set up a changing area.

If you reserve cabin space, you are responsible for making sure it is clean at the end of the event. There is a broom and dustpan along with a small trash can in every cabin.
