Words from the Crown

Greetings Atenveldt,

We, Khalil and Emma cannot begin to express Our appreciation for the continued love and support We have received as the Crown of Atenveldt. There are always opportunities for those who want to volunteer their time and talents during Our reign. We are honored to be your canvas and represent your arts, highlight your martial specialties, and display your talents in any way We can. We are approaching Our reign as a position of service to the populace, and therefore, We thrive on the opportunity to share the many talents of Our populace. Please contact Our Chatelaine, Head Lady in Waiting, Captain of the Guard, Largesse Coordinator, or Mistress of Robes if you wish to contribute and make your talents known throughout the kingdom. You are also welcome to contact Us directly at crown@atenveldt.org, and please let Us know if there are people within the Atenveldt populace that have contributed to making your SCA a better place.

Over this past month, We were welcomed at the December Yules of Atenveldt. Starting with the Northern Yule where we were given the warmth of northern hospitality along with an outstanding meal. It was nice to see everyone in good spirits after such a long lull in SCA activity. Though we were able to attend a few combat practices and an occasional scriptorium, there is nothing like a good event where pageantry and historic authenticity are readily displayed. We then travelled to the south where the Barony of Mons were the most gracious hosts for the Southern Yule celebration. We love visiting the monastery and going to collect peacock flight feathers for atlatl arrows, and watch the peacocks climb the trees at dusk. We were then able to enjoy the Yule and Solstice festivities of the central baronies of Atenveldt and Sun Dragon. We always enjoy a good theme, especially one that allows Us to break from Our personas and try out some new styles like We did for this Viking themed event. Excellent planning and the dedication of so many great people clearly went into these events and We are thankful to be a part of it. Finally, We also had to make an unscheduled stop at the annual caroling event put on by Our home barony of Tir Ysgithr at the Winter Haven neighborhood holiday lights show.

This past December, We also held Our first Pelican and MOD circles of Our reign and are eager to start making peerage offers at the upcoming events. So be sure to come out and support the future peers of the SCA. In thinking of Our future, We hope that each member of Our populace took the opportunity to share expertise, teach a class, or learn something new at the many Yule celebrations this past month, and if not, there will be plenty of opportunities in January. As a reminder, We have challenged every Atenveldter to discover something new. Venture into a new corner of the SCA and attempt something you have never done before.

There are no excuses to miss out on War Practices or Boar Fest as those events will be free for SCA members. We also highly anticipate the annual Sun, Sand, and Swords event in the Shire of Burning Sands and love to see populace members from all over Atenveldt come and support the Shires. It is also Our fondest wish to recognize the extraordinary accomplishments that make the Atenveldt sun shine. Therefore, We encourage you to assist Us in celebrating your community by submitting award recommendations on the kingdom website, especially those of you in the far reaches of the kingdom.

We look forward to seeing all of you at the Archery Summit event this year where there will be prize competitions, our Masters of the Mark will be in attendance to help archers sharpen up their skills, and marshals will be onsite and ready to authorize individuals interested in combat archery and siege engineering. If you have a siege engine, please bring it to Central War Practice to get cleared for war and have a chance to make any needed adjustments. The war scenarios are very siege friendly, so having a few engines this year would be amazing. We encourage all heavy combat fighters to come to Archery Summit to learn how to work with your Combat Archers and Siege Engineers, and defend against others. We look forward to the increase in combat archery participants at war this year to fight side by side with Her Majesty.

With our warmest regards,

The Society Marshal and Society Rapier Marshal are pleased to make available for commentary the approved draft of the new Rapier Handbook. Commentary accepted through Feb 20, 2026.

This new Rapier handbook is part of the modernization effort, which is updating ALL the marshal handbooks along with the marshal related sections in Corpora, to better reflect the current structure, culture, and safety best practices we use today in our SCA martial activities.

One of the most significant changes is the modernized format, designed for easy online access and usability. With clearer layout, improved navigation, and consistency across all marshal handbooks, this new format makes it easier for both newcomers and experienced participants to find the information they need quickly and confidently.

- April 1: New handbook with updates from feedback will be submitted to the BoD for final review and approval.
- May 20: New handbook will be in effect (if approved during the April BoD meeting).

The Cut & Thrust Handbook is in progress, and will be added to this timeline.
