# The Horns of Fate Sound!

A Missive from  
Their Majesties

By the might of Mjölnir and the wisdom of the High Father, we send forth this message from the Hall of Ruling, carried on the wings of the Raven to every homestead and every gathering where the mead flows freely.

As the wheel of the year has turned, and the long shadows of Yule give way to the promise of the coming sun, we stand upon the threshold of a new saga. Let us cast our minds back over the moons that have passed—a time rich with the clang of steel, the weaving of artistry, and the thunder of celebratory horns!

You have made this year one worthy of the skalds' finest verse. Our gatherings have been feasts of friendship, where the camaraderie has been as strong as the roots of Yggdrasil itself. We have witnessed the finest Handwerk, from the delicate needle-turnings to the complex smith-work, that has earned the nod of the Gods. And on the field of honor, the roar of our Warriors has echoed, showing the valor that Odin himself smiles upon. We thank you, everyone! Your efforts have swelled the bounty and the renown of our Kingdom. May the golden apples of Iðunn ever renew your strength!

The winds now carry the scent of war! Gulf Wars approaches, the great Muster of the Kingdoms, and we must prepare our longships and our hearts. Let the forges ring with the sound of armor being mended, and the workshops buzz with the making of fine garments and banners! We call upon every Warrior to sharpen their skills and their blades, and upon every member of the Populace to prepare their feasts, the fine encampments, and the gifts of artistry that show the world the true worth of Gleann Abhann! Let us go forth and demonstrate the terrifying strength and marvelous bounty of our people! We proudly invite the populace to join us as we process to Opening Ceremonies, Monday, March 16.

Now, we look not to the fading embers, but to the blazing sunrise! The new year calls us to a grand purpose. We charge you to seek out new souls to join our crew, bringing forth your kin and all those who seek a place in our glorious Hall, for a larger fellowship means a stronger defense and a louder cheer. Let our camaraderie be more than just a passing handshake; let us lift each other in knowledge, skill, and in need, forging friendships that will endure like the unbreaking ice of Jötunheimr. We shall strive not for fleeting glory, but for works that will be spoken of when the horns of Ragnarök are blown—a legacy of Honor, Skill, and Unity.

May your horn be always full, may your blade be ever sharp, and may the blessings of Asgard descend upon your household. We march together into the new year, ready to carve our names deeper into the grand Sagas of time!

SKÅL!
