Words from the Crown

Hrothgar & Ingridr

King & Queen

crown@outlands.org

To all those who come by these words do We, Hrothgar and Ingridr, King and Queen of the Outlands, send greetings.

The Kingdom grows verdant with new life, strengthened by spring rains and warmer days. Yet this season's growth is not found only in field and forest, for Our Royal House has likewise been enriched by the addition of Our Heirs, Mordygán and Ymanie. We rejoice in the knowledge that, in Their hands, this Kingdom shall remain cherished, defended, and well tended long after We depart the Stag Thrones.

We are overjoyed to welcome Our Heirs beside Us as We lead the Outlands to war in the coming month. We bid all who read this missive to join Us upon campaign. We look forward to showing the Known World the strength, skill, and spirit of this Kingdom as We stand beside Our longtime allies of Calontir at Lilies War. Thereafter We shall return home to Battlemoor, where We will welcome fair Cousins and travelers from near and far to share in the hospitality of the Outlands. This year marks both a new site and a new season for the event, and We eagerly await the memories and friendships that shall be forged there.

Battlemoor was founded to share the valor and hospitality of the Outlands, and it has never come to pass through the efforts of only a few. It is built by many hands from across this Kingdom and throughout the Known World. Indeed, this is true not only of Battlemoor, but of every gathering, practice, and endeavor within Our Society. The Dream endures because people choose to lend their labor, their skill, and their hearts to it. We would remind all that it is important to volunteer when one is able, but no less important to support and encourage those gentles who step forward in service when others cannot. The Society is built upon aspirational ideals, and such ideals demand room for learning and growth. While it is ever easy to find fault or speak criticism, it is far more worthy to aid one another in achievement. We as the Outlands are bound together, and the Kingdom grows stronger when We raise one another up rather than tear one another down.

Mistress Aldyth Trefaldwyn
Kingdom Seneschal

From the White Stag Principal Herald:

Greetings unto the Outlands!

Thank you to everyone who taught and attended classes at STAGs Con last month! The Social Media team is working to edit and upload the classes that were recorded, they should be available soon.

Nextly, it's my pleasure to announce that Barun Gráinne Shocair will be taking over the office of Gimlet Herald, responsible for ceremonies and protocol. Thank you to Grainne for her continued service to Kingdom and College!

Also, this month I want to announce a change I intend to make to the scope of one of the Kingdom-level heraldry deputies. Traditionally, the office of Plover Herald has been the Kingdom field/list heraldry deputy. Under some White Stags in the past it has informally doubled as full-spectrum voice heraldry deputy, and this is a change I wish to formalize. I am therefore soliciting applications for the office of Plover Herald, with the following responsibilities:

Foster the art and practice of voice heraldry, in all its manifestations (court, list, cry, etc.), in the Outlands
Maintain a roster of voice heralds to assist Royals, Coronets, Autocrats, to connect voice heralds with those in need of their services

Create a training program for aspiring voice heralds, including court and list heraldry, and work to implement it across the Kingdom

One of the traditional rights of the office of Plover Herald is to coordinate and run the heralding of Crown Tournament, which may serve as some additional incentive to potential applicants. Time commitment is up to the applicant, but I anticipate being on the order of 5-20 hours per month. There is at the moment no deadline for applications, but earlier is always better.

Additionally, a reminder that Wimble Herald is open for applications. Wimble is the Kingdom herald who maintains the Order of Precedence. Wimble receives court reports from the heralds who ran the Crown's and Coronets' courts and updates

the OP accordingly, as well as makes corrections when errors are pointed out by the populace.

The office requires timely response to emails and good organizational skills. An ideal candidate will have a familiarity with databases and spreadsheets, but does not have to be a programmer.

The job requires about 12 hours a month.

Plenty of training is available: there is no set timeline to fill this office, and Meisteri Thorvald willing to stay on as long as needed to facilitate a good transition.

At the moment there is no deadline for applications.

If you are interested in these or any other of the open positions in the College of Heraldry, please don't hesitate to reach out. To apply for these roles, please email me with a brief outline of your qualifications for the position (specifically highlighting previous relevant heraldic experience) and an explanation of why you are applying.

I would also like to hold a heraldic consultation table—a Crazy Uji Sale!—at the Outlands 40th Anniversary event in October. Please reach out to me if you're interested in contributing and/or organizing; the more people we have the more people we can help!

Finally, Known World Heraldic and Scribal Symposium this year is August 22-23 in Collinsville, IL (just outside St. Louis) hosted by the Barony of Shattered Crystal in the Middle Kingdom. It will be a hybrid event with an online component as well. Check the website for more! There will be a Fighter Day Care: a gymnasium with martial arts set aside for non-heralds who want to get some fighting in. There is a hotel room block set up already but (as of the writing of this letter) it's not on the website, please reach out to me if you need the link.

In Dienst,

Andreas von Meißer
White Stag Principal Herald

From the Chancery of the Exchequer:

Hello, Mighty Outlands,

As you may know, Master Edric Capellarius has faithfully served the Kingdom during his tenure in the office of the Chancellor of the Exchequer. Their Majesties saw fit to allow him to retire into the Emergency Exchequer role and swore Mistress Sharon of the Roses in as Kingdom Exchequer.

Please be patient with the team during the transition, and note that we are also transitioning to a new financial institution for the Kingdom accounts.

If you have any interest in the office and how it works, please do not hesitate to reach out to Sharon at exchequer@outlands.org.

Thank you for your faith in me, and I look forward to serving you all.

In Service,

Sharon of the Roses
