Words of the Crown

Greetings unto all from Tuomas and Gilbert, the rightful rulers of Drachenwald.

When you all get to read this letter, we are most likely on our way back home from Strawberry Raid. Thinking of all the amazing things we have been privileged to witness, we have plenty of stories to share. There have been so many great events during our reign and one more to come as the Summer Coronation is near. It's very fitting that the circle closes at the Ingestre Hall where everything started for us. With that in mind, our time as kings is almost at the end and our efforts have mostly gone towards preparing the way for our heirs and getting ready to hand over the responsibilities to them.

Tuomas
King

Gilbert
King

Greetings from the Seneschal

Greetings and salutations, good gentles of Drachenwald!

Just a quick reminder this month, that our recognition 'system' is primarily based on nominations from the populace, and so it is incumbent upon all of us to ensure those worthy of recognition are brought to the Crown's attention. The Crown certainly cannot see everything that is happening throughout our illustrious Kingdom!

Anyone may submit a letter of recommendation to the Crown, and we even have a useful webform to do so: <https://op.drachenwald.sca.org/recommend> or emailing them at crown@drachenwald.sca.org also suffices. But please remember to provide as much information as possible, including SCA & modern names (if known), and specifics regarding why you think they should be recognized.

If you are not familiar with the various awards that may be bestowed, below provides a good summary: <https://drachenwald.sca.org/offices/berald/drachenwaldawardsorders/>

Even if you are not sure what award might be appropriate, but you think recognition is warranted, feel free to reach out to the Crown.

Feel free to also encourage others to nominate the same person, as it can make such decisions easier, if the Crown receives multiple recommendations regarding the same person.

Happy recommending! :)

In service to Drachenwald & the Dream,

Tyndall

Baron Colin Tyndall de ffrayser
Seneschal, Drachenwald

Kavalahiti scout camp site is near Inkoo in Southern Finland, only 60 km west of the capital Helsinki. Join us for 10 days (or fewer) of various activities like martial arts, arts and sciences, courts, and of course sauna, swimming, and the white northern nights. accommodation in cabins and a dormitory.

The site has drinkable running water and WCs in two outbuildings, but there are no facilities in the indoor accommodation buildings. The showers are in the sauna building by the beach.

The site is built on a hillside which can be challenging for people with reduced mobility. The disabled toilet is located behind the kitchen, about 200 meters from the indoor sleeping space, and the route includes a slope. The only way to get to the showers is to navigate the sauna stairs, and all the paths are gravel, not paved.
