Calontir

Our Heirs have been discovered, and Our lineage secured. Our Royal house has grown and joy radiates the halls. As the flowers begin to bloom, We begin traversing the corners of Our Kingdom once again. First, to the south, where a dragon is slain by Saint George. Then to the north, where our blades are sharpened, and steel clashes. Then to the west, where Our greatest of weapons will put on a dazzling and brutal display. These moments shared with the populace, foreshadow the times to come, as Lilies War is just on the horizon. As Our heirs walk by Our side, taking in all that this beautiful Kingdom provides, We are honored that They will see the very reason for sitting the Thrones. Those that toil away, those that create, those that defend. Every member is the reason that Calontir thrives and soars. We look to the future and all that it holds, and cannot wait to spend those moments with you all.

*In Service to the Dream,
Xerxis and Andromir
Rex et Roi*

Calontir

It was a wonderful Crown Tournament, amazing fighting, time with friends, and the biggest part of the day, we have Heirs! Congratulations to Their Highnesses, may You have a wonderful time as Heirs.

First Quarter reports were due April 15. Thank you to those of you that did get your reports on time. If you did not, or I have not spoken with you about the report, remember filing a quarterly report is part of the job description as a group Seneschal and failure to submit a report can put not only your position as Seneschal in danger, but also your group. Please, if you have issues with getting a report into me, reach out before it becomes something that there is no turning back from. Along those lines, check your background check expiration dates and your warrant dates. I know

that a few seneschals will be turning over in the upcoming months, please have a deputy in place sooner rather than later, this again will save on many an issue and gives you a break you deserve.

Summer is getting closer and the calendar is starting to get busier; we are looking for bids for Kingdom A&S and Kings Companie of Archers for this year. Please reach out to the respective officer if you have any questions. Looking to 2027 it is never too early to plan. We need bids for Crown Tournaments and Coronations, A&S events, etc. It is never too early to start planning on hosting an event, even if you are just a smaller group, it never hurts to investigate. Kingdom Level Events are not just for larger groups or Baronies to run. Smaller groups can investigate hosting these events as well, maybe talk to another group near you and see about working together. Just because a Barony is listed as the “guaranteed bid” for Crown/ Coronation it doesn’t mean it another group can’t take it on.

*Anne
Kingdom Seneschal*

Calontir!

It’s my honor to step up and serve both the Martial communities and the Kingdom as Earl Marshal. I look forward to the work we will all do together to keep Calontir as the best fighting community in the Known World.

The first thing that we are dealing with is reauthorizations. While I am writing this at the end of March, I am hoping that by the time this comes out we have been able to present some unified principles for reauthorizations so that every martial community can reauthorize as needed.

If you need to arrange time at Lilies to reauthorize please be proactive in reaching out to your marshals. While the Webminister’s team exercised great wisdom in not putting any expirations before the war, we still want to make sure that our marshals don’t spend all war being flagged down by people looking to re-up their cards.

As with every office, please keep an eye out for

any openings that we have in the future, and reach out if you are interested in filling them!

Again, I look forward to working with the Kingdom and am humbled by the trust placed in me.

*Yours in Service,
Matsudaira Takauji
Hyobu-kyo (Minister of the Military Ministry, aka
Kingdom Earl Marshal)*

Greetings!

Lilies War is nearly upon us, and the event staff could use many heraldic volunteers to help things run smoothly! Whether you're interested in book heraldry, cry heraldry or tournament heraldry, we could use your assistance during this week long event! Check in with Heralds Point throughout the war to see what volunteer opportunities are available.

In August, our friends in the Midrealm will be hosting Known World Heraldic & Scribal Symposium. This hybrid event will host scribes and heralds from across the society for classes on a wide variety of subjects, the ever entertaining Laurel Roadshow, martial activities, and even a field trip to the Saint Louis Art Museum.

They are currently looking for teachers, more information can be found at <https://shatteredcrystal.midrealm.org/midwest-heraldic-scribal-symposium/>.

Looking forward to seeing you there!

*In Service,
Dýrfinna Tonnudóttir
Gold Falcon Principal Herald*

Greetings to the Populace,

We enjoyed seeing so many people at Gulf Wars and hope everyone had a great time. We missed those who weren't able to go.

As the weather improves and you go to more events, please remember to hydrate and use

sunscreen.

Our time as baronage is coming to an end. It has been our privilege and pleasure to represent everyone. If you are interested in applying, please get letters in soon. Reach out with any questions you may have and we will answer them to the best of our ability. As we step down, know that we will still support the barony in whatever capacity the new baronage sees fit.

We look forward to seeing everyone at Valor for the investiture of our heirs.

*YIS,
Robert and Heidi
Baron and Baroness of Vativia*

Calontir,

My time as Kingdom Arts & Sciences Minister is winding down. Letters of intent should have been submitted to ArtsSciences@Calontir.org, Crown@Calontir.org, Seneschal@Calontir.org by April 11th. Interviews will be held at Unslung Heroes. Please contact me with any questions.

We are also looking for a new Falcon Signet. More to follow. Please reach out with any questions.

*Yours in Service,
Gyda kennara
Calontir Minister of Arts and Sciences*

Calontir,

I am seeking a replacement. The Kingdom Exchequer serves as the chief financial officer for the Realm, responsible for managing kingdom funds, maintaining accurate financial records, and ensuring all financial activity follows SCA policies and kingdom law. The Exchequer supports local group exchequers, oversees event financial reporting, and provides budget guidance to the Crown and Great Officers. Strong organizational skills, reliability, and attention to detail are essential. This is a warranted, volunteer position, typically serving a two-year term.
