Words from the Crown

Hrothgar & Ingridr

King & Queen

crown@outlands.org

Unto the populace of the mighty Outlands do We, Hrothgar & Ingridr, send Our warmest greetings,

During the past month, We have travelled to foreign lands and seen the might of the Outlands supporting Our cousins of Calontir at Gulf Wars. It has been heartening to see how many made the journey to take part in so many great activities at the event! Likewise, Kingdom Arts & Sciences was a resounding reminder of the beautiful works & skill of the Outlands artisans. We appreciate so many making the journey to White Mountain to make it such a success! And finally, We are fortunate for having the honor of congratulating the Barony of al Barran on its celebration of 50 years of storied history!

Spring is here, bringing change and new growth with its warm embrace. Though the winds of the Outlands blow strong, waking the fields from their winter slumber, it is with equal strength that the Kingdom's grass and flowers take root and reach for the sky, undeterred in their celebration of the return of the sun. It is now, with this same joy and celebration of the season of transition, that We celebrate the upcoming selection of Our Heirs at Crown Tournament.

Crown Tournament has long been the ultimate display of pageantry, chivalry, and prowess of a Kingdom while, like Coronation, offering the populace the opportunity to witness to the selection of their next King and Queen. We look forward to Our populace joining us at Crown Tournament to observe the acts of valor on the field and to celebrate the good fortune of the Outlands as We welcome Our Heirs to sit beside Us for the rest of Our reign.

While Crown Tournament is of great importance to a Kingdom, it is not the only event We look forward to attending. We encourage those who are able to travel to multiple events to come with Us in the coming months. The joy found within the Society is most apparent when we come together to celebrate our mutual interests, fun, and inspirations. Seeking adventure throughout the Kingdom is an ideal way to find others who share this joy. Often, it is during those moments that we least expect that we experience the magic that fills our souls and inspires us to be the best version of ourselves. We invite all who come by these words to join Us at the events and celebrations coming up throughout the Kingdom, including the celebration of the transition of the Baronial Coronet at Dragonsspine Investiture, the grit and merriment of Grand Outlandish, and feats of honor of Northern Baronial Championship. We look forward to the sharing of time together!

Writs from the Officers

From the incoming Kingdom Seneschal:

Good Day!

I am Mistress Aldyth Trefaldwyn, incoming Seneschal for the Kingdom of the Outlands. I have been in the society since the late 1980s'. I have had the pleasure of serving my local group and the kingdom in a few capacities, and am looking forward to the next two years in this new role.

Bear with all of the kingdom officers as quite a few will be transitioning in the next year. I am sure there will be hiccups. We are all learning together.

I am going to begin by stealing a line from my husband, when he served as kingdom seneschal. When asked, "Are you in a play?" The answer was Yes, Yes we are. A Live action play that has a run longer than Cats. Actors, costumers, armorers, chefs, grips, media. It's all there. If someone arrives at an event in reserved livery, it can be addressed in "rehearsal" next time. People who feel the need to point it out before rehearsal are bad actors. Nuff said.

Each month I want to spotlight a group in our kingdom so that we can get to know each other better, starting next month. Please, suggest away to seneschal@outlands.org.

This month, I want to address something we really don't want to address. Unsavory, or illegal behaviors in the SCA. With camping season coming up, so will the opportunity for those behaviors. In modern society we have the "if you see something, say something". Our medieval society is different. There is a requirement that the person or persons directly affected by the behavior must report the behavior. By all means say something, but also know that if the person or persons affected decline to report, society treats it differently. Also in case of a breach of modern law, the appropriate authorities MUST be contacted. It can be confusing, so please reach out if you have any questions about it at all. It is my fervent hope this is the last time any behavior of this sort has to be mentioned in any capacity in the Outlands.

A last personal note. I struggle every day to remember your correct pronouns. If I mis-speak yours, I mean no malice. Please correct me. In fact, gently correct anyone who mis-speaks your pronoun. We are in this together.

In service, I remain.

Mistress Aldyth Trefaldwyn
Incoming Kingdom Seneschal

From the Kingdom Chatelaine:

Salutations Good gentiles of the mighty Outlands!
Battlemoor is fast approaching, and with it comes a fantastic opportunity for local chapters. I will be hosting a chatelaines gathering. There will be a redistribution of Gold Key. Bring the extra Gold Key your group doesn't need and a list of what y'all are needing to exchange. We will be discussing the recruiting and retention of our Kingdom's future. Refreshments will be served. I'm hoping to be ready to receive the mundane public with flare and generosity.

In service to the dream,
Noble Shirin al-Sasan
Outlands Kingdom Chatelaine

From the Caer Galen Seneschal:

Greetings great populace of the Outlands!

I am writing to let everyone know that my time as Seneschal of Caer Galen is drawing to a close. So I am writing to request any Caer Galenite interested, to put forth a letter of interest. I would request you include what you feel are your qualifications, thoughts and plans for helping the Barony continue to succeed. Deadline will be April 30th. Please send letters to Crown@outlands.org, Seneschal@outlands.org, Baron@caergalen.org and Baroness@caergalen.org. I will take the time to train to the successor to the position and be near if there are any questions that may come up.

It has been an honor and privilege to work in such amazing company and with some of the best officers I have ever known!

Humbly, and ever in service to the dream,
Asta Olafsdottir OL
Caer Galen Seneschal

Banner Returns! Join the Shire of Windkeep for a day of fun, fierce heavy & light tournaments, and the revival of a beloved tradition. Come fight, cheer, and celebrate as the banners fly once more!

Do you miss the days of old, when every summer you would trek to the Shire of Windkeep for a day of frivolity filled with fighting, food, and friends? The roar of the crowd, the clang of battle echoing through the trees, the glorious death scenes, and a chance to win the coveted Banner!

Then join us on July 11, 2026, as we bring back memories of times past... and bring forth new ones into the future.

All who step upon the field to seek glory and fame must first bear aloft a banner of their own. From among these brave souls, great acclaim shall be granted to the most valiant, dramatic, and glorious fall upon the field.

From the Office of the Heralds:

Greetings unto the Outlands!

STAGs Con is this month! There will be a full slate of heraldic classes aimed at a range of interest, from book heraldry to voice. I will also be hosting an Open House as well as a staff meeting for the group and Kingdom-level heralds. The heraldry schedule is below:

Start	End	Title	Host/Instructor	Description	Recorded?
09:00	10:00	White Stag Staff & Group Heralds' Meeting	Andreas von Meißen, White Stag Principal Herald	For all Outlands group heralds and White Stag staff to talk about matters affecting their groups and the college of Heralds in the Outlands	No
10:00	11:00	Documenting Names & Filling out the Names Submission Form	Meister Andreas von Meißen	Curious how to document names? Have a name you think is documented but need to summarize the information on the Names form? Wonder what the questions on the form mean? Let's walk through it! This will cover how to make sure that your names submissions are set up for success from the beginning.	Yes
11:00	12:00	Charge Group Theory & Basic Conflict Checking for Armory	Meister Andreas von Meißen	Conflict checking is not as hard as it seems! This class will be a basic introduction to charge group theory and how to start conflict-checking armory.	Yes
12:30	13:30	Sound the Crown	Hirdman Sæbjørn í Eyðigarði	A class covering the A-to-Z's of managing the job of being a royal or baronial herald, both as an official position, and looking at day-of duties to improve our skills.	Yes
13:30	14:30	White Stag Open House	Andreas von Meißen, White Stag Principal Herald	An open forum for everyone, herald and non-herald, to hang out, ask questions, and talk about the job of being a herald.	No
14:30	15:30	A Unique Device for the Current Middle Ages	Magister Æðeluulf muunc	How to construct creative armory for use in the SCA, and (probably) beat the conflict check.	Yes
15:30	16:30	Demystifying the Heraldic Submissions Process	Magister Æðeluulf muunc	What happens when you send your submissions in? What are the steps along the way? What is commentary? Who does it? Come find out!	Yes

Additionally, the following Kingdom-level heraldic offices are formally open for applications:

Gimlet Herald

- Gimlet is the Kingdom herald for ceremonies and protocol. They maintain the Book of Ceremonies (the standard texts for ceremonies) and assist with writing ceremonies for Coronation, Baronial Investitures, Peerage ceremonies, and any other activities of ceremonial import. They also advise on matters of protocol and serve as the first point of contact for inquiries about the history of ceremonial activities of the Crown and Kingdom as well as other questions related to the hows and the whys of ceremonies and protocol.
- Candidates should have good communication skills, a working knowledge of Outlands customs, and a passion for the ceremonial aspects of our game.
- The position requires about 10 hours per month.
- Gimlet will be open for applications until the end of April.

Wimble Herald

- Wimble is the Kingdom herald who maintains the Order of Precedence. Wimble receives court reports from the heralds who ran the Crown's and Coronets' courts and updates people's entries in the OP accordingly, as well as makes corrections when errors are pointed out by the populace. The office requires timely response to emails and good organizational skills. An ideal candidate will have a familiarity with databases and spreadsheets, but does not have to be a programmer.
- The job requires about 12 hours a month.
- Plenty of training is available: there is no set timeline to fill this office, and Meisteri Thorvald willing to stay on as long as needed to facilitate a good transition.
- At the moment there is no deadline for applications.

If you are interested in either of these positions, please email me with a brief outline of your qualifications for the position (specifically highlighting previous relevant heraldic experience) and an explanation of why you are applying.

Finally, there will be an in-person Known World Heraldic and Scribal Symposium this year! It will be August 22-23 in Collinsville, IL—just on the other side of the Mississippi River from St. Louis, MO—hosted by the Barony of Shattered Crystal in the Middle Kingdom. (Collinsville is also where Cahokia is located, if you're interested in a non-heraldic—but period!—side-quest.) However, in deference to real-world politics and the difficulty of traveling to the United States at the moment, it will be a hybrid event with an online component as well. There's a website up already and a signup form for teachers has just been published. If you have friends or partners who are interested in traveling with you but don't do heraldry, there will be a gym set aside with lists and marshals for fighters. I'd love to have a good Outlands contingent with me there!

In Dienst,

Andreas von Meißen
White Stag Principal Herald
