Words of the Crown

Greetings to all good people of Drachenwald!

As autumn comes upon us, leaves fall from the trees and days become crisper it feels fairly natural to start thinking of ends. Ends of seasons, ends of years and ends of reigns. Not that we believe we will end our reign very soon but it is always very good to plan ahead! And therefore it is time for us to hold a great tourney to ensure that the crown of Drachenwald will be in good hands when the time comes to hand it over to our heirs. We very much look forward to spending some time in our lands of Insulae Draconis and to see many of you there. As we have previously announced we will also elevate Yannick of Normandy to be the second member of the Order of the Mark.

It is indeed exciting to see new orders form and new people of the Kingdom be recognised for the skills and hard work that is happening all around us. Our heralds have worked hard with new ceremonies and updating the existing ones to fit with the new peerage that we now have.

We do not intend to change the existing ceremonies from what they are now, as it is a wonderful thing to have people speaking for the candidates from all different perspectives. However, we would like to encourage all and everyone to consider what you would like your potential ceremony to look like and to think about which peerages and, even more important, which people you would like to have speaking for you. It is not in any way required to have one from each peerage plus the populace to speak for you and we would therefore ask you all to think about which peerages and/or people that are most important to you and choose three of them for your elevation ceremony. Again, this is a suggestion from us, Beatrix and Krake, and it is still up to the candidate to choose how you would like your ceremony to be. But in order to make courts not too lengthy and to make it possible to have more than one elevation at the same court we do believe this to be one way to go forward.

With that said, we do hope to see all of you in our beautiful Kingdom during this autumn and winter as we continue to sail through our lands!

Greetings from the Seneschal

Greetings and salutations, good gentles of Drachenwald!

Last month I wrote about DEI, including the importance of inclusivity for the SCA. I mentioned tolerance, and would like to continue on that subject, albeit in a more SCA-specific / less socially-critical direction.

We all found the SCA in many different ways and for many different reasons. Thus there are many different interpretations of what the SCA really means, and what we derive by our participation in it. So I would also ask everyone to please be tolerant of the many different ways & means that people "play the game" (within the bounds of our Code of Conduct, of course).

In service to Drachenwald & the Dream,

Tyndall

Baron Colin Tyndall de ffrayser
Seneschal, Drachenwald!

Greetings from the Chronicler

Greetings from the Chronicler!

At the time I am writing this, there will be Crown Tournament upcoming weekend to determine heir to our beloved kingdom. Plus of course the vigil of Master Yannick to the Order of the Mark. I wish all tournament participants best of luck and everyone else have tons of fun! Last but not least my congratulations to Yannick, well deserved!

Kingdom University
07 - 09 November 2025
Miehonlinna - Finland

The Canton of Miehonlinna is proud to invite all to attend the Kingdom University held in Ahtela Youth Camping Center in Sauvo, Finland. The weekend will be filled with arts and sciences, great lectures and intriguing workshops. Come to learn new things and share your knowledge! The event will culminate to a delicious feast and a grand ball.

Site
Ahtelantie 21, Sauvo, Finland

The site is Ahtela youth camping center. The site has been previously successfully used for several SCA events including Coronation and Crown Tourney. The site is spread over a forest near the sea. We'll be using all buildings on site. The site is in our exclusive use. There are few neighbours and no services (gas stations, shops, etc.) in the immediate area.

Ahtela is a typical youth camping centre in the sense that activities will take place in different buildings and therefore one will have to do some walking outdoors to get to places, regardless of the weather. We recommend that all guests bring good outdoor shoes that are suitable for walking in Finnish winter weather. The roads between the buildings are sand/gravel and very well lit even during the night time. Maintenance of the roads is taken care of by a hired care keeper. There's some trekking up/downhill, but the slopes are not very steep. We do try to limit on-site driving as much as possible during the event. But if one cannot walk the distance, it is possible to drive by car almost door-to-door between accommodation and feast hall. Most buildings are not handicapped accessible.

There is the main hall building that will have space for 120 for the feast. Courts will also be held in the main hall. There is a smaller hall for 40 persons that will be used for classes. In the additional hall there is a large industrial style kitchen that can be used for cooking classes. These two halls have no accommodation spaces.

University classes will be held in the main hall and the small hall but accommodation buildings also have spaces that will be used for University classes. There are at least 7 areas that can hold classes simultaneously. These areas are not uniform in size which will have to be taken into consideration when submitting classes for the University. Some areas are large enough to hold 2 classes simultaneously. As the class spaces are 5-10 minute walk apart from each

other this will be taken into account when planning the University schedule to allow convenient time for changing classrooms.

There are 8 accommodation buildings spread over the site. These have beds for 6-30 people each. All beds have pillows and blankets. All guests must bring bed linens and use them even if they are using a sleeping bag. There is also some crash space on the floor in some buildings. Crash space is a single mattress sized spot on the floor. If you have been assigned crash space you will need to bring your own mattress, pillow and blanket.

All buildings are modern and in good condition.

Come join us and walk to the ancient castle ruins Gåseborg, listen to the story of Nordmark and Holmrike's beginning by the firelight and join the torchlight procession home in the dark ending in an evening with a potluck feast in central Stockholm.

We start 12:30 at Dragspelsvägen bus stop in Järfälla to walk through the forest to Gåseborg.
We reassemble after Gåseborg at 18:00 in Holmrike's temporary feasthall at Stagneliusvägen 25 for a potluck bring your shared food for a feast together and a cosy relaxing evening ending at 22:00. No

sleepover available it is just a one-day event.

Sites

Gåseborg fornborg, Järfälla for the first part and a small feashall, Stagneliusvägen 25, Stockholm

The Midwinter celebration is held at Gåseborg fornborg (no street address). Meetup at the busstop 12:30 at Dragspelsvägen (adres is near Hummelmoravägen 13 in Järfälla), where also street parking is available at Trumpetvägen close by the entrance to the path through the woods.

For those using public transport, the local bus starts at Jakobsberg Pendeltåg station then bus 553V to Viksjö bus stop is Dragspelsvägen (in Järfälla-Stockholm).

The walk to Gåseborg is a walk through the woods and up the mountain on often slippery steps at the end of the walk so dress accordingly to the weather and the perhaps muddy or frozen snowy ground that day. It is OK to have extra modern layers underneath the period clothing and suitable outdoor hiking shoes. We usually spend about 3 hours outdoors having sausages by the firepit and warm glögg, enjoying the fantastic view and welcoming the return of the sun and remembering the beginnings of Nordmark until sundown when we start towards the city and warmth.

The evening potluck takes place in Holmrike's temporary feashall at Stagneliusvägen 25, Stockholm. Closest subway station is Thorildsplan, closest bus stop is Viktor Rydbergs gata with bus 61 from Kristineberg or Fridhemsplan. The site opens at 12:30 and closes at 22:00
