Words from the Crown

Greetings Atenveldt,

We hope that all of you had a wonderful and safe yule season and are keeping warm as the sun sets earlier over the Solar Kingdom. As We move towards the halfway point of our reign we reflect on our journey thus far. We have met many amazing people in the far corners of Our kingdom, and have been honored to spend some quality time with those we have always considered friends. We continue to express Our appreciation for the ongoing love and support We have received from so many members of the populace. We consider each one of you part of Our family. Though We are doing Our best to ensure that each member of Our populace is recognized for their skills and contributions to the kingdom, We always encourage you to submit award recommendations on the kingdom website.

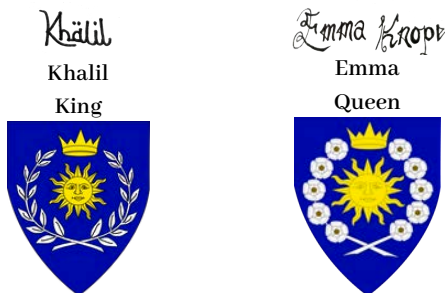

Over the cooling month of January, We held Chivalry, Mark, and Laurel circles, and after the advisement of the peers in each respective order, we look forward to inviting a few more members of the populace to join these noble peerages. Be sure to come out and support the future peers of the SCA. We also had our last yule celebration of the season in the Barony of Tir Ysgthir with Boar Fest, the home of the Wiskey Bards, multiple White Oaks accomplished Food Laurels, as well as Our kingdom ballroom dance instructors. The perfect end of the season for merriment and joy. We thank everyone who attended the event for polling to vote in the future Barons of Tir Ysgthir who will be invested at the BTY Great Helm event at the end of February. Speaking of perfection, it was perfect weather at Sun Sand and Swords event where We were given the upmost hospitality from The Shire of Burning Sands. This event is always fantastic, but We especially enjoyed the rapier tic-tac-toe and thrown weapons free throw. In the following week, We loved being a part of the Twin Moons Archery Summit. Not only is it heartwarming to see such a close community within the SCA, but the passion displayed for the sport reminds Us of how exciting archery can be. We also tested out some of the siege engines that will be broken-in at War, and were able to name the kingdom's premier Combat Archery Champion through a gauntleted obstacle course requiring precision and movement while battling counteroffensive combatants. When the melee fighters and ranged weapons specialists unite and work cohesively, the force is truly unstoppable.

We were excited to get back into the fighting spirit at the Southern, Northern, and Central War Practices, as well as joining the Shire of Windale for their weekly fighter practice. We hope that each member of Our populace took the opportunity to share expertise, or learn something new at the many war practices this past month, and if not, there will be plenty of opportunities at War of the Phoenix. Remeber, We have challenged every Atenveldter to discover something new. Venture into a new corner of the SCA and attempt something you have never done before, and War is an excellent opportunity for that. At these practices, We enjoyed fighting on both the rapier and heavy fields and now have to decide which one of US will fight on which fields on which days at the upcoming War. Sometimes war is just too short to do everything you want.

At War, the King has asked for each member of the Order of the Chivalry to contribute at least 1 hour of volunteer service to the war effort. Whether that is joining the bopper melee with the future of Atenveldt, standing watch at the gate, or marshaling, it is the volunteers that keep these events running smoothly.

At War, the Queen has asked for participation from households and prominent groups who would like to contribute to the Saturday night block party. So that no singular group has the responsibility of hosting such a major a party on their own, the Atenveldt Royals will be hosting a 'Beverage/Activity Pot Luck'. This is an opportunity for groups to show what they have to offer to the populace, whether it be used as a recruitment tool, a chance to show off, or simply answering the call of the queen. At this time, We have Silvermoon hosting the lightsaber melee battle, The Brewers Guild setting up their tasting tent, We will have the Bloodmoon Bar and Dancers, Landsknecht Leftovers and Dussack Sparring, and of course Flip with the Bacon Cart. If you would like to get on this list, please contact Her Majesty's heads of court.

With our warmest regards,

Royal Progress

The Society Marshal and Society Rapier Marshal are pleased to make available for commentary the approved draft of the new Rapier Handbook. Commentary accepted through Feb 20, 2026.

This new Rapier handbook is part of the modernization effort, which is updating ALL the marshal handbooks along with the marshal related sections in Corpora, to better reflect the current structure, culture, and safety best practices we use today in our SCA martial activities.

One of the most significant changes is the modernized format, designed for easy online access and usability. With clearer layout, improved navigation, and consistency across all marshal handbooks, this new format makes it easier for both newcomers and experienced participants to find the information they need quickly and confidently.
