NEWS From the Knowne World

It's rare that a book of SCAdian history is published.

That happened recently with the publication of "St. Hildegard Coppers," produced and edited by Arion the Wanderer (Dave Peters), Minister of the Moneyers Guild of An Tir and once the apprentice of the late Ian Cnulle (Gregory Paul Franck-Weiby) who produced the dies from which the coppers were struck.

https://www.amazon.com/Hildegard-Coppers-Gregory-Cnulle-Frank-Weiby/dp/B0FX-1Q96VL/ref=sr_1_1

Cnulle, together with Watt Kidman (Walt Patrick), produced the St. Hildegard Coppers, or folles, also well known as "baraks," as trade tokens accepted by merchants largely in An Tir but that remain popular with gaming enthusiasts and collectors throughout the Society.

You may already know that the St. Hildegard Coppers are the hot-struck 1-inch diameter, 1/8-inch thick coppers, each weighing in at about 14 grams, that gave a satisfying heft and jingle in the hand and pouch and enjoyed circulation throughout the kingdoms. Outside the SCA, the coppers feature in multiple volumes of Krause Publications' "Unusual World Coins" as "Coinage of the Realm" and their collector base is international.

However, there has been little available to explain where the coppers came from, who designed them and what part they played in SCAdian history.

Until now.

"St. Hildegard Coppers" provides that history and, for the first time anywhere, high quality images of the copper types and descriptions written by Cnulle himself.

[Information provided by Cnulle's widow, Karin Georgsdottir (MKA Karen Kidd), a contributor to "St. Hildegard Coppers."]

6p-7p

Last pick ups/ Pack up

Note: Please be aware for the tournament, we will be having MOLs. Please make sure to bring proof of authorization, and to check in with them for the tournament.

Non authorized fencers will be used as bye fights. They will be marked with colored tape on arm to denote them as the bye fighters. Overall, the tournament will consist of round robin pools feeding into a 16-person double elimination tree. There will likely be 8 pools, but this may shift depending on the number of entrants and the demands of space.

General rules:

To allow for maximum use of available space, gear bags, cases, and the like will not be permitted in the fighting space. There should be another room which will be available to keep the bulk of your gear.

Double kills will be refought until clean. Excessive numbers of double kills in a pairing will be frowned upon. Learn to parry. At the beginning of a bout, fencers will be positioned out of measure, or as far as possible as the list size allows.

If there is an issue with list boundaries, fencers will NOT be reentered by the marshals. After the pools, beginning with the larger lists for double elimination, ring-outs might be used. In summary, list ropes will be placed for safety. *Inside* the safety ropes, the list will be marked on the floor. If part of a fencer's body is placed on the ground outside the list, they will take a loss. Note that this will be dependent on the space and time constraints of the day.

Pools:

During the pools, entrants will be required to fight with a single one-handed sword only. Pairings will consist of a single pass. If ties

need to be broken to determine who makes it out of the pool, we will first use who beat who to break ties. (e.g., if Fencer A and Fencer B both have the same number of wins, but Fencer A beat Fencer B in their match in the pool, Fencer A will advance over Fencer B.)

Double Elimination Tree:

This will be a standard double-elimination bracket. Each pairing will be a single pass. Those fencers who have not taken a loss will be restricted to fighting with a single one-handed sword. Fencers who have taken a loss may use whatever legal weapon style they choose. The final four will see the undefeated fencers paired against those with a loss. Those with a loss will need to win twice in order to advance into the finals. Undefeated fencers will need to win once to advance into the finals. Weapon restrictions for undefeated fencers remain in effect as long as they have not taken a loss. The finals will be the same format that Ryou and Indrakshi's Crown Tournament used. In summary, they will be best 4 of 7. The first pass will be fought with longsword. The loser of this (and subsequent passes) will select the weapon form of the next match.

In the event that the fencers tie 3-3 and go to a seventh match, they may bring their best form and are not required to match.

Hedgehogs: Hedgehogs know a lot about one thing. These entries will be held to a higher degree of scrutiny, and should have full documentation and come from a particular pre-17th C period.

Please remember, the absolute goal of this challenge is to have fun while stretching your abilities and bringing delicious enjoyment to the masses!

Brigitte and her panel of judges will sample all entries, but desserts will be shared by all guests of the event! Questions may be directed to Brigitte (as listed below.)

DRESSING THE FOX:

Yes, for those who like to fabricate fancy finery, a faux fox will be provided along with fabric of all types, and you will get to design persona stories and garb for your furred friend and enter a fashion show at the end of the day. (You may bring your own fabric, etc.) We are asking that, should you desire for your new friend to go home with you, we hope you will make a \$10 donation to help defray the cost of supplying plushies. The winner will get a special surprise from the autocrat! (Children must have an adult supervise them in the dressing the fox area.)

CLOTHING MAGNUS VULPES:

Follow the link to measurements of Magnus Vulpes! He loves his finery. Folks are challenged to create new attire for him. For this challenge you may begin work at home with your own material and finish at the event, or create the item totally at the event with your own materials or materials we supply. There will be an accolade for the best outfits! See the diagram for the great fox's dimensions.

Settmour Swamp presents a Venetian Carnevale February 21, Barony of Settmour Swamp (Edison, NJ)

NOTICE: *The event is on a wait list.* If you wish to be added, then please submit your PayPal Survey. We will add you and then reach out if we have a cancellation

We, Baron Orlando di Sforza & Baroness Charis Accipiter, bid you, the populace and friends of Settmour Swamp, with great joy and reverence to join me for an evening of splendid revelry and masked delight in the grand tradition of Carnevale.

On Die XXI Februarii Anno Domini M.D.C.XXVI, as the moon ascends above the lagoon and the city hums with the pulse of festivity, my house shall open its doors for an opulent masked ball to celebrate the exuberance of the season. As we celebrate before the deprivation of the Lenten season we shall indulge in music, dance, and merrymaking as the unspoken rules of our masks allow us to escape the weight of titles and pretense, to revel in anonymity and wit.

The evening shall be adorned with the finest wines from the vineyards of our noble estates, the most exquisite music from talented musicians of the known world, and entertainment that shall delight both the eye and the heart. Maschere will abound—each one to conceal the face and free the spirit, for the joys of Carnevale demand that none be bound by their station.

Come, don your finest mask and cloak, and allow us to immerse ourselves in the pleasures of the evening. The air shall be thick with laughter, song, and the sweet perfume of fiori brought from the distant shores, and you, noble friend, will be the heartbeat of our festivity.

We await your presence in anticipation of a night unlike any other, where masks shall be our only distinction and joy our sole companion.

With utmost respect and hospitality,

Baron Orlando di Sforza and Baroness Charis Accipiter

Ice Weasel XX - The Legend Freezes On!, February 21, Barony of Smoking Rocks (Fall River, MA)

Winter descends upon the East once more. The winds howl, the snow piles high, and wise folk retreat to their firesides. Armor gathers dust, swords rest on the rack, and even the boldest warriors think twice before stepping into the storm.

But not here. In the heart of the Kingdom, where reason gives way to tradition, the Barony of Smoking Rocks once again challenges the season itself. For twenty years, the fearless, or perhaps foolish, have gathered to face the cold, the snow, and the mighty Ice Weasel. That sly spirit of winter who never quite wins.

Join us for the 20th Annual Ice Weasel Bear Pit Tournament! Swords will clash, snow will swirl, and courage, or stubbornness, will shine bright against the frost. Who will emerge as this year's Lord Protector of Smoking Rocks? Only the bold shall know.

And for those who choose warmth over warfare, the halls will be alive with cheer! Come for the Grand Opening of the Purple Wyvern Kitchen as the serve hot food, good drink, and better company to all who seek shelter from the chill. Learn something new at one of the classes being offered or shop at one of the vendors.

Bundle up, bring your spirit, and come add your name to the legend. For twenty years, winter has tried to stop us — and twenty times, it has failed. Because the Cold Never Wins in Smoking Rocks.

Menu prepared by The Purple Wyvern - Please see the EK Event Site for the menu.

East Kingdom Rapier Champions February 21, Shire of Hartshorn-dale (Douglassville, PA)

Hail and welcome to the East Kingdom Rapier Champions Tournament during the Reign of Steel.

The Shire of Hartshorn-dale invites all to test their 'metal' for the illustrious titles of the East Kingdom's Rapier Champions. We are excited to bring you bouts and a tournament format that will challenge even the best in skill and swordplay. (Tournament format listed below)

In addition to our grand tournament, we will also bring you a tantalizing dayboard and other activities for the populace to enjoy.

Tentative schedule is as follows:
9:00 AM - Site Opens to Public
10:00 AM - Morning Court (At Their Majesties' Discretion)
11:00 AM - Tournament Begins (Fencing in Upstairs Hall)
12:00 PM - Dayboard Begins
4:00 PM - All Lists Close (Including Pick-ups)
5:00 PM - Court (At Their Majesties' Discretion)
7:00 PM - Site Closes to the Public and Clean-up Begins
8:00 PM - Site Closes

TOURNAMENT FORMAT:

The tournament will consist of round robin pools fought with single sword, then feeding into a 16 person double elimination tree. Number of pools will be determined by the number of entrants.

General rules:

****PLEASE NOTE**** Fencers, please wear non-marking shoes

To allow for maximum use of available space, gear bags, cases, and the like must all be stored along the walls as neatly as possible, as there is limited floor space.

Double kills will be refought until clean. Excessive numbers of double kills in a pairing will be frowned upon.

At the beginning of a bout, fencers will be positioned out of measure, or as far as possible as the list size allows.

If there is an issue with list boundaries, fencers will not be reentered by the marshals.

Pools:

During the pools, entrants will be required to fight with a single one handed sword only. Pairings will consist of a single pass. If ties need to be broken to determine who makes it out of the pool, we will first use cumulative pool scoring to determine the winner. (e.g., if Fencer A and Fencer B both have the same number of wins, but Fencer A beat Fencer B in their match in the pool, Fencer A will advance over Fencer B.)

Double Elimination Tree:

This will be a standard double elimination bracket. Each pairing will be a single pass. Those fencers who have not taken a loss will be restricted to fighting with a single one handed sword. Fencers who have taken a loss may use whatever legal weapon style they choose.

The Final Four:

The undefeated fencers paired against those with a loss. Those with a loss will need to win twice in order to advance into the finals. Undefeated fencers will need to win once to advance into the finals. Weapon restrictions for undefeated fencers remain in effect as long as they have not taken a loss.

The Finals:

Same format that Ryou and Indrakshi's Crown Tournament used, best 4 of 7. The first pass will be fought with longsword. The loser of this (and subsequent) passes will select the weapon form of the next match. In the event that the fencers tie 3-3 and go to a seventh match, they may bring their best form and are not required to match.

Pickups may be fought in the grass or parking lot outside, weather permitting, NOT IN THE GRAVEYARD.

East Kingdom Bardic Champions February 28, Barony of Stonemarche (Hampton, NH)

Come to the green and verdant Barony of Stonemarche. As their majesties seek their next Bardic Champions. Join us for a day of good food, hardy cheer, and wondrous performances.

Delight the crowd with your inspiring songs, your tantalizing tales and, your moving poetry. Enjoy the hospitality of the Barony with a delicious day board provided by Lady Iridae.

Not a bard yourself? No performance is complete without an audience. Let the bardic talent of East Kingdom awe and amaze you.

Schedule: Forthcoming

Competition:
Theme of the Event: Silk Roads: Shared Bonds Of East and West

There will be two rounds, then the Finals. You will perform up to three times. If you are cut after rounds one or two, you may be called up to perform one of your other prepared pieces (as time allows) as between-rounds entertainment for the crowd.

One of your first two pieces must be a documented period piece. Your documentation need not be extensive - the name, time period, and author/composer are sufficient. The other piece may be any selection of your choosing. However, no modern filks in any round, please.

Your Finals piece should match the theme of the event (Silk Roads: Shared Bonds Of East and West). One week before the day of the championship, we will update this listing with a specific element you will need to include. The expectation is that you will make a minor adjustment to an existing plan to incorporate, not that you will create an entirely new plan at that time. Please do not wait until the last week to research/choose/compose a piece.

You should bring a "bard card." This is an index card that contains:
Your name with a short version of your "bardic resume".

Also include your comfort level (low/medium/high) with the following (just list the # and L, M, or H):
1) Called upon in court to perform without a specific piece planned for that specific moment
2) Wiki editing
3) Composing new pieces
4) Researching and documenting period pieces
5) Voice performance
6) Instrumental performance

Many of us shop at Amazon for a wide range of products. Alas, smile.amazon.com is no longer providing a portion of your purchases to a non-profit group chosen by the buyer. Should any new ways to help the SCA pop up, then that info will appear here! If you find something, please send an email to Chronicler@Eastkingdom.org so I can list it.
