Missives

From Their Majesties

Greetings West Kingdom!

We are so thankful for your love and support during our reign as your King and Queen. Our hope is to spread as much joyous merriment as possible over the next few months. We look forward to seeing on display all the hard work, passion and creativity our populace put into this Dream.

We are eager to spend quality time with our populace at the West Fall Crown Tournament as We find Our heirs. The stories and laughter we share amongst each other at these events are precious and one of the greatest reasons we play this most wonderful game. The Tournament itself will be a standard Western double elimination format. We also look forward to seeing Our artisan's hard work on display, the martial feats of Our steel fighters, and the incredible skill of Our archers.

There is also talk of war brewing in neighboring kingdoms and well as here in Our own beloved Principalities. We find this most distressing and have dispatched diplomats to investigate. We know Our subjects abhor war but are ever ready to meet it should they have to. The West is mighty and will meet all challenges.

In Service to The Dream,

Roric & Sibyl

King & Queen of the West

From Their Highnesses of the Mists

Our time as Prince and Princess of the Mists nears its apex and soon it will be time to find our heirs. We look forward to Fall Coronet where I'm sure worthy successors will be found. We anticipate honorable and chivalrous fighting and would encourage everyone to bring out their banners and flags for invocation. We would love to see everyone's heraldry flying around the field!

The fighting format for the heavy lists will consist of a round robin prize tournament open to all who wish to compete and the top 8 contenders (make sure to indicate if you are competing) will move on to a single elimination semi finals and then finals.

Depending on the number of entrants, we may split the pool of fighters into two fields and take the top 4 from each pool for semi finals.

Come join us for a weekend of fun, fighting, arts and sciences, and dancing! We look forward to seeing everyone there!

Ivarr and Nazrine

Prince and Princess of the Mists
