Hail Calontir!

First, We cannot thank you all enough for joining Us for an amazing Lilies War! It was so much fun seeing the skills of the populace on display. From the Parallel Play tent to the Battlefield, from Newcomers Glen to the Fyrdaca, the absolute best parts of this great Kingdom were on full display.

After Lilies, We departed to The Outlands and had the pleasure of enjoying their incredible hospitality at Battlemoor. Among the beautiful mountain views, great tournaments were held and the prowess of many was seen by all! New friendships were forged and old ones strengthened in merriment and celebration until it was time to sail home with the wind.

Now, as We write this letter, Coronation is just days away and We will be Pennsic bound by the time this letter arrives into your hands. We are excited to begin this journey with you all! There are so many things We are looking forward to as We start our reign. There is the Feast at Feast of Eagles, the skill of our horse riders at Cattle Raids, the crafts of our artisans at Kingdom A&S, the accuracy of our archers at King's Companie, and the Return of the Kith at Winterfylleth, just to name a few.

Calontir, We thank each and every one of you for this opportunity and all of your support and encouragement along this path. We are very much looking forward to the time We will get to share with Our beloved Kingdom. In fact, We need your help!

While Our travels are great, it would be impossible for Us to cross paths with each gentle We serve. We look to Our populace seeking names of gentles who accomplish great deeds! Remember to send in award recommendations!

In service to the Dream,

Øyrikr Raðúlfsson & Alicia Niel,
King and Queen of Calontir

Greetings!

Just a reminder that we are still taking letters of interest for Saker and Good Hand Herald positions.

Saker Herald works with Eyas to process Calontir submissions through the College of Arms. This is a data entry and administrative process heavy position, but we will train you to handle these tasks.

Good Hand Herald is the Sign Herald tasked with helping make court accessible to the whole populace. Knowledge of American Sign Language is handy, but not required.

Please send letters and any questions to goldfalcon@calontir.org.

Yours in Service,

Dyrfinna Tonnudottir

Greetings Calontir!

Now that we have returned from Lilies - a reminder, you can still submit your class attendance for RUSH credit. The CALON system allows you to access past events using the Historic Event Calendar. From there you can open the event schedule and fill out the "Activity Sign-up form" for any A&S classes that you attended or taught. This will populate the RUSH database automatically so that you can get credit.

CALON Update:

We have recently completed a major overhaul of the award recommendation system by building a method for their royal majesties to manage upcoming awards within CALON. The main benefit of this new system is that it will allow the Royal Scribe to attach photos of scrolls to awards before they are recorded by the Order of Precedence Clerk. I would like to thank Mistress Alessandra for her work piloting the new system in order to upload scroll pictures for Xerxes and Andromir's reign. We are hoping that this modification will make it easier for future Royal Scribes.

Our next project will be to develop a system for handling event pre-registration. This is expected to take several months.

Sincerely,

Gawin Kappler, OoD
Calontir Webminister

Unto the Chroniclers and Populace of Calontir,

My warrant as Kingdom Chronicler comes to an end at the Fall Crown Tourney. Sometime afterwards, I expect to move out of Calontir to warmer climates. This makes **NOW** the best time to start the transfer to the next Chronicler. This missive is to start the search for my replacement. If you have considered stepping up into the role, please let me know and we can discuss it.

I currently use InDesign, which Kingdom pays for licensing, or you can use Publisher or any other publication software that works with US Letter size paper.

The duties of the Kingdom Chronicler are simple enough.

The Mews:

- Receiving flyers for approved events, store them on a Google Drive, and link them in the kingdom's website.
- Collecting articles from Kingdom officers and finding a cover for the next issue of The Mews.
- Putting the issue together and sending it off to Society before the deadline on the 10th of the month.

Group Newsletters

- Receiving newsletters from the Baronies and the Shires that have chroniclers.
- Reviewing those newsletters and picking nominees for the annual Blackfox Awards.

Meetings

- Attending Witan meetings at Crown Tourney and Coronation.
- Meeting with group chroniclers at CalonCon.

If you are interested, please contact me.

Yours in service,

Randal Logan of Knightsbridge
