Stellar Majesties

Greetings to our most munificent populace,

We would like to start by saying thank you to all of the persons who were inspired to help our kingdom in the second Great Coif Project. It is so wonderful to see that our kingdom, again, so willingly engages in group projects, and we look forward to seeing the kingdom wearing these coifs for many years in the future (at least 12)!

We can't truly express how excited we are for Gulf Wars, and look forward to taking the fields, ranges, tables, and halls with our many allies. Already, the Armies of Meridies, Atlantia, Calontir, Outlands, and Artemisia have sworn to stand with us, and the rapier fighters of Northshield have said that they will join our side as well. Rest assured that We are working still to secure the alliance of more kingdoms, so that we can rebuke the Trimaran hordes from the lands of Gleann Abhann, and live in peace again.

As we prepare our equipment and our camps for the journey to Gulf Wars, please look to the maintenance of your travelling carts. The worst Gulf Wars would be one where a member of the populace is injured in travel, and the best ones are when all of our people arrive safe and sound. Take care of your equipment so it can take care of you.

At Kingdom Round Table we were blessed with many wonderful classes and the launch of the newest feature of AMP. The successful rollout of the Officer Warranting section has put the kingdom administration into a position of truly knowing all of its officers and which officers have warrants. With the exception of a foolish Crown accidentally hitting the wrong button and releasing a bunch of officers (who were of course immediately rehired), the rollout went superbly. All officers received email notifications which reflected their original hire date and warranting emails affirming that the Crown has warranted them for the next 6 months. As we said last time, our eternal gratitude to all of the developers, testers, listeners, and data entry

people who have been serving the kingdom from their computers.

Thank you to everyone who has submitted award recommendations. To date, 581 recommendations have been written and read by Us, and We appreciate everyone who has spent time in commending your fellow Ansteorran. Please do keep it up. Look around for the quieter and less notable members, and think of what they might be doing that is worth celebrating.

With all of the awesome awards that are going out to the members of the populace, We are finding ourselves getting low on some award insignia. Please do look at the Scribal page (<https://ansteorra.org/scribal/>) and see if you can do anything to assist.

We would ask that everyone in the kingdom please create an account in AMP if you don't have one already, and if you do have one make sure your name, OP link, and group data is up to date. It helps the crown immensely when that information is correct.

As a reminder, our Royal Whims for our reign include:

- #1. A bye fight in any tournament must be non-destructive.
- #2. Armored Combat, not Chivalric Combat

This month's friendship lesson: There are many different kinds of friends, and many ways to express friendship. Some friends like to run and laugh and play together. But others just like to be left alone, and that's fine too. But the best thing about friendship is being able to make your friends smile.

With love and affection,

Jean Paul and Gilyan

P.S. If you see us in between this Black Star and the next one, come up and tell us the secret phrase "Success through Supervision." We will have a small token for you and will explain what it is.

Stellar Highnesses

Greetings Ansteorra!

The new year is shaping up to be a banner year for Ansteorra! We have had events, classes, awards, elevations, and so much fun! LPT was a great success. Our artisans showed some of their skills and some of our Laurels got an opportunity to sit down with them and visit and help them see ways to advance their art and skill.

This brings up something important to us and our plans for our reign, we want to highlight our many fine artisans. One of the ways that we will be doing this is that we want to give kits and games for our newcomer gifts. Kits will be small A&S type kits, with instructions and the name and contact information of the person donating it. We have bags to put stuff in, now we need stuff to put in them!

Gulf Wars preparation is in progress. Kick the tires, check the oil, load the trailer, repair armor, pack up the A&S supplies, and plan for shopping, visiting, friends, and parties! There are so many things to plan for and do at Gulf Wars. We hope everyone has a great time and safe travels.

Remember, opening ceremonies and the Champions battle are on Sunday at the beginning of Gulf Wars, not on Tuesday. Things are going to start earlier and may be on different days than you are used to, so be sure to read the schedule and plan your trip.

We look forward to seeing everyone soon!
In Service,

Jason and Margherita
Prince and Princess Ansteorra

Star Principal Herald

Greetings Stellar Kingdom of Ansteorra, and
Principality of Vindheim from H Frú Sigrun,

February was OHHH SOOOO LOVELY!! All filled with Amore and cold weather! As usual it's a little bit of both temperate and icy blasts; Thankfully we have March to look forward to and lets just say "in like a Lamb and Out like a Lion" is exactly how Gulf Wars are for me every year!

These are exciting times in the College of Heralds and Scribes. We have a New Star Signet ~ Hadassah Sarai bas Yossi, She has all the skills needed to operate the College of Scribes with all the fluency we need! Mistress Lillias MacGuffin has had an amazing tenure and I will miss her a lot, but she has promised to continue to support us in any way she can!

I am very excited about the first edition of the Heralds Gazette! Mistress Elena Wyth has been working to get this produced and off the line, so Y'all look for it!!

The Education Departments New Tressure, Master Brian O'hUilliam, is hard at work on a remodeled Heraldic Certification Test, that will support our Heralds moving through 2025, as well as a few other areas for Heralds and Heralds at Large.

Hat Tip goes to Sanguine Bastion Heer Thomas de Groet for staying on top of interviews and filling positions quickly to Keep Vindheim Heraldry supported without skipping a beat!

Also to Solstice Herald Hildagua Escarlata de Granada for hitting the ground running on assuming their new position! Completely caught up and updated the office in less than a week!

Thank you to Elfsea's Herald Einarr Thorbjarnarson for propping up your heralds and reporting all the good things others did at your event and other events!! Nothing beats supporting your friend in their work and bragging on them upline!!

Barony of Ravensforts Herald, Fearghus Hawthorne, for Understanding the assignment! Baronial event as the Barony Herald setting up a commentary Table and getting a deputy his first month in office!!

GULF WARS IS HAPPENING SOOOOON!! We Need Heralds to sit in consultation at Heralds point at Gulf Wars. Last year we were overwhelmed with the number of submitters, so we are reminding y'all - We operate on Volunteers for this Point. If you can spare an hour or Four please come and Help create heraldry, Names, armory and Color/Draw - Drawing takes zero skill level, But is a much needed role!

Taking Applications for Actuarius herald - opening immediately, closing 3/31/25 - warranting and educating under the Tressure Herald

Events we are actively seeking Stewards and locations for: 2025 Ansterorran Heraldic and Scribal Symposium (AHSS), and Heraldic retreat/"Bootcamp"

In the temperature of the world, Let us remember we choose this family, and we play in this SCA to live a dream of goodness and chivalry. We recreate the virtues and romance of the medieval era while researching and doing ALL the Hobbies! Be a positive ripple, let the effect you leave on every encounter be of fairness, kindness and Joy. The return you receive will make your SCA time GOLDEN!!!

Let the March winds Brace you for WAR!!!!
Keep Rocking The Sable Star! Much Love,

Kingdom Exchequer

Greetings,

Thank you to all who attended round table. Per some of the discussion I am looking into getting Microsoft office for Non-profits setup for the kingdom. Also, for all current past or future Exchequers the new Society Exchequer has set up a discord server that everyone can get on and discuss items. The server is already very beneficial if you have not joined and would like to please send me a message and I will send you an invite link.

In Service of The Dream,
