## Words of the Crown

**G**reetings!

We are smiling while we are writing this. Smiling with tears in our eyes. We are so happy and thankful for all the love we have been shown in our time on the Black Dragon thrones. We feel truly blessed, blessed with the great people in our society, blessed with the new heirs Isabetta and William and blessed with all the new and old friends we have met during this time.

We still have some events where we will meet you, either for the first time or in a happy reunion: Double Wars, May Count, Strawberry Raid and Midsummer Coronation. We would love to see you there.

We are grateful for being part of this wonderful, welcoming society and want you to know that from the bottom of our hearts we say THANK YOU all for making it so awesome, because you are awesome all of you. We also ask you to give our heirs the same help and loyalty you have shown us. This is not their first reign but this what we do, we do together - new and old.

Together we will continue making this a Dream come true.

## Words of the Heirs

**G**reetings!

We would like to take this opportunity to thank everyone for all of the support, encouragement and offers of help we have received at and after the crown tourney in the beginning of April. We especially appreciate all the time and effort so many people put into making the event memorable for everyone present. An extra thanks to the impromptu storm steward who kept everyone well informed about fallen trees and safety precautions.

We are very much looking forward to returning to the Black Dragon Thrones in June. It is an honour to be able to represent and serve our kingdom. In the short weeks that have passed since the tournament we have been busy planning and preparing for the coming months. Our travel plans for the summer include Double Wars (which will already be over by the time you read this), May Count, Winchester Pilgrimage, Midsummer Coronation, the second half of Cudgel, Pennsic and Nordmark Coronet tournament.

We hope that in the next month or two the calendars of events and mundane work will be finalized and we will keep you updated on our fall travel plans. As always we want to be able to shine a spotlight on some of the many deserving people who share their time, effort, kindness and knowledge in all parts of our society. In order to do so we are relying on you to please take a (mental) look around you and send us your recommendations.

We look forward to seeing you at an event soon!

## Greetings from the Seneschal

**G**reetings

Oops I did it again! The chronicler had to remind me to write this column. I'm at Double Wars and having too much fun.

So this is a short greeting from a sunny Nordmark. We are fighting, learning new things, having picnics, singing, meeting old and new friends and of course the flat side won! (Or will win in a couple of days. At least according to me )

## Greetings from the Deputy

**G**reetings from the Deputy Chronicler!

Like the good Seneschal, also the deputy chronicler is enjoying the time at Double Wars. So many good things happening. Good to see new and old friends and meet with people and learn fascinating things especially at the A&S classes. I am very impressed and proud of the skills of the good people of Drachenswald. You are awesome!

### Cudgel War 05 - 14 July 2024 Aarnimetsä - Finland

Come one, come all! Enjoy the bright northern nights and beautiful lakeside at the most relaxing and entertaining event of the Known World. Ten days of camping, exciting classes and workshops, chivalrous tournaments, archery, excellent company, and that magical atmosphere of the Northern Summer nights... That's what Cudgel War is all about!

The site opens on Friday 5.7.2024 at 2 p.m. and closes on Sunday 14.7.2024 at 12 p.m..

#### Site

Kavalhti camping site, Inkoo  
Kavalhti Camping Site (Björnvikintie 109, 10230 Inkoon as), Inkoo, Finland. About an hour from Helsinki by car, and 90 minutes from Turku. There is also public transportation that comes rather close (bus on Route 51, train to Karjaa).

If you require transport from Karjaa train station to the site please inform the event stewards no later than 16th of June about this. Rides will only be organized for foreign guests and only if preordered. The price for the ride is 10 eur each way so if you require a ride both ways the price is 20 eur.

The event is a tent camp but there is also plenty of indoor accommodation in shared houses/cabins available. Period tents will be on a grass area in the middle of the camp and also on a nearby field if necessary. Camping spaces are given to the camping groups based on the reservation order. There is also possibility to camp in a mundane tent in the woods nearby. In case your camp is a group i.e. will contain more than one tent please register contact person and camp name in advance. This will allow us to add your camp name to the list in the event registration form so it can be selected by camp members when they are filling out the registration form. Contact person will be responsible for providing information of all the tents in the camp before the event. In case your tent is not to be part of a camp group you don't need to register a camp name but will be given a camping space at an available spot.

The site has drinkable tap water inside and proper toilets. There are showers in the saunas.

Unfortunately the site is a camping site, which can be challenging for people with reduced mobility. The toilet for disabled people is about 200 meters from the indoor sleeping space, near the kitchen.

The site opens at 14:00 and closes at 12:00

#### Meals

Three meals are served daily: generous breakfast, light lunch and a warm supper. We serve two feasts during the event. There are also two small kitchens for those who want to cook for themselves. We will not be able to serve meals or feasts for everyone due to the small kitchen, so please reserve early. All meals are low lactose. There will also be a vegetarian option. Unfortunately we may not be able to provide meals for people with any other dietary requirements. Please consider that there is always a risk of contamination, because we don't have a separate kitchen for the allergy foods.

#### Rules

- The site is "damp", so enjoy mainly only mild alcohol beverages.
- Smoking is allowed only on the marked spots.
- Pets are only allowed outdoors. Dogs should be kept on a leash during the whole camp.
- In the site rules bedsheets are mandatory for all sleeping in the beds, even when using a sleeping bag.

# Medieval Ink Making

By Alfhild de Foxley

Oak gall ink was the primary ink between the 5th and 19th century. It's earliest mention was in Pliny the Elder's Natural History. Oak gall ink is made from gall nuts that grows on oak trees thanks to a wasp laying its eggs in the bark. It is usually made with rainwater since rainwater does not contain minerals, as ground water does, and which could interfere with the ink. In this recipe rainwater is replaced by distilled water, which has the same properties.

The gum arabic used in the recipe is a tree sap from the Acacia tree and its function is to make the ink a little thicker so that it flows better. The wine is for making the color warmer and the iron vitriol turns the brown color of the gall nuts black.

This recipe combines the two most common ways of extracting the color from the oak galls which is it both ferments them and boils them. This has proven to be the best way of getting the most saturated black color. This recipe is from the 14th century.

## Ingredients

1 liter Distilled water  
181 gram Gall nuts  
22,6 gram Gum arabic  
0,9 dl White wine  
17 gram Iron Vitriol

## How to:

- Take the oak galls and crush them into small pieces.
- Put the oak galls in the distilled water and let them ferment to the next morning.
- Boil the liquid until it is reduced by half. You should have a brown mixture.
- Filter out the oak galls through a fine cloth.
- Take the gum arabic and crush it into a powder.
- Add the gum arabic and boil it until the gum arabic is completely dissolved.
- Filter the liquid again.
- Take the wine and add the iron vitriol to it.
- Add the wine mixture to the liquid. Now the ink should turn black.
- Boil it for 5 min and then filter the ink again.

The ink is now ready.

## Deputy Chatelaine position open

**L**ady Maria Lorenza da Poppi, Kingdom Chatelaine, to the populace of Drachenwald, greetings.

It has been my honour to serve as the Kingdom Chatelaine for the past four years. However, now the time has come for me to find a deputy who would be willing to step up as the next Kingdom Chatelaine at Twelfth Night Coronation. I hope my successor will be able to start as a deputy in the beginning of August, at the latest, and participate in the routines of the office alongside me for the rest of the year allowing them time to learn the ropes before assuming the office in January. I will also gladly assist and support the next Chatelaine after handing over the office.

The Chatelaine's office is responsible for recruitment and retention of newcomers. The Kingdom Chatelaine supports regional chatelaines in their work, keeping them informed about news and topics related to the office. Additionally, the Kingdom Chatelaine serves as the point of contact for chatelaines, newcomers, other officers and the Crown and it means many letters of various kinds pass through the office requiring the attention of the chatelaine. The Kingdom Chatelaine reports quarterly to the Crown, the Kingdom Seneschal, and the Society Chatelaine.

If you are interested in becoming the next Kingdom Chatelaine, please send your letters to [chatelaine@drachenwald.sca.org](mailto:chatelaine@drachenwald.sca.org). Feel free to reach out if you have any questions or would like to discuss the responsibilities of the office with me.

Yours in service,

*Maria Lorenza da Poppi*  
Kingdom Chatelaine
