THE SCA PROHIBITS HARASSMENT AND BULYING OF ALL INDIVIDUALS AND GROUPS.

The SCA prohibits bullying and harassment of all individuals and groups. Bullying is systematic and unwelcome behavior which involves the use of influence, threat, intimidation, or coercion to cause hurt or harm to another person or group of people. When the bullying behavior is based on a protected class (1), that behavior is defined as harassment.

(1) race, sex, religion, national origin, gender, sexual orientation, age, or disability.

Bullying and Harassment may be **overt**, as in the following non-inclusive list of examples:

- Verbal abuse, including using racial, homophobic, transphobic, ableist epithets, etc.
- Non-consensual physical contact, violence, or threatening gestures.
- Displaying material that is offensive, degrading, or threatening to a protected class.
- Consistent demeaning remarks or malicious teasing - Stalking or predatory behavior

Covert:

- Spreading rumors or innuendo with malicious intent
- Deliberate exclusion, isolation, or alienation of an individual without just cause
- Using rank, title, or office to intimidate others

Provided that the behavior does not rise to the criteria listed above, bullying and harassment is not:

- Single episodes of social rejection, dislike, tactlessness, or forgetfulness.
- Mutual arguments, disagreements, or fights.
- The termination, mutual or not, of a romantic relationship or friendship.
- Reasonable constructive feedback or critique.

The test for bullying is the reasonableness of the behavior and the impact of that behavior on the recipient. Participants engaging in bullying/harassment are subject to appropriate sanctions. If an individual believes they have been subjected to or have witnessed harassment, bullying, or retaliation, that person should contact a senechal, the President of the SCA, or that kingdom's Board Ombudsman.

From Their Majesties

Timothy of Arindale & Gabrielle von Nijenrode

Unto glorious Æthelmearc do TRMs Timothy and Gabrielle send greetings!!

We'd like to start off by thanking TRMs, Bjarki and Gabrielle for all the hard work and travel they have done over the last 6 months. Their efforts, as well as the efforts of our kingdom officers have ensured Æthelmearc is strong and healthy, ready for us to step up in a few weeks.

Speaking of Coronation, as you may know, we'd lost the site we were expecting to use and put out a call for groups willing to host our big day. Many groups offered to step up and find a site, and we are grateful for all their efforts, but we chose to go with the bid put forth by The Barony-Marche of Debatable Lands. We very much look forward to this event and offer our utmost thanks and appreciation.

We have enjoyed traversing the kingdom these last months and have been filled with joy at the warmth and hospitality shown to us by everyone throughout the kingdom. But in the coming months there are three things that are foremost in our minds.

First, we need to select our Heirs. The Barony of Thescore will be hosting our Crown Tournament. We hope many of you will come join us as we witness the pageantry as our Heirs are chosen. Sadly, it falls on the same day as the historic Eastern Crown tournament that many, including ourselves, wish to attend. As you undoubtedly know, for the first time, they will be chosen by rapier combat, rather than the traditional heavy weapons format.

Secondly, the new Omnibus peerage comes online soon. It is our intention to give writs in very short order. Regardless of whatever name the Board of Directors ends up with, there are many deserving or recognition for their endeavors in the other martial aspects of our society.

Finally, TRHs East and Middle have requested that this war be a so-called purple war, where the forces of the East and Middle line up and take on all comers. Baroness Beatrix Krieger and Master Jehan LeBlanc are our warlords for heavy and rapier, and they have been travelling the kingdom ensuring our forces are ready for the challenge that awaits us. Be it on the field, at the range, or at the A&S competition, we hope you will join us as our kingdom shows why we are a shining example of what the SCA should be.

Have a wonderful day,
Timothy and Gabrielle

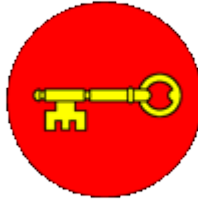

Officer Reports

From the Kingdom Seneschal

Greetings Æthelmearc!

The mountains of snow are melting up here in the Rhydderich Hael and the geese are passing overhead on their journey to Ealdormere. That's right, it is the time when a young squire's fancy lightly turns to thoughts of melee combat: spring.

I would like to announce that I have chosen Deirdre Scot to be our first Events Liaison Deputy Seneschal. Hosting kingdom events is difficult, as is making sure the process for selecting competing bids for kingdom events. Her Ladyship's responsibilities include receiving and processing incoming kingdom event bids, assisting would-be event stewards with putting together bids, and coordinating the creation of resources to help groups host events.

We have a tremendous amount of institutional knowledge spread throughout the kingdom about such things, and I think it will be a boon to us all to spread that information to those who might make use of it.

Also, after a long tenure as the Chancellor of Youth, Antoinette de Lorraine must step down from the office. I want to thank her for her work, especially in bringing our policies in line with new laws in the State of Pennsylvania. It was tricky business, but she handled it well, thus ensuring our ability to have youth activities across the kingdom.

Unfortunately, I still do not have a replacement as yet. So please consider putting in an application for the position by emailing me at the seneschal account. Note that you must be able to pass a background check to hold the office. The Chancellor of Youth is responsible for maintaining the list of background-checked Chancellors Minor across the kingdom, ensuring that the rules pertaining to youth activities are followed within the kingdom, and advocating for youth activities at all of our events.

The youth are the future of our organization, and performing these duties is a great service to our entire Kingdom.

In Service to the Realm,
Barún Pádraig Ó Branduibh

From the Kingdom Chronicler

Greetings Æthelmearc!!

I am pleased to share news of chroniclers in the Kingdom. A new chronicler has been appointed in the Barony of

Endless Hills. The Shire of Ballachlagan has a new chronicler and has revived their group's newsletter, The Lamplighter. A new chronicler has also taken office in the Barony of Blackstone Mountain. It is wonderful to see some new, enthusiastic people willing to take on the role of chronicler

Please remember the deadline for the Æstel is the 5th of each month. It is important to note that this deadline is for the following month's issue. The finalized newsletter must go to Corporate by the 10th of each month. Thank you for your cooperation!!

YIS, Baroness Thalia

From the Kingdom Arts + Sciences Minister

Hello! It is Rue, your Arts and Sciences Minister with an important update.

The Æthelmearc Brewing Championship will be held at the Brewing Bacon Bash X event on April 18, 2025! Please start preparing, as it is fast approaching! We will be folding into the usual judging schedule, with an "opt-in" to the Kingdom Championship. Event is here: https://www.facebook.com/events/1155851015572933?active_tab=about.

The Kingdom Championship will be a rubriced competition using the current Kingdom A&S Beverage and Food Rubric <https://aeans.aethelmearc.org/.../Rubric-AE-beverages...>

To register for the competition, please Sign Up

Here: <https://docs.google.com/.../1FAIpQLSfL3aim0YcVlv.../viewform>

For the purposes of this championship, entries **must** be fermented to produce alcohol.

For our non-alcoholic and nonfermented alcoholic beverages (such as cordials, bitters, etc.) there will be a Beverage competition for these entries held alongside the Scarlet Apron Competition, at War Practice, May 15th through 18th. There will also be a Scarlet Apron competition, the theme for which is "Made to Last," and includes all foods that are made to be preserved. Entries can be pickles, sausages, jerky, cheese—the possibilities are endless.

You can register for the embroidery-focused Academy of St. Clare of Assisi in Millmont, PA at <https://forms.gle/5ZfhetX2kRq7GadS8>.

I am still going to attempt to host monthly A&S get-

Officer Reports

Together using google meets. Keep track through the Æthelmearc Arts and Sciences FB page (<https://www.facebook.com/groups/672659939510960>) or reach me at ans@aethelmearc.org.

Looking forward,

Rue

From the Kingdom Webminister

Greetings Æthelmearc!!

Being a webminister is not an easy task at any level, and I would like to thank all the Webministers within the Kingdom for their time, talents, and support.

And to you all -- Thank you, once again, for allowing me to be your Kingdom Webminister for the past 2.5 years. It was a great honor.

In service,
Meisterin Amalie
Kingdom Webminister
Youth Combat News:

From the Kingdom Youth Combat Marshal

If you would like to host youth combat at your event, please contact me at youthcombatmarshal@aethelmearc.org

There will be a youth combat tournament at the Passing of the Ice Dragon. April 5th. There will be loaner equipment available.

I will also be authorizing adults as youth sparring partners, at Ice Dragon. Time is TBD.

Youth Sparring Partners are experienced adult fighters who are authorized to fight full contact against youth fighters using youth weapons, calibrations, and rules.

Sparring Partners also do not need to be paid members of the SCA and are not required to get background checks, because they are only allowed to work with kids under the supervision of a Youth Combat Marshal and in the presence of someone who does have an SCA Background Check. The only exception is that, of course, parents are always permit-

ted to spar with their own children.

Why would you want to be a Youth Sparring Partner?

- To make it possible for kids in small groups to fight even when there are no other kids their age participating in youth combat.
- To provide youth fighters with real training in SCA combat.
- To hone the skills of the best youth fighters.
- To help shape and improve the next generation of SCA fighters.
- To model appropriate behavior.

Come and be a part of shaping the future army of Æthelmearc.

If you are interested in becoming a Youth Sparring Partner or have questions about the program, please contact me at youthcombatmarshal@aethelmearc.org

From the Kingdom Exchequer

Greetings from the Kingdom Exchequer's Office!

First of all, I would like to thank all of our Kingdom Exchequers for their hard work. These dedicated folks allow all of us to participate in the activities we love so much. Please take a moment to thank your local and regional Exchequers.

For Group Exchequers, it is now the end of the 1st quarter. Please make sure you get your quarterly report submitted. Hopefully by this time I will have finished the reports for Society and submitted all of the Kingdom information.

Lastly, the 2025 budget for this year has been posted. Should you have any questions, concerns, comments, etc, please contact the Exchequer Office at exchequer@aethelmearc.org

Sincerely,

Ice Dragon Heavy Weapons Rules –
Head Marshal Sir Callidus

- The tournament will be a two hour bearpit. Limit of five consecutive fights.

- Two points for the winner, one point for the loser. Double kills are considered losses. Loser reports to the MOL.

- There will be two divisions. Division 1 is single handed weapons only (sword and shield, two weapons, etc). Division 2 is two handed weapons (polearms, greatswords, etc).

- The points for each division will be recorded separately and fighters will sign in and report to MOL of that division. Fighters may fight exclusively in one division or fight in both divisions.

- The fighter with highest point total in Division 1 will be declared the single handed weapon winner. The fighter with the highest point total in Division 2 will be declared the two handed weapon winner.

- The winner of each division will fight a best 2 of 3 to determine the overall winner. The Division 1 winner will only use single hand weapons. The winner of Division 2 will only use two handed weapons.

Polar Bears Fencing Melee Tournay –
Head Marshal Marcos Baltanas

- Fencers line up like a traditional bear pit tournay.

- The first three people are a team

- The second three people are a team

- As deaths happen they get back into line.

- At the end of the melee fight both lines are refilled to 3 people.

- No fighter can do more than three fights.
- Fighters get 1 point for each fight and 1 point for surviving each melee.
- Maximum of 6 points for 3 consecutive wins then getting back in line.
- Everyone reports their own points.
- Multiple pits created as needed for numbers.

Court Reports

Queen's Rapier

Championship

June 22nd, 2024

Murdoch 1 Rex and

Ríoghnách 1 Regina

Being a full and complete report of the Court of Their Royal Majesties, Murdoch Bayne and Ríoghnach ní Rose, First of those names, held on 22nd June, Anno Societatis 59 (CE 2024) in Their Shire of Sterling Vayle.

In the Morning

Their Majesties Æthelmearc, Murdoch and Rioghnach issued a Temporary Removal from Participation for Michael Rodriguez, known in the Society for Creative Anachronisms as Michael Rodriguez. This sanction will remain in place until the Society Board of Directors has reviewed it and made a final decision on disposition.

Tourney

On the field - Their Royal Majesties welcomed Phillipa Faye of Rockford, known as Faye to Their presence. In recognition of her work for the Barony of the Debatable Lands, Their Royal Majesties asked Lady Faye to join the

nobility of Æthelmearc and awarded her arms. Scroll by Baron Caleb Reynolds.

In the evening

Their Royal Majesties thanked the populace who attended the event in the not-so-mild heat of the day, most especially the fencers who participated in the days' tourneys, those who marshaled the day, and those who ran the lists for the bear pit tourneys.

Their Royal Majesties invited the children present to come forward and, with the aid of Lady Cat who ran the bag, sent the children off in hot pursuit of toys.

Court Reports

Their Royal Majesties invited all for whom this was their first event or first royal court before Them, and gave them gifts of cups, in hopes that they will return in the future.

Their Royal Majesties called forth the Event Stewards, THL Caitriona Fhail inghean Ui Chonail and Mistress Nest ferch Rhys. The stewards spoke of their staff and the hard work they did, before and during the day. They called Baron Perote Campbell, the head cook for the day. He spoke of the hard, hot work that his team of cooks did preparing the fine lunch. Their Royal Majesties thanked the entire team for their work.

Their Royal Majesties recalled Baron Perote and his mother, Lady Lysel von Heidelberg, into court. They greeted Lady Lysel, who presented them with letters duly signed, making her a citizen of Æthelmearc. Noting her years of hard work in the kitchens of both the East and Æthelmearc, and with the joy-filled agreement of the Eastern Crown, Their Royal Majesties created Lady Lysel a Companion of the Order of the Keystone. Scroll by Lady Jinx, based on words by Lord Chaghagan Ghunan.

Their Royal Majesties called Their Rapier champion, Don Salvadore de la Torres, and Their Cut and Thrust champion, Don Robert MacEwin of Thornhill, into Their presence. They thanked both men for the tourneys they held today and noted that each had fought in the other's list. They asked for the results.

Baron Salvadore went first and announced that Don Robert had won the day on the rapier list. Her Royal Majesty congratulated Don Robert, asked him to stand as her champion and bestowed on him with the symbols of the office. Scroll by Lady Effie Cruikshank.

Don Robert then announced the results of the Cut and Thrust competition. In a remarkable coincidence, Baron Salvadore won the Cut and Thrust Tourney. His Royal Majesty

congratulated Baron Salvadore, asked him to stand as champion, and bestowed him with the symbols of the office. Scroll is a work on progress, words improvised by Goði Friðrikr Tomasson.

Their Royal Majesties invited the Ladies of the Rose into Their presence. Countess Caryl spoke of the exemplary chivalry, courtesy, and companionship shown by the fencers on the very sultry day. She spoke about Don Nicolo Loredan de Venesia and his joy in combat. On behalf of the Ladies of the Rose gave Don Nicolo the lovely and serviceable buckler to bear until the next QRC.

The Ladies each presented tokens to those who had further inspired them on the day:

Duchess Rowan to The Honorable Lord Genshin no Shugenja;
Duchess Caryl to Master Clewin Kupferhelbelinc;
Duchess Dorinda to both Lord Ferruccio Camino and young Elinor, called Bean.
Duchess Kallista to Master Rian Gortroyan.

Their Royal Majesties next invited Lord Marcos Baltanas into Their presence. They spoke of his hard work as chatelaine for the Barony of the Rhydderich Hael. He was Event Steward for the Passing of the Ice Dragon. He also runs demos, marshalls fencing, and is a leader of the Æthelmearc Rapier Army. Their Royal Majesties spoke of his many efforts and created him a Companion of the Order of the Keystone. Scroll by Lady Kolfinna Jodisdottir, based on words by Magnifico Elena d'Artois.

Their Royal Majesties summoned Lord Fredericus Vagus to appear before them. They spoke of his excellence in the art of both offense and defense, his leadership on the field, and his sincere efforts off the field. For all of these things, Their Royal Majesties created Lord Fredericus a Companion of the Order of the Golden Alce. Scroll by Lady Umbriana Campana, based on words by Master

Cyrus Auger.

Their Royal Majesties cordially invited Baintighearna Ania Mhoireach to join Them in court. Their Royal Majesties spoke of Ania's determination, her ferocity, her joy, her courtesy, and her leadership on the fencing fields and in the fencing community. They said that others agreed with Them and called the Noble Order of the White Scarf into Their presence. Various members of the order spoke to Ania and presented her with gifts, including her White Scarf which Her Royal Majesty tied to her arm. Their Royal Majesties greeted Doña Ania and bade her greet her companions. Scroll illuminated by Master Raev Hale, calligraphed by Armiger Urraca Beatriz Botelho, based on words by Don Jehan le Blanc.

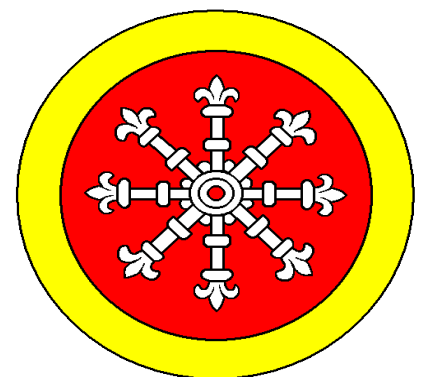

Her Majesty then spoke of the many acts that inspired Her on the day, but most especially of the humor, the courtesy, and the volunteering of Baron Ixac ben Simone, who She named Queen's Inspiration for the day.

Their Royal Majesties once again thanked everyone who turned out for a very hot and sultry day and wished everyone safe journeys home.

The court was then closed.

Faithfully reported,

Goði Friðrikr Tomasson, Gulskell Herald Extraordinary
