# Words from the Kingdom

## To the Great Gryphon Host of Artemisia

do Their Royal Majesties Tearlach and Ursa send words:

Winter has well and truly settled upon Our fair kingdom, and We hope you are staying warm and comfortable. As the snow blankets the mountains and the winter events get rolling, please remember to check your chariots to ensure they are ready to travel in inclement weather, and always check the local weather soothsayer before planning trips.

We are looking forward to some upcoming events in December, namely Solstice in Loch Salann, for games of cribbage and good companionship. We will also be traveling south to Our good friends in Starkahfn to join them for Yule! Hopefully we can offload some of Our snow on them— We mean, show them the beauty of an Artemisian winter.

Wherever this month finds you, please enjoy the holidays and some good hot cocoa or cider.

Their Majesties Tearlach and Ursa

## Unto the populace of this grand Kingdom,

I would like to thank the participants of the Gryphon's Prize display and their sponsors. You have shown us the beauty and knowledge of the populace of the Kingdom of Artemisia. I would also like to note the generosity of the Laurels in participating in the Arts and Science Consultation table.

Kingdom Arts and Science Competition will be held in the Barony of Arn Hold on May 18, 2024. I will be opening registration for the competition in February and will close at the end of April so that the number of judges can be determined and planned for. I will be writing emails of confirmation that I have received your registration so make sure you receive word back from me. You may enter the competition to go for champion or you can enter to have one or more items judged for feedback. If you would like to go for champion you will need to enter three different entries with documentation. No grand category requirements. Let us see your best work. I look forward to seeing all of the arts and sciences.

In service,  
Baroness Helena Boccardi  
Kingdom of Artemisia  
Minister of Arts and Sciences

# From Society—Call for Applicants

## CALL FOR APPLICANTS - SOCIETY SENESCHAL/VICE PRESIDENT FOR OPERATIONS

The Society for Creative Anachronism (SCA) is seeking candidates for the position of Society Seneschal/Vice President for Operations.

The Society Seneschal is considered both a Society and Corporate officer, and is responsible for coordinating the administration of the Society's historical re-creation. This involves directing the activities of the Kingdom Seneschals and of Society-level deputies. Where questions arise concerning the intent of Corpora, the Board specifically

authorizes the Society Seneschal to make interpretations and clarifications. The Society Seneschal is also responsible for reviewing all sanction related activities.

This is a part-time stipend position requiring a minimum of 25 hours per week, often more.

Applicants must possess strong communication skills and be capable of interacting with unique SCA personalities without regard to rank or position in the organization. The ability to process and distill large amounts of information from multiple sources is required. Organizational and problem-solving skills are essential. Having held a Kingdom Seneschal position, while not required, is preferred. Applicants must be capable of maintaining a home office space, have access to internet, PC/tablet, printer, and possess word processing skills. Proficiency with Microsoft Office and Adobe Pro is a plus. Ready access to postal service for the mailing of trackable documents is required.

Required skills or background:

- Prior experience in positions of leadership within the SCA or in leading volunteer organizations
- Excellent working knowledge of current SCA corporate documents and handbooks
- Ability to research issues surrounding kingdom and Society rules and policies
- Understanding of how the SCA's sanction and investigative procedures work; direct experience with these procedures is preferred
- Ability to maintain confidentiality of investigations and other confidential material
- Ability to manage multiple projects and oversee volunteers on both Society and Kingdom levels
- Excellent communication skills, both written and oral
- The ability and willingness to communicate via email, phone, and videoconferencing on a regular basis
- Ability to explain policies, delegate projects, and build consensus

The Society Seneschal is responsible for the following duties:

- Oversee directly and indirectly the planning and implementation of all "game side" activities.
- Deal with large amounts of correspondence with many individuals, including but not limited to all kingdom seneschals, royalty, and corporate/Society level officers, especially the President, VP for Corporate Operations, and Executive Assistant to the Board of Directors.
- Meet via videoconference and/or phone with kingdom seneschals, Directors, and other corporate and Society officers several times a month.
- Provide training and advice to kingdom seneschals on a regular basis.
- Present sanction packets to the Board and provide oversight of investigations related to possible sanctions.
- Interpret Corpora and other SCA policies as needed; revise policies and create new policies as needed to facilitate SCA activities.
- Evaluate and create documentation as needed to facilitate a positive experience for SCA participants.

## Call from Society — continued

- Quarterly review of all Kingdom Seneschal reports, respond to reports, and refer Kingdom Seneschal requests or questions to the appropriate Society or Corporate officer for assistance as needed.
- Submit detailed quarterly reports to the President and Board, and supplemental reports as needed.
- Attend all quarterly meetings of the Board of Directors, mid-quarter conference call meetings, and other meetings as required.
- Other duties and projects may be assigned by the Board or President.

The Society Seneschal must be available for the four quarterly Board meetings, typically held over a Friday and Saturday or a Saturday and Sunday. These meetings may be held via videoconference or in person. In-person meetings require travel, typically on a Thursday and Sunday. In addition, the Society Seneschal must be available for conference call meetings of the Board four to twelve times a year, typically on weekday evenings, and meetings or calls with officers or directors on an as-needed basis. Additional travel besides the quarterly meetings may be required, typically around SCA events.

Interested applicants should send a letter of interest, together with modern and SCA qualifications, via email, to [resumes@sca.org](mailto:resumes@sca.org)

Applications are being accepted through January 15, 2024.

## Upcoming Baronial Pollings

To many, there is no more a sacred beverage than coffee. While various legends theorize the origins of the beverage, all agree that the original coffea plants come from the Kaffa region in southwest Ethiopia. Some stories date as far back as 850, but the first credible account comes from the 15th century, as coffee was on an import manifest from Ethiopia to Yemen. In the beginning, the use of imported coffee was restricted to religious purposes. Sufis in Yemen (primarily coming from the Yemeni town of Mocha), would use the beverage to aid in concentration during nighttime devotions. The religious use of coffee spread through the Islamic world, with the ubiquitous Ottoman (Turkish) coffeehouse coming into being by the mid-16th century.

The Turks brought coffee with their invasion of Hungary (1526), Vienna(1529), and Malta (1565). German and Venetian botanists studied the plant before the end of the 16th century, with the first non-Islamic European coffeehouse opening in Venice in 1645. After that it was the Dutch East India Company, and the rapid propagation of coffee plants to SE Asia by the Dutch, the Caribbean and central Africa by the French, South America by the Portuguese, and Hawaii by the English. You can say today that the sun never sets on coffea plants, as you can sit and sip a mug of it reading your random carp.
