## Words of the Crown

**G**reetings unto Our beloved Drachenwald!

While writing this, We start to see spring approaching, the snow is melting and even though the Kingdom never really takes a break during winter times, We start to see activities ramp up in frequency. We see talk about camping and other outdoor activities that require a bit more

warmth than winter provides. Although, this is viewed from Our residence and We know that other parts of Our Kingdom already has green grass and does not get as covered in snow as We are, all parts usually get more active during the summer months.

We are in the middle of planning several events, where We hope to meet as many of you as possible. To that end, We wish to encourage everyone to send in recommendations to help Us recognize those of Our populace deserving of reward! On that note, We want to take this opportunity to spread some information regarding timing for awards. We aim to decide on awards roughly 6 weeks before the event, that means that sending in recommendations AND registering for events before that is very helpful for Us. We do not wish to miss rewarding deserving people among Our populace, so by doing this at least 6 weeks before an event, you help Us a great deal. The reason for that time is so that Our wonderful scribes have time to create their amazing artwork, which often has to travel to Us prior to the event.

But awards are not everything, if you see someone that inspires you, is helpful, or simply spreads joy, don't hesitate to let them know. Kind words of appreciation are something that can make someone's event that much better, being seen and knowing that others appreciate what they do can be as nice to receive as an award, sometimes even more. We all have the power to be kind to each other, so let's do that.

As always, We are looking forward to seeing all of you soon again.

## Greetings from the Seneschal

**G**reetings

This is going to be a good year! The Kingdom Calendar is filled with events. This year, we actually have many events scheduled for the same weekends. Drachenwald is a large Kingdom so it is normally not a problem.

I would like to highlight our Kingdom Midsummer Coronation that will take place in Ad Flumen this summer. It will be a 5 day camping event. There is also a possibility to sleep inside in bunk beds.

So start planning your SCA year now!  
Hope to see you soon at one of the many events taking place in Drachenwald!

## Greetings from the Chronicler

**G**reetings from the Chronicler!

Spring is coming and in less than a month we have Crown Tournament. Exciting to see who will be the heirs. I hope to see many of you there. Also soon it is Double Wars and the all important question of which side do we butter the knäckebröd. Plus of course a whole lot of classes, fencing, archery and heavy fighting and loads of fun. Not to forget the Nordmark Coronet tourney, which will be held during Double Wars. Good luck to both Crown and the Coronet Tourney contestants!

In service to the Dream,

**Maerith aff Weselax**

**Cudgel War**  
04 - 13 July 2025  
**Aarnimetsä - Finland**

Cudgel War is the barony of Aarnimetsä's traditional summer camp with outdoor camping and some indoor spaces. Kavalahiti scout camp site is near Inkoo in Southern Finland, only 60 km west of the capital Helsinki. Join us for 10 days (or fewer) of various activities like martial arts, arts and sciences, courts, and of course sauna, swimming, and the white northern nights. Some indoor accommodation and meals are available, but many visitors prefer camping on the meadow or the field.

**Site**

Björvikintie 109, 10230 Inkoo, Finland  
The event is mainly a tent camp, but there is also indoor accommodation in cabins and a dormitory. The site has drinkable running water and WCs in two outbuildings, but there are no facilities in the indoor accommodation buildings. The showers are in the sauna building by the beach. The medieval tents will be on the grassy area in the middle of the camp and on a nearby field. There are forest camping areas for mundane tents on the outskirts of the camping area.

The site is built on a hillside which can be challenging for people with reduced mobility. The disabled toilet is located behind the kitchen, about 200 meters from the indoor sleeping space, and the route includes a slope. The only way to get to the showers is to navigate the sauna stairs, and all the paths are gravel, not paved.

This year, anyone wishing to camp in the medieval camp in a group must choose a land agent among the group members. The land agent will be the contact person for your entire group in matters concerning camping, e.g. tent sizes, and the name of your camp will be on the reservation form for you to choose. Those with one single tent that can be placed anywhere in the medieval area and those with mundane tents do not register as land agents.  
The site opens at 14:00 and closes at 12:00

**Cost**

# Kingdom of Drachenwald - Curia announcement

## Call to Curia

Their Majesties Æiríkr inn Hárfagri and Jacquelyna de Belmont give notice that they will hold a second Curia at Crown in Aarnimetsä (4-6th of April). It will be the same agenda as the online Curias held on the 18th of March.

## CURIA AGENDA

Review proposed Drachenwald law changes

### Old Business:

1. Proposal for moving responsibility regarding baronies within a principality from Crown to Coronet

Reasoning

The burdens of the Crown are many. This proposal moves the responsibilities for those baronies that are within a Principality, from the Crown to the Coronet, as the Coronet is already responsible for their regions.

2. Proposal for clarification of fealty presented by principalities

Reasoning

This proposal aligns the kingdom law with current practices and the wording is consistent with the proposed change under old business. This proposal affects section 6.01.4

3. Proposal for changes in categories of the kingdom officers

Reasoning

This proposal is due to changes in Corpora where the Kingdom Chatelaine has been moved from the category of Lesser Officers to Great Officers. Additionally, the proposal removes the hierarchical wording that ranks the Great Officers in order of precedence. This proposal affects sections 5.01, 5.02, and 5.06.9.

4. Proposal for clarification of the responsibility to get awards registered in the Order of Precedence database

Reasoning

The purpose of this proposal is to minimize frustration over missing awards in the online Order of Precedence, and to avoid wasting the time and resources of scribes and royals that unknowingly plan to give out awards that a recipient has already received. This proposal affects sections 2.02.6 and 5.06.2.3, and adds new sections 5.06.2.6, 6.01.5, and 6.05.6.1.

Drachenwald subjects may send questions and comments in writing about this Curia to the Crown ([crown@drachenwald.sca.org](mailto:crown@drachenwald.sca.org)) and Kingdom Seneschal ([seneschal@drachenwald.sca.org](mailto:seneschal@drachenwald.sca.org)) Questions submitted in writing in advance of the Curia will be answered first followed by general discussion.

Yours in service,

Tova frá Attemark  
Drachenwald Kingdom Seneschal
