Greetings to you, great and noble populace of The Outlands! We have Heirs! Please welcome and congratulate The Dread Lord and Lady of All Argonia, Fjöverkr the Red and Melissa of Monster Hall. We look forward to seeing Our Heirs grow and perhaps, one day, sit upon the Stag Throne themselves.

A big thank you to Our Barony of Citadel of the Southern Pass for hosting Crown Tournament and congratulations to 40 years as a barony! May the long life of the barony extend far beyond another 40 years.

We were saddened that We had to cut Our visit to the southern Outlands short and were not able to attend Siege of the City. We have heard great reports of the camaraderie and friendship throughout the whole event. We wish for better luck next year so that We might attend.

Kingdom A&S Collegium was also a great success. Many classes were taught, the Royal Outlands Interkingdom University dispensed honors, and great works of art were on display. Queen's Prize A&S tournament saw Rafandi Frettur as Her Majesty's choice with a display on making and using pine tar to seal the planks of a viking longship; a wonderful display of both art and science!

We would ask all good gentles throughout this glorious kingdom, if you see that someone is doing good works, whether it is service, arts, or martial, please send Us an award recommendation. The kingdom website has a very easy to use system that will help Us be able to recognize worthy individuals. Our kingdom is grand, both in size and its people, help Us and our Heirs know of everyone's worth.

Please remember to listen with empathy and speak with kindness.

Joyous greetings to the almighty Outlands! In the midst of a solar eclipse, as the sun's brilliance yielded to the moon's graceful dance, did We Fjolverkr and Melissa achieve Our greatest dream. Quiet hours of persistence, and loud moments of determination wove Our threads of aspiration. Today, as these dreams materialize, it feels like each step forward is a victorious note in the symphony of achieving what was once only imagined.

The love, warmth, camaraderie, and support pouring in fills Us with overwhelming joy. This realm flourishes in these bonds that make it a true heartland. In the noble pursuit to serve, We embark on a journey where each of Our endeavors is a testament to the commitment of making a positive impact. Through diligence and empathy, the path before Us unfolds as a tapestry woven from meaningful unwavering service.

Venturing through the Kingdom's diverse landscapes We may travel separate paths at times over the miles. Our hearts resonate with the shared tales of exploration. In the solitude, We have discovered the beauty of individual narratives that collectively enrich these lands.

In November We visited extraordinary events including Unser Hafen Newcomers, Kingdom A&S Collegium and Toys for Tots! Yet another spy mission was completed while attending the fall coronation in the Kingdom of Atenveldt. The events in December remind Us to stoke the fires of love within Our populace and gather to share in feast and revelry during our traditional Midwinter, Yule and 12th night celebrations.

Within Our embrace, We wish to nurture the environment of fellowship within these great lands. Together we can flourish like a garden of diverse blooms. Every soul, a unique petal contributing to the vibrant tapestry of unity, forging bonds that withstand the test of time and adversity.

Thank you for believing in Us, as We do in YOU

## Words from the Officers

### FROM THE SENESCHALETTE:

Greetings to the Populace of the Outlands!

As we move into winter, I find the Office of the Seneschal needs additional hands to make the load of this Kingdom lighter. I am pleased to announce three additional deputies have joined the ranks of volunteers who keep this Kingdom running.

Sir Alexander has accepted the position of Special Projects Deputy. He will be focused on bringing the concept of Storybonding to the Officer Corps. Storybonding is a way to frame the officer handbooks as a journey and a story, bringing more engagement and retaining to officers. Our goal is to help new officers learn the knowledge, skills, and attitudes they need to be successful in their office and in the SCA. You may have seen this work before in the form of the Hero's Quest, a journey for new SCA members.

Noble SAS also officially joins the Office of the Seneschal as the Sign Deputy. You have seen Sas's handiwork before at Grand Outlandish, Battlemoor, and other events. SAS is responsible for distributing the DEIB signs at events and removing them after the event. Please reach out if your branch would like more information or signs for your event.

Last but certainly not least, THL Eithne ingen Fhaelain Duib in addition to serving Unser Hafen as the branch Seneschal, has agreed to step into the role of Roster Deputy. The Roster Deputy receives multiple reports from SCA's membership database and using her mastery of Excel, places them into one document that is sent out once a month to the Crown, Heirs, Exchequer, and branch seneschals.

I will be hosting Open Office hours via Zoom the 2<sup>nd</sup> Thursday of each month from 7-8pm. Feel free to pop in and ask any questions about the office, kingdom, or myself. The link will be posted on Facebook, or you can reach out via email for more information.

Thank you for your continued support, feedback, and songs. I am honored to hold the space between the modern world and the medieval one so that we can continue to play in the SCA.

In Service to the Kingdom of the Outlands,  
Baroness Ays,e al-Rumiyya, OSO

### FROM THE MINISRTY OF ARTS AND SCIENCES:

December Monthly Letter:

Beloved Outlands:

What an honor to step into this roll as your Minister of Arts and Sciences. By the time you have read this missive we will have had a month together exploring how we will grow and support each other on our A&S journeys.

As winter approaches for us here in the southern region and, perhaps has been with our friends and neighbors to the north for a while, we have some time to be indoors and tend to our mending, repairs and creations. I encourage all of you to take this opportunity to explore improving your garb, your camp equipment and projects because although winter approaches, we will be back around to spring and summer in no time.

Speaking of spring, please remember that the Kingdom Arts and Sciences Tournament is coming and give yourself plenty of time to work on and master your A&S projects. All the Tournament information can be found on my Outlands.org page

here: <https://www.outlands.org/people/offices/arts-sciences/>

If you have any questions please feel free to reach out to me or one of my regional deputies that is closest to you. You can find their information elsewhere in this publication.

Friends, I bid you all very merry arts and crafting. I hope you have a beautiful season this month and encourage you to try something new, research something weird and never stop exploring. Stay inquisitive.

Yours in service and camaraderie:  
Mistress Rannvaeig

## Words from the Officers

### From the Royal Outlands Interkingdom University

Greetings, Outlanders!

The ROIU was delighted to be able to assist in sponsoring many fascinating classes at Kingdom Arts & Sciences Collegium on November 4th. We also held the University's very first graduation ceremony, announcing seventy-seven (77) degrees and diplomas earned by our learners!

If you would like to be part of our efforts to spread learning throughout the Kingdom and the known world, please start by Registering at [roiou.outlands.org](http://roiou.outlands.org). After registration, it is a simple matter to submit info on the classes you attend (as a student) or which you teach. We also have online classes in a wide variety of areas!

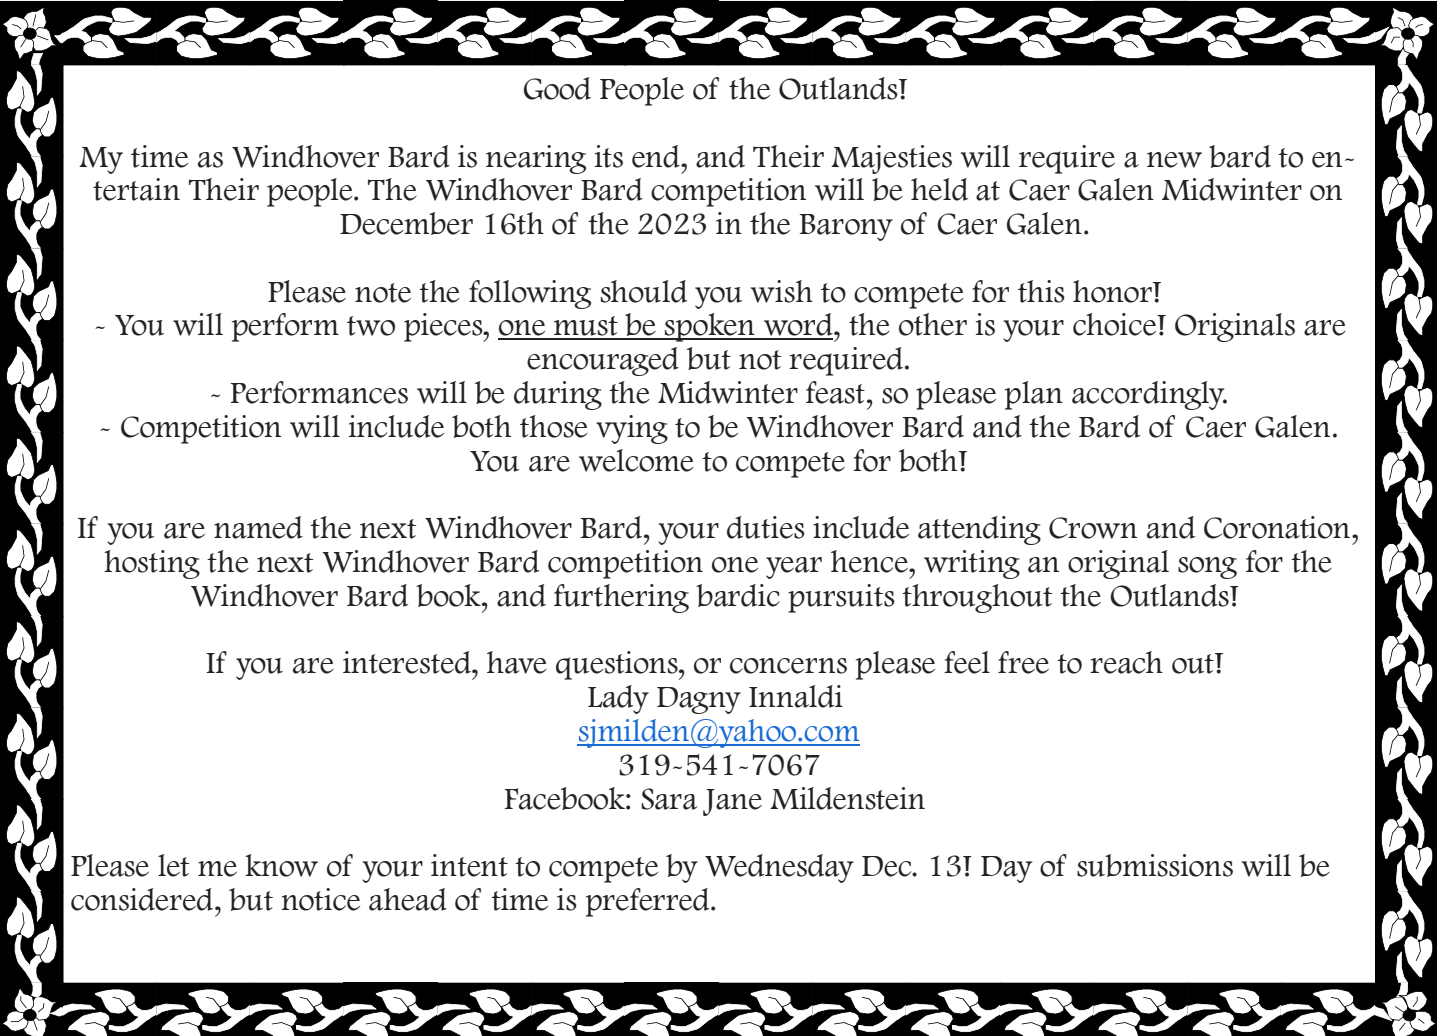

The ROIU also owed a debt of thanks to the College of Scribes, which is assisting with creating our Diplomas to recognize

those who have reached the higher echelons of education at the University.

We are seeking one additional person to join the Board of Regents. We would prefer someone from the central or southern parts of the kingdom, and possibly a resident of a Shire or of St. Goliath, as we are currently a little barony-heavy and northern-heavy. The main responsibilities are to join occasional Zoom meetings and support the University's mission of spreading education and learning. Please contact us at [roiou@outlands.org](mailto:roiou@outlands.org) if interested.

Your servant,

Timothy O'Brien, OP  
Dean of the ROIU

### Good People of the Outlands!

My time as Windhover Bard is nearing its end, and Their Majesties will require a new bard to entertain Their people. The Windhover Bard competition will be held at Caer Galen Midwinter on December 16th of the 2023 in the Barony of Caer Galen.

Please note the following should you wish to compete for this honor!

- You will perform two pieces, one must be spoken word, the other is your choice! Originals are encouraged but not required.
  - Performances will be during the Midwinter feast, so please plan accordingly.
  - Competition will include both those vying to be Windhover Bard and the Bard of Caer Galen.
- You are welcome to compete for both!

If you are named the next Windhover Bard, your duties include attending Crown and Coronation, hosting the next Windhover Bard competition one year hence, writing an original song for the Windhover Bard book, and furthering bardic pursuits throughout the Outlands!

If you are interested, have questions, or concerns please feel free to reach out!

Lady Dagny Innaldi  
[sjmilden@yahoo.com](mailto:sjmilden@yahoo.com)  
319-541-7067

Facebook: Sara Jane Mildenstein

Please let me know of your intent to compete by Wednesday Dec. 13! Day of submissions will be considered, but notice ahead of time is preferred.

*Outlands!!!!*

I, Warlord Utchred Leifsson, am in need of a successor. Winter approaches, my bones ache, and my arms grow weary under the weight of Thunderhead. It has been an honored privilege to bolster the ranks of the Outlands as your Warlord. It is time that The Horn and Axe are passed, by right of arms, to one who has the courage to lead the Mighty Outlands in the wars to come! The Tournament will be held in the standard spirit of the Warlord tournament. If you think you have the strength to hold Thunderhead high above the teeming ranks of the Stag Army then pack your gauntlets and make for al-Barran Midwinter! Tournament time and details to follow.

*WAR!!! OUTLANDS!!!*

Sir Utchred Leifsson, Warlord of the Outlands

**POSITION OPENING: SOCIETY SENESCHAL/VICE PRESIDENT FOR OPERATIONS**

The Society for Creative Anachronism (SCA) is seeking candidates for the position of Society Seneschal/Vice President for Operations.

The Society Seneschal is considered both a Society and Corporate officer, and is responsible for coordinating the administration of the Society's historical re-creation. This involves directing the activities of the Kingdom Seneschals and of Society-level deputies. Where questions arise concerning the intent of Corpora, the Board specifically authorizes the Society Seneschal to make interpretations and clarifications. The Society Seneschal is also responsible for reviewing all sanction related activities.

This is a part-time stipend position requiring a minimum of 25 hours per week, often more.

Applicants must possess strong communication skills and be capable of interacting with unique SCA personalities without regard to rank or position in the organization. The ability to process and distill large amounts of information from multiple sources is required. Organizational and problem-solving skills are essential. Having held a Kingdom Seneschal position, while not required, is preferred. Applicants must be capable of maintaining a home office space, have access to internet, PC/tablet, printer, and possess word processing skills. Proficiency with Microsoft Office and Adobe Pro is a plus. Ready access to postal service for the mailing of trackable documents is required.

**Required skills or background:**

- Prior experience in positions of leadership within the SCA or in leading volunteer organizations
- Excellent working knowledge of current SCA corporate documents and handbooks
- Ability to research issues surrounding kingdom and Society rules and policies
- Understanding of how the SCA's sanction and investigative procedures work; direct experience with these procedures is preferred
- Ability to maintain confidentiality of investigations and other confidential material
- Ability to manage multiple projects and oversee volunteers on both Society and Kingdom levels
- Excellent communication skills, both written and oral
- The ability and willingness to communicate via email, phone, and videoconferencing on a regular basis
- Ability to explain policies, delegate projects, and build consensus

The Society Seneschal is responsible for the following duties:

- Oversee directly and indirectly the planning and implementation of all "game side" activities.
- Deal with large amounts of correspondence with many individuals, including but not limited to all kingdom seneschals, royalty, and corporate/Society level officers, especially the President, VP for Corporate Operations, and Executive Assistant to the Board of Directors.
- Meet via videoconference and/or phone with kingdom seneschals, Directors, and other corporate and Society officers several times a month.
- Provide training and advice to kingdom seneschals on a regular basis.
- Present sanction packets to the Board and provide oversight of investigations related to possible sanctions.
- Interpret Corpora and other SCA policies as needed; revise policies and create new policies as needed to facilitate SCA activities.
- Evaluate and create documentation as needed to facilitate a positive experience for SCA participants.
- Quarterly review of all Kingdom Seneschal reports, respond to reports, and refer Kingdom Seneschal requests or questions to the appropriate Society or Corporate officer for assistance as needed.
- Submit detailed quarterly reports to the President and Board, and supplemental reports as needed.
- Attend all quarterly meetings of the Board of Directors, mid-quarter conference call meetings, and other meetings as required.
- Other duties and projects may be assigned by the Board or President.

The Society Seneschal must be available for the four quarterly Board meetings, typically held over a Friday and Saturday or a Saturday and Sunday. These meetings may be held via videoconference or in person. In-person meetings require travel, typically on a Thursday and Sunday. In addition, the Society Seneschal must be available for conference call meetings of the Board four to twelve times a year, typically on weekday evenings, and meetings or calls with officers or directors on an as-needed basis. Additional travel besides the quarterly meetings may be required, typically around SCA events.

Interested applicants should send a letter of interest, together with modern and SCA qualifications, via email, to [resumes@sca.org](mailto:resumes@sca.org) <mailto:[resumes@sca.org](mailto:resumes@sca.org)>.

Applications are being accepted through January 15, 2024.

The year is 1324, and our most Noble Mansa Musa, ruler of the Mali Empire, is heading out on pilgrimage to Mecca. He will bear so much gold with him that it will crash the economies of cities he travels through. Mansa Musa travels with a large entourage, who will both give and receive generous gifts at every stop. Will you travel with us from Mali through Timbuktu, Cairo, and Medina to see the great city of Mecca?

Feast is included in the admission; you will have tokens and can choose dishes and snacks at any stall in the food market. Food allergies and special diets are accommodated! If you have trade goods you are willing to part with, such as feast gear, fabric, beads, or anything else, please bring it for the trading contest. Wear your best African, Egyptian, Arabian, or 1324 garb to enter a fashion show. SITE IS DRY

Dragonsspine's traditional Winter Feast Event has been expanded to include the competition for the Baronial Arts & Sciences Champion— and we thought, why not invite some friends? Details are still in the works, but we are hoping to have Arts & Sciences from Caerthe, Caer Galen, Unser Hafen and Aarquelle as well! There is sure to be something fascinating for almost anyone to view and discuss with its creator.

Additionally, as is traditional, Candlemas will feature heavy and rapier (and possibly cut-and-thrust) fighting for those hearty souls willing to brave the winter weather. (Some combat may be held indoors if the weather requires it.) There will be space for games during day, so bring them along.

Pre-registration available, but not required: LINK TBD

**Lunch:** A lunch of stews, soups, and this mysterious thing called "chili" will be served to help keep the cold away. Hot beverages will also be provided. Donations will be accepted and split between lunch costs and the Kingdom Travel Fund.

**Schedule (as always, subject to adjustments and the will of the Crown/Coronets):**

8:00 am: Site Opens

**VERY IMPORTANT NOTE:** This site is also a school, and it is 100% completely dry and non-smoking / non-vaping (not even in your personal vehicle). Anyone found with alcohol will be immediately escorted off of site and not allowed to return. Anyone found smoking will be given a single reminder to immediately stop and then escorted from site if a second violation occurs. Service dogs are the only animals allowed on site.

Pre-registration is not required, but there are a limited number of seats for feast, so we highly recommend registering if you want to reserve your spot! You can pre-register through PayPal.
