### Kingdom Rapier Marshal

Greetings from your newly appointed Kingdom Rapier Marshal. I know many of you, but there are some I don't know so I thought I would introduce myself.

I am Alfonso Diego Castillo de Guzman. I am a Spaniard from the middle 1500's and am a legitimate businessman that owns a fleet of ships that specialize in assisting English shipping traffic with overly burdened vessels. It's the least we can do as their vessels do not sail well with all that cargo! Mundanely, I lived and sailed aboard a 45' sailboat for 14 years.

This is my second career in the SCA, I have been an active member since 2014. My first career was from 1992-1998 in Antir, where I was active at the local branch of Caer Du Valle (Corvallis) and Angelita and I autocrated a series of events (The Festival of Epimetheus), held branch offices and fought both heavy and rapier. This was the time when Rapier was Epee, Schlager and 'Antir Rapier'. Today I am very active in Rapier, Cut and Thrust and Spear/Pole Arms. I am cadet to Magister Symon Montgomery de Lisieux and am squired to his Excellency, Viscount Sir Robert of Woodsend. I am taking the reins from Symon's expert tour of service and plan to continue many of the programs that he implemented or fostered. I am very pleased to also announce that my Deputy is Master Raven of Drachenheim.

We are going through a great deal of change, between rules updates, experiments and the much-needed overhaul of the authorization process. If you have any questions, concerns or suggestions I encourage you to reach out to me or any of our deputies. The communication channel is always open.

YIS,

Excellency Alonso Diego Castillo de Guzman

### Bard of the West

Dear friends of the West Kingdom,

The honor of Bard of the West is now 25 years old and there have always been regalia items associated with it since my first time as the 5th Bard of the West, including a coat or cloak, pendants, and the original books with the works of the Bards. I have received the cloak (thank you, by the way!), and I know the original coat of colors was rightly retired, and I have received a few folders of music and an Elf Hill Times book.

I am very sorry to report that I have not seen, nor do I have, the original very large token that Uther had made, the beautiful small harp pendant (I don't know who made it), and -- most sadly -- the original leather bound books that contained the written works of the former Bards of the West, since the first Bard, Siobhan, wrote her words.

I am begging the populace to help me find these things, and I'm hoping that they have not been lost forever. I recall the items being in a wooden box with a sliding lid, so maybe that helps locate them. Rather than start a conversation here, I ask that folks with any information regarding these treasures just contact me **\*\*privately\*\*** either on Messenger or my email Katla (at) West Kingdom (dot) org. I hope someone can let me know any information on these literally priceless items.

In service,

Katla vandræðiskalda Ulfsdottir,  
Bard of the West (6th, 13th, 15th, 25th)

### Kingdom Chronicler / The Page Editor

Good gentles,

In May of 2021, I started this journey as Kingdom Chronicler to learn about the West Kingdom. It didn't take long to identify that change was needed for information to be consistent wherever it was published. My role evolved to being the editor of The Page.

I am retiring from this position on December 31, 2024. If you enjoy print media, this may be the job for you! I am happy to answer questions about this position. Please send your letter of interest to [Chronicler@westkingdom.org](mailto:Chronicler@westkingdom.org). Upholding honor, I am ,

Christina O'Riain, OP

### Royal Archer

**Archers!** I have just lost my Deputy Royal Archer. So we are in desperate need for someone to step up and become the Royal Archer. I have been in too long and need to be done. I am stepping back to concentrate on mundane life.

You should be currently or willing to become a target archery marshal. You work with Site Stewards on Kingdom Events to try to provide archery at those events. You either run the events yourself or find a Marshal-in-charge for the event. There are some reports and minor other things to do also. Please contact me if you are interested. It is not too big of a job. Sandra Lowry
