# From the King and Queen of the West

This is a **DATE CORRECTION** for the Tournament to chose Heirs:

First off, as per Western tradition We welcome both combatants and consorts from foreign lands, although We reserve the right to refuse any entrants. If you or your consort are not residents of the West, please send Us a brief note indicating your interest in entering Our Crown prior to **February 15th**, so that we may announce your intent to the populace.

People of the West Thank you all for a wonderful Coronation! Without you all, there is no Kingdom.

We would like to send special thanks to the Event Stewards, Aaliz and Luxia, the gate and event staff and of course Our Court, Guard, and Artisans. Thanks also to the Artisans for their wonderful display and the Golden Stag Players for their great performance of Much Ado About Nothing.

Don't forget to send in award recommendations for those gentles you see participating in all the aspects of Our society. It warms Our hearts greatly to recognize members of Our outstanding populace.

With your understanding, We would like to add a message of a more serious note: As Our sworn oaths declare, We will not tolerate abuse of any kind by any member of this populace, no matter their rank, station, or office. If you see such behavior by anyone at an event please tell someone, and, if necessary, follow through with written reports to the appropriate officer (typically a seneschal).

Sigfrith, King of Love and Beauty

So'fia, Dread Queen of Vengeance

**Request of Commentary**  
**Chatelain and DEIB Offices**  
[Diversity, Equity, Inclusion and Belonging]

The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants.

These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.

The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space.

Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.

Note: Changes to corporate offices don't require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.

This restructuring aligns with better practice for organizations that aim to improve recruiting and retention by creating welcoming and inclusive environments.
