All changes of address or questions about subscriptions should be sent to the Corporate Office.

Advertising rates are free for SCA event advertisements. All advertising is on a space available basis; please see information on <http://chronicler.ansteorra.org/> for more details. Please also see the Publication Policies located elsewhere in this issue. Any ad for early publication should be sent as a half page for space concerns.

All Rights Reserved for each of the above submissions.

Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession **no later than the first of the month prior to the cover date (e.g. January 1 for the February issue)**. This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the first of the month so that space may be reserved. Anything arriving after the

first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. **If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.**

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement **each month** UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to kingdom@chronicler.ansteorra.org.

Again, please see: <http://chronicler.ansteorra.org/> for detailed information on event announcement submissions.

Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

Stellar Majesties

Ansteorra,

The heat, the heat from this summer! We hope that the worst is behind us and that everyone in this wonderful kingdom has managed well in the rigors of this weather.

As this reign draws closer to its end, the air cools and the calendar begins to fill once more. We resume our Progress through the realm and hope to see as many of you as possible in the coming month.

Stellar Highnesses

Greetings Ansteorra!

As we head to Pennsic War 50 we are deeply grateful for those that have volunteered to spend some of their precious time with us. For those staying in the Kingdom do not forget there is plenty to do. Go out and support your local groups this month. Attend a fighter practice - you don't have to be a fighter to show up. Attend a missile practice - you may find you love throwing sharp objects or shooting a bow. Remember that building community begins at home.

Kingdom Arts and Sciences approaches fast! We are very much looking forward to seeing your beautiful work and research as Champions are chosen to represent Ansteorra at Gulf Wars. Many thanks to the Barony of Stargate for hosting this event.

Finally, as September approaches, tournament season will be upon us. We can only hope for cooler weather! Get ready to show your expertise as you vie for Baronial Titles and bragging rights!

Aaron and Nicollet
Prince and Princess Ansteorra

Kingdom Seneschal

Greetings!!

I'm looking forward to Kingdom A&S and as the weather begins to cool off, the fun fall season of camping, tournaments, and camaraderie!

Please review the couple of law changes that were read into law in May and at Round Table that are published in this newsletter. In addition, there is an updated version of Ansteorra Law on the webpage that incorporates these changes.

As bids for Coronation and Queen's Champion were due in August, further information will be coming shortly after this newsletter is published. Please keep an eye out!

Just a reminder, my office is open for applications until September 15. If you have any questions about what this position entails, please reach out to me.

In service,

Kingdom Exchequer

Ansteorra!

The news in our Exchequery just keeps getting better and better! I have a successor -- Lord Sean MacDaniel will be the next Kingdom Exchequer of Ansteorra. He's served as Vindheim's Exchequer and I know he'll do a GREAT job at helping Ansteorra stay STRONG!!! We are beginning the transition of knowledge and will officially hand things over later this month in court with Their Majesties.

I would also like to announce that I am opening the Southern Regional Exchequer's office for applications. These will close September 15th. Please reach out if you have questions about what is involved/expected of this position. I'm happy to walk anyone through it.

**Kingdom Minister
of Arts & Sciences**

Greetings Ansteorra,

First, I am still looking for several officers, Vindheim Minister of Arts and Sciences, Music Deputy, and Performance Deputy. If you are interested at all, please contact me and we can discuss the responsibilities. Thank you to both HL Robin and HL Rosa for agreeing to stay on a bit so we can find replacements and let them get a much-needed rest. As these openings were previously posted, I would like to have officers in place as soon as possible.

For those of you who are not on social media, we have added a few items to Kingdom Arts and Sciences.

We are changing the name of Supported Research to Experimental Archeology. There was a lot of confusion on what was static and what was supported research. Static entries have become supported research. By changing the name, we emphasize that we are looking for you to prove a hypothesis and not just simply provide an object

with more research.

We are requesting all documentation be turned in two weeks before the competition. We would like to give the judges additional time to review documentation in order to make sure your writing is getting the attention it deserves. Hopefully this will increase the value of the comments and provide a better foundation for judges the day of the event. This is mandatory for Experimental Archeology and Research, and highly suggested for Static and Performance. Submissions and event registration will both close at 10PM September 1st. Please email documentation or cloud storage link to kingdom@moas.ansteorra.org

We are going to provide you with the option to meet your judge and review your entry goals for the event. It has been said that the judging process is very impersonal and we would like to provide a face to the name. This is not a Q&A session for the project and will not be a discussion of the entry itself. Hopefully, this will also get you introduced to an additional person who is passionate about your art and wants to help you succeed in your arts journey. We will be offering video or phone introduction for the Research Papers and Experimental Archeology categories. When you register for the event, please let us know if you would like to meet your judge or would like to continue as we have done in the past. This will also be optional for judges, but we will make an attempt to honor your request.

Finally, we will be looking for feedback on these additions, and any suggestions to make this event supportive and less stressful are welcome. Though Kingdom Arts and Sciences is not and will never be for everyone, we want to make sure the whole community is served in the best way in all we do.

Keep your comments and suggestions coming.

Greetings Ansteorra!

Business up front:

My warrant is up in January. If you are interested in serving as kingdom hospitaler/ chatelaine please reach out to me at kingdom@hospitaler.ansteorra.org.

Okay, monthly message:

With San Japan looming in the near future and on my mind, I want to focus on the importance of speaking to non-members in ways that can be understood. I am confident many of you know that we have to de-jargon our speech when speaking to newcomers, so it is easier for them to understand, get excited about, and approach the SCA. But it is equally important to speak to businesses and contacts in a way that they can understand when looking for sites, demos, and partnership opportunities. Businesses don't know what a seneschal, exchequer, or hospitaler are and will probably look sideways at someone calling themselves a baroness or baron, but they will probably be willing to engage a president, treasurer, retention officer, or chairperson of a local non-profit branch. I hope groups can continue to attend more demos, find more sites, and build more relationships with organizations and businesses so we can keep building our community.

Respectfully,
Ricky Fink
Retention Officer for the Greater Texas/
Oklahoma Region

Greetings to the Kingdom!

We have made it through Round Table with ease! Many thanks to all of our volunteers for making this event possible and for doing the work of

keeping our rooms safe and working smoothly.

I have been approved to extend my term by one year and I am excited for the projects I'll be working on. My focus will be on documentation for kingdom web practices and policies as well as building useful resources for local webmins. I'll be sending drafts out for review, so if you're a webminister, please keep an eye on your inbox.

We're coming into the fall event season, so if you have a local event coming up, please make sure to work with your local webmins and the Kingdom Calendar Deputy to get your event details on the website so folks can make plans to attend your event.

Stay cool and stay safe!

Star Principal
Herald

Hello Ansteorra,

What a great month this has been! We've had more heraldic training sessions and they were WONDERFUL! There was King's College, Round Table, AAANNDD the Heraldic Retreat – all of which had excellent turn-out and participation, especially from new and returning heralds! The College is so glad you are here! Thank you to all our teachers – without you, we couldn't be one of the best heraldic kingdoms in the Known World. I appreciate all of you!

Just a few reminders:

1. All local officers & non-direct (to Star) deputies must report monthly by the 5th of every month via the online form.
2. All direct deputies must report monthly by the 15th via the online form.
3. September is here. Voice heralds, please consider the heat. Stay hydrated, do voice warm-ups, and take all precautions against heat related injury – especially with your clothing.
4. Ansteorran Heraldic and Scribal Symposium 2024 is now open for bids. Please contact me if

you have any questions about this amazing and fun event.

5. Heraldic Retreat is also open for bids, preferably in the Central or Southern regions. Please contact me if you have any questions.

6. Spread the fun! Please invite someone or two to join you in heraldic shenanigans...err...duties... all the FUN STUFF!!!

Thank you for all you do! You are seen and appreciated!

Remember to be kind to one another as you go about your day. A kind word or a smile go a long way to brighten someone else's day.

Until next time, I remain,
Yours in Service,

Greetings, Good Gentles, All!

I hope this month of September finds you well. I would like to thank those of you who have been sending in great event ads to the Black Star each month. People have been submitting ads in a timely manner, and that makes my job much easier.

Please continue to support your local Chroniclers by submitting content for them to include! Being a Chronicler is a collaborative effort. The more people who submit, art, poems, articles, and recipes help make the newsletters more interesting and fun!

Star Signet

Greetings from Star Signet!

At King's Round Table the following new officers for the Scribal College were announced:

Our new Central Regional Scribe is HL Desire'e Dupre! She will do excellently. Many thanks to Master Richard Fairbourne for his time in the office and hard work!

Our new Insignia Deputy is HL Jayne Cobham! From whom I include the following missive: "Greetings from the Ansteorran Kingdom Insignia Deputy, HL Jayne Cobham. During King's College a quantity insignia derby was held and first place went to Lady Gwenfrewi verch Llewellyn from Elfsea, second place to Honorable Lady Estrill Swet from Moonschadowe, and third place to Meistari Haraldr Bassi from Ffynnon Gath. The Kingdom is very grateful to these individual's efforts so that all might be honored in service to the stellar Kingdom of Ansteorra. Vivat! In August a non-western singular insignia derby will be held at Serpent's Symposium extra-european collegium. At the end of September a singular insignia derby will be held at Fynnon Gath's War of Ages focusing on handmade methods for our kingdom's AoA level insignia. More details to follow on event websites. As always, any insignia will be gratefully accepted that is heraldically correct, regardless of derby parameters."

Other news announced at Round Table includes that we are still looking for artisans to design new charters for the kingdom! If you are interested, please see the kingdom's scribal website at <https://ansteorra.org/scribal/> for both the form to fill out to be assigned a design opportunity, and the related instructions and guidelines for sizes, texts, and materials recommendations.

Please note that for this run of new designs, calligraphers are asked to use the phrase "Stellar Crown of Ansteorra" in the text and leave the titles of the crown off the bottom (though leave space for them). This will allow future Crowns to use whichever titles they wish, whether related to persona culture, or personal identity.

If you are interested in designing originals, please reach out to Sable Scroll for reign specific needs,

me regarding the Scribal Liaison project to assist with Backlog (never received) scrolls, or to Master Isaac Bane, the Vindheim Scribe, as all of the Principality awards are small original scrolls and anyone in the kingdom is welcome to assist with these as well!

With joy in service,
Baintighearna Lillias MacGuffin

Kingdom Minister of Children

Dear Parents,

As we welcome the start of the fall event season in the Ansteorra, I hope this message finds you well. This exciting period brings a variety of enriching experiences, and it's also the time to consider the balance between these activities and schoolwork.

The SCA provides invaluable opportunities for our children to learn, grow, and develop skills beyond the classroom, which we wholeheartedly encourage.

However, we must also remember that their academic responsibilities need to be attended to. Here are a few tips to help maintain this balance:

Establish a Schedule: A well-structured schedule can help children manage their time efficiently.

Prioritize Tasks: Encourage your child to understand what tasks are most important and urgent. This can help in organizing their workload effectively.

Healthy Lifestyle: Ensure your child gets adequate sleep, regular exercise, and a healthy diet. This can greatly enhance their energy levels and concentration.

Open Communication: Regularly discuss with your child about their tasks, deadlines, and how they're feeling. This can help spot any potential issues early on.

We appreciate your continued support in ensuring our children have a well-rounded and

balanced educational experience. Should you need any further guidance or support, please don't hesitate to contact us. Best Regards,

Yours in Service

Zodiacus Herald
Greetings!

As many (or most) of you know, Their Stellar Majesties did request the renaming of four championships at Round Table.

- Kingdom Artisan has changed to **Royal Artisan**.
- Kingdom Middle Eastern Dance Champion has changed to **Royal Middle Eastern Dance Champion**.
- Kingdom Thrown Weapons Champion has changed to **Royal Thrown Weapons Champion**.
- Premier Bard has changed to **Royal Bard**.

In my continuing efforts to make the Order of Precedence as beneficial and optimum as possible, I ask the following questions of the populace. Please email zodiacus@herald.ansteorra.org any responses to the following questions:

- 1 - How do you use the OP?
- 2 - Does it have everything you want?
- 3 - What (if anything) would make it a better experience?
- 4 - Anything else?

I've also asked this on Facebook so you don't need to respond twice unless you want to make sure I see your answer.

My thanks to Etienne de St. Amaranth, Sigrun Sveinungsdóttir í Biarká, Abe no Sadasuke, Liam m'Shemus MacSweeney, Orlando Giovanni, Áshildr inn Hárfagri, Donnchadh Beag mac Griogair, and Absolon of Hereford for their court
