### From the Rapier Marshal

Unto the East Kingdom Rapier Community do I send greetings!

First, I would like to thank Don Griffith Davion for his service as Kingdom Rapier Marshal. He did an excellent job, especially when he had to handle the aftermath of the Pandemic and the first-ever Crown with Rapier. His are big shoes to fill (in multiple ways!) Thank you, Griff, for your outstanding service.

Secondly, I want to thank all the marshals who worked the Crown with Rapier. You did an incredible job, helped to make sure it all went smoothly (even when it started to rain and we were forced inside), and you did great with being extra diligent. I was impressed and really appreciate the work you did.

Thirdly, I want to thank the combatants from Crown with Rapier. As a community, you came together to show the Known World that you are worthy combatants who fought with skill and honor and showed that we can make this alternative option work - and work brilliantly.

Fourthly, even though I have only just stepped into the role, I am putting out the call for anyone interested in being my Kingdom deputy. Please send an email to [kmof@eastkingdom.org](mailto:kmof@eastkingdom.org) if you are interested.

Finally, a small change to our rules. Effective immediately, I am disallowing the use of electrical tape for wrapping blade tips. I know some people use it just for contrast, but I'd like to see its use discontinued entirely. In my experience, the majority of tip-taping failures have been due to electrical tape losing its effectiveness in higher temperatures.

For reference, the new rule is this:  
6.2.10.5. Tape should be somewhat resistant to impact with metal, and its adhesive shall have

appropriate adherence to rubber and metal. Colored strapping tape (such as hockey tape, lacrosse tape, and the like) is the best tape for this application. Duct tape is also allowed, but be aware that many brands and novelty colors are not going to properly adhere the tip to the blade. Painters' tape, masking tape, electrical tape, and other paper-based tapes are not allowed.

PLEASE NOTE – While this rule is effective immediately, I am giving everyone until July 25 (the start of Pennsic) to comply. That should be sufficient time for everyone to get into compliance. Please make sure that you change out any electrical tape wrapping your blades before Pennsic.

Thank you all for being an amazing community. I look forward to serving the Kingdom as Rapier Marshal over the next few years. If you have questions, don't hesitate to contact me.

YIS,

Maestro Malcolm Bowman, EK Rapier Marshal

### From the SCA Canada Work Group

This is an introduction to the SCA Canada Working Group, a Canadian-led initiative. Canada is a different legal jurisdiction from the US, and our group is investigating the SCA's compliance with Federal and Provincial requirements.

To do this work, Canadian representatives from the six Kingdoms with branches in Canada have been deputized by their Crowns and Kingdom Seneschals. Over the next year, we will be consulting Canadian lawyers and other experts to answer our guiding question: What is the best way for the SCA to operate in the Canadian jurisdiction? We are only looking at modern legal issues, not at the game side of the SCA for Canadian groups.

Once we have recommendations, a report will be given to the Kingdoms and the President of the SCA. Further steps will depend on the options open to us.

Right now, we are in fact-finding mode. We will provide updates as we have them. Stay tuned.

-----  
Voici une présentation du Groupe de Travail SCA Canada, une initiative canadienne. Le Canada constitue une juridiction légale distincte des États-Unis, et notre groupe examine la conformité de la SCA aux exigences légales fédérales et provinciales.

Pour réaliser ce travail, des représentants canadiens des six royaumes ayant des branches au Canada ont été mandatés par leurs souverains et leurs sénéchaux de royaume respectifs. Durant la prochaine année, des avocats canadiens et d'autres experts seront consultés pour assurer la conformité de la SCA aux lois cana-

diennes. Nous nous concentrons uniquement sur les questions juridiques modernes et non sur l'aspect ludique de la SCA au Canada. Dès la réception des recommandations, un rapport sera transmis aux six Royaumes ainsi qu'au Président de la SCA. Les étapes subséquentes seront guidées par les options qui nous seront disponibles.

Pour l'instant, nous sommes en mode de collecte de données. Nous vous donnerons des nouvelles dès que possible. Restez attentifs.

Follow Route 26 South through the Western Maine towns of Bryant Pond, Paris, Norway, and into the town of Oxford. About two miles after you pass through the business district of the town of Oxford, you'll come to traffic lights which mark the entrance to a Wal-Mart (on your right). Follow Route 124 North into the town of Minot. 4.4 miles from the light you will come to a strange intersection, which is marked as the junction of Routes 124 and 119. Turn right at the Yield sign and then immediately left at the T intersection (heading away from the church), staying on Route 124 North.

Continue a further 2.3 miles on Route 124 North, into the town of Hebron. Hebron Pines Campground is clearly marked, on your left.

## Hunter's Moon - Fencing and Forestry on the Borderlands, August 29-September 1, Shire of Anglespur (Hoosick Falls, NY)

At the very edge of our Shire, on the Borderlands, there will be an encampment to train and ready ourselves for exploration into what lies beyond in the Great Unknown.

There will be Scholas for both Fencing and Forestry, with schedules to be posted here as available. Instruction will be offered by Experts and Outlaws from Far and Anon.

Archers and fighters of all ages will have the opportunity to challenge themselves against brigands and monsters, for we know not what lies beyond our Borders. Schola classrooms, used for Forestry and Fencing during the daytime hours will be made available for board games and games of strategy and adventure in the evenings. Bring your favorite games...

This is the farthest point out in our shire, past our towns and villages. Site is primitive, but there will be port-a-castles in convenient places, and potable water freely available.

Registration fees: This is donation only. Please pay what you can so we can continue running events like this in the future.
