Stellar Majesties

Greetings to our noble populace,

To those of you who read these letters, we thank you for your time and attention. We know that many of you will be reading them on the ride home from Gulf Wars, although a large number of our kinsmen were not able to go this year, and we want you to know that you were missed.

Thank you to everyone, both those who went, and those who did not, for everything you did for the war, the equipment you made, the tabards, coifs, and all the other parts of war prep. We hope everyone enjoys seeing all of the Ansteorran coifs over the next few years as much as we will, and we greatly appreciate the kingdom-wide effort to make them all. An inspirational reminder that many hands make light work and together we can do wondrous things!

P.S. If you see us before Coronation, come up and tell us the secret phrase "Comfort Over All." We will have a small token for you and will explain what it means.

Stellar Highnesses

Greetings Ansteorra,

We had a great time at Gulf Wars! We were able to witness so many acts of valor, honor, service, artistry, skills, and camaraderie it was inspiring. We were honored to participate in many of the activities and and share in the joy of working together to not only win War Points but to forge friendships and bonds that extend beyond the fields and activities of Gulf War. We hope everyone that was able to attend had a great time and got to participate in all the things.

As we return from the great war, drums grow quiet, our feet recover, and we get to relax for a moment, we look to the future. Coronation is fast approaching where we will claim our right to step up as King and Queen and serve this Great Kingdom once again. We plan to travel throughout our lands and attend as many events as we can. Our progress is currently on the Kingdom Calendar and we will be adding our planned circles in the near future. Our goal is to have the opportunity to see and visit with as many of you as possible as we strive to be worthy of this honor.

Although we will be traveling to many areas it is still not possible for us to see all the activities and deeds of our populace. We need your help! When you see someone doing things that impress you, inspire you, amaze you, encourage you, or make you happy, look them up in the Order of Precedence, see if they have an award for that. Put in awards whenever you can, you do not have to have the award yourself in order to put someone in for an

award through AMP. If they have made an impression on you, let us know! We will review all the award recommendations that are submitted.

In Service to the Dream,
Jason and Margherita
Prince and Princess Ansteorra

Greetings Fabulous Kingdom!

Another Gulf Wars has come and passed. Congrats to all who safely made the journey there and back again.

Spring is definitely in the air and fun times are coming! Consider supporting your kingdom by holding an office, submitting bids for events or just going to local events and meetings.

Star Principal Herald

Greetings Stellar Kingdom of Ansteorra, and
Principality of Vindheim from H Frú Sigrun,

March comes in like a Lion and goes out like a Lamb.. and Honestly that describes every Gulf Wars I've been to as well. What a magical time it is, and has been. Also we had COOKIES and CAKES, and so many tasty good things! Every year I say Gulf Wars is the Best and every year, I'm not wrong. I hope it reached your expectations as well.

I would like to recognize Heralds for astonishing feats of goodness:

Hildagua Escarlata de Granada for helping run the Consultation Table at Ravens Fort Enchanted Encounter, even though they have only trained once - and showed their true heraldry suave.

HL Caitilin inghean Ronain ui Cheallaigh - For holding Point Lead at Heralds point for 2 years! Huzzah for a job well done!!

Do you want to check out what it's like in the college of Heralds without the stress of holding the office? All Heraldry and Scribal positions need Deputies! We would LOVE to help you learn more. For those with interest please contact me.

Be good to each other, and please be good to yourselves,
we are better with YOU Here!
Much Love my Friends!!
Keep Rocking The Sable Star!

Sanguine Bastion Herald

Go the Populace of Vindheim and Ansteorra, greetings!
I am chief Herald for the Principality of Vindheim. One of the best parts about being in the College of Heralds is being part of recognizing people for the great things they do. Over the next three months, I am going to send a series of articles detailing the awards of the Principality of Vindheim. This month, I will discuss the awards for Artisans.

The Fountain of Vindheim: This is given for those whose vocal and performing arts serve the Principality.

The Wellspring of Vindheim: This is given for those whose physical arts and sciences serve the Principality.

The River of Vindheim: This is given for those who excel in fidelity to Period style or form in an aspect of their arts and/or sciences.

The Goutte de Vin of Vindheim: This is given to those people who have served the Principality specifically with provision of original award scrolls.

The Company of the Sinople Horse: This is given to those who distinguish themselves in the Arts and Sciences outside of the Principality (usually at Wars, but not always).

If and when you see members of the Principality deserving recognition, fill out an award recommendation card or notify Their Highnesses.

In Service,
Thomas de Groet
CIM, CSM, OLPK

Star Signet Herald

ᚼi everyone,

I hope you're all enjoying yourselves at Gulf War. One of these days I will get there.

The paper order is in and paper will be making its way to the various Regional Officer's either via SCA express, or they can arrange pick up from me at events in April.

We do have the test order on the heavier version of the paper as well.

I'm also asking that scribes do a huge favor as a test and try using workable fixative on their scrolls and charters and give feedback as to whether this seems to help, especially in the more humid areas with smudging of paints and ink.

The March online Scriptorium will still be on Monday night, March 10, 2025, as people didn't seem to have any opinion one way or another regarding change.

We will be accepting applications for Insignia Deputy until 5:00 pm on Friday March 21, 2025. I will begin interviewing after that date.

I also am still in need of a Liason Deputy, which is a non warranted position, please reach out to me for that.

Yours in Service to the Dream and happy scribing,
Rebbe ᚼadassah Sarai bas Yossi

Kingdom Chronicler

ᚼello to Ansteorra, Kingdom of the Sable Star!

Please allow grace for our officers who had no words this month- with time to rest from their travels and travails, the Black Star will have the normal spread of messages in May.

I repeat one more, the Office of Kingdom Chronicler is accepting applications! In all likelihood next month shall be my final edition before I must leave our fair lands. I can, with no reservations, recommend the role to anyone who might be interested- it has brought me great delight to see the wonderful publications of the Kingdom and make a few of my own! The time commitment is also relatively small for a Greater Officer thanks to the deputy team.

Please keep your eyes peeled for the upcoming Farm, Field, and Forest Special Edition! Jessimond of Emickskepe accepted final submissions on March 31st and will have it ready to read in the coming month.

The Kingdom Historian seeks aid! If you are interested in delving into AQnsteorra's history and helping transcribe antique newsletters, please contact Zubeydah at historian@chronicler.ansteorra.org.

With sorrow and love,
Ra'isa Rayya al-Ruqay'ya

Greetings!

The constitution change for Aquila Aurea to have categories and be able to be received more than once (though only once per category) was announced in court at Laurel's Prize Tourney.

My thanks to Fearghus Hawthorne, Abe no Sadasuke, and Etienne de Saint Amaranth for their court reports.
