Ansteorra is a branch of the Society for Creative Anachronism, Inc., and the Black Star is published as a service to the SCA's membership. Subscriptions are available only to members. This newsletter is available online at <http://enewsletter.sca.org/> for current Sustaining, Family, and International members. Memberships are available from the Member Services Office, SCA, Inc., P.O. Box 611928 San Jose, CA 95161. All changes of address or questions about subscriptions should be sent to the Corporate Office.

For the vision impaired: cassette tapes of The Black Star are available from the Leon Travis Harris Library for the Blind and Physically Handicapped, 300 N.E. 18th Street Oklahoma City, OK 73105. (405) 521-3514 or (800) 523-0288. This service is not available for use by the general public.

Advertising rates are free for SCA event advertisements. All advertising is on a space available basis; please see information on <http://chronicler.ansteorra.org/> for more details. Please also see the Publication Policies located elsewhere in this issue. Any ad for early publication should be sent as a half page for space concerns.

All Rights Reserved for each of the above submissions.

Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the

first of the month so that space may be reserved. Anything arriving after the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement each month UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to kingdom@chronicler.ansteorra.org.

Again, please see: <http://chronicler.ansteorra.org/> for detailed information on event announcement submissions.

Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

Her Stellar Majesty

Greetings to Our Fair Kingdom,

As the fall season and cooler weather are finally upon us we turn Our thoughts to the season of gratitude and of gifting. Let us each take a moment to remember the good acts and good people in our lands that have shown brightly throughout the year. I would like to especially thank all those that have lent their support and words of encouragement throughout the past few months. The people of Ansteorra continue to make me proud and humble at the same time with their generosity of time and talent.

I would like to express my gratitude to the event staff of my Queen's Champion Tournament. It was an amazing day filled with feats of skill and valor. I am so looking forward to our Rapier Community displaying their prowess on the field at Gulf Wars.

Speaking of War; another War of the Rams has passed us as well. I am extremely proud of the Ansteorran Army. We will be a force to be reckoned with at Gulf Wars this year. At WotR, we also hosted our first DEI-B Salon to discuss how to make the Dream more accessible to those with disabilities. I want to thank all those that participated. We will continue to strive to make our Kingdom accessible, welcoming, and safe for all.

I wish each of you the happiest of holidays. Feast and Rest during these winter months. Come spring, the trumpets of war will sound and

you will be called to defend your homeland once again!

In service to Dream,
Nicollet, Sovereign Queen of Ansteorra

Kingdom Seneschal

Greetings,

I am excited about being chosen to be the new Kingdom Seneschal. This is something that I have aspired to for a number of years, I know some people will think I am a little nuts for this. I am looking forward to working with everyone in the Kingdom as the new Kingdom Seneschal.

My goal is to serve and help every member of our Kingdom and to treat everyone fair and equally. I want people to know that they can come to me when they have concerns, and I will do my best to help them.

Our Sovereign Queen had an awesome "Queen's Champion" day. This event has always been a special day for the rapier community and for camaraderie that is built and expanded as traditions are shared and tales are told and new memories are created.

War of the Rams was, as always, a memorable time when we got to work together and with our friends from Gleann Abhann to help each of us get better.

Right after that we get to have the 5th Coronet Tourney for the Principality of Vindheim.

The Kingdom of Ansteorra is on the move and new things are happening all over as membership continues to grow. With all of these changes many of us are learning new things, ideas, concepts, and even ways of thinking. Remember to be considerate of everyone around you, both in person and on-line. It is easy for misunderstandings to escalate out of control so please try to de-escalate them when you can and take them off-line and ask questions to clarify before assuming the worst.

Kingdom Exchequer

Greetings,
We have a lot of events coming up, please remember to turn in your reports on time. I will have another open office on Dec 28th from 7 pm to 8 pm. I would love to see more people able to attend. I will post a link for it on the kingdom Facebook and in the kingdom exchequer page the day before. As always if you need help first try your regionals if they are unable to help, please reach out to me and we will see what we can do.

In Service of The Dream,
Lord Sean Mac Daniel
Chancellor of The Exchequer
Kingdom of Ansteorra

Kingdom Minister of Arts & Sciences

Happy Holiday Season Ansteorra,

Holiday season means feasts, dancing, music and arts & sciences throughout the Kingdom. Many of our cooks are gearing up to show you a taste of a period feast. Our musicians are tuning (for those lute players, you should have already started. Those things are very hard to tune). Our dance guilds are teaching dances and preparing to teach at some of the events. Please reach out to ask if dancing will be taught before the ball

starts or if the event has live musicians you can join in and play with. The autocrat should be able to assist with schedules, and our special interest deputies should be able to help if you need assistance.

Several of our groups use this time to select their titled artisan or performer or both. Some of the large ones are Stargate Yule, Weisenfuer Yule, and Candlemas, but there are others throughout the land. If you want to be ready, reach out to your local, regional, one of our kingdom at large deputies or myself, and we can help you find resources to get you prepared whether you are a new or experienced artisan. Here is a link to a basic form: ansteorra.org/artsandsciences/minimum-documentation-form. For those events that require full documentation, this can be a great way to test out your Kingdom Arts and Sciences style entries in a lower stakes environment. Practice makes perfect.

Speaking of officers, the A&S team now has a full set of officers, and you can now reach all the members of the team from the website. You can always reach out for resources and ideas from the team. If they don't know, they can find someone who does and help you get introduced. If you are interested in some of our cultural studies, or special interest groups, I am sure they would love to have you join them as well. Also if you are interested in starting a cultural study group, let myself or your regional know and we can talk about what this is, what this entails and how to get involved.

Our next big arts event is Laurel's Prize Tournament in early February. Laurel's Prize is a tournament where there is no tournament, and there is no winner. So why the name? This event originally had a combination of arts and fighting, but the art thrived to where the tournament was forgotten. This event has grown to be a community building day, that allows you to show a body of work with both complete and incomplete projects. You not only get to meet laurels, but other artists who are doing your art, with the laurels and other artists giving out lots

of largess to those that display. We are going to have some changes this year to limit the time that you must sit at your table. We hope this will better serve the artists that need a little break now and again. No one wants to be strapped at a table all day with no break. We should know where this is being held by the time you see this missive, but this is worth a trip from anywhere in Ansteorra. We had 57 displays last year; let's beat that number at the tournament everyone wins! Can you tell this is my favorite arts event?

Our final event for this cycle is Gulf Wars. For those of you that have been chosen for the main event, congratulations. Know that if you need a second pair of eyes we are all here to help. Let's go enjoy with our friends along the coast and show them what we've got!

I hope the end of the year is good for all and 2024 is even better. I also hope those who observe a celebration at this time can spend plenty of time with family or with chosen family.

Kingdom Hospitaler

My beloved Ansteorra,

It has been a privilege serving as kingdom hospitaler, but it is time for me to step down. The position is now open for application with a deadline of Dec 15th. Please reach out to me if you have any questions.

Kingdom Webminister

Greetings to the Kingdom!

Things continue on the IT side of the Kingdom.

We had a couple updates roll out to our WordPress versions -- the core WP version has been upgraded and many plugins saw corresponding updates. If you are a local Webminister, I recommend taking a little time to check on your TablePress tables that auto-import. Some Webmins reported that the auto-sync didn't engage after the WP version upgrade, so you may need to nudge them to get them to auto sync again. I'm working through the latest batch of quarterly reports and am reaching out to webminsters as needed. Don't hesitate to reach out to me if you have any questions or need help on the IT front.

Kingdom Round Table is fast approaching, so keep your eyes out for calls for classes, calls for volunteers, and other information related to the event!

Kingdom Chronicler

Greetings, Good Gentles, All!

I hope this month of December finds you well. I would like to thank those of you who have been sending in great event ads to the Black Star each month. People have been submitting ads in a timely manner, and that makes my job much easier.

Please continue to support your local Chroniclers by submitting content for them to include! Being a Chronicler is a collaborative effort. The more people who submit, art, poems, articles, and recipes help make the newsletters more interesting and fun!

I am still accepting applications for my office - Kingdom Chronicler. There are a few other positions open for application, including Southern Regional Chronicler. If people have

questions about what is involved in any of these offices, please feel free to contact me.

Ever in Your Service,
Baroness Beatrix Funteyn

Kingdom Minister of Children

Greetings, Populace!

I am writing to you today to talk about planning youth activities at all events and the upcoming holidays.

As you know, children are the future of Ansteorra. It is important that we provide them with opportunities to learn about and participate in our SCA culture. By doing so, we can help them to develop a love of history, creativity, and community.

One of the best ways to do this is to plan youth activities at all events. This could include things like:

- Arts and crafts: Children love to make things. Set up a table where they can make their own SCA-themed crafts, such as crowns, shields, or costumes.
- Games: Games are another great way to engage children and teach them about the SCA. There are many historical games that are perfect for children, such as Nine Men's Morris or Hnefatafl.
- Stories: Children love stories. Tell them stories about SCA history, mythology, or folklore. You can also read them books about the SCA.
- Demonstrations: Show children how to do SCA activities, such as archery, fighting, or dancing. You can also invite them to participate in demonstrations of other SCA crafts and skills.

In addition to planning youth activities at all events, we should also make a special effort to plan activities for children during the holidays.

The upcoming holidays are a great time to teach children about SCA traditions and customs.

I encourage all of you to get involved in planning youth activities for your events and communities. By doing so, we can help to ensure that the future of Ansteorra is bright!

Also We are beginning the process of updating the Handbook and policy changes to the office for questions or concerns please reach out to my office.

Sincerely,
Baron Goldweard
Kingdom Minister of Children

Society Announcement

POSITION OPENING: SOCIETY SENESCHAL/ VICE PRESIDENT FOR OPERATIONS

The Society for Creative Anachronism (SCA) is seeking candidates for the position of Society Seneschal/Vice President for Operations.

The Society Seneschal is considered both a Society and Corporate officer, and is responsible for coordinating the administration of the Society's historical re-creation. This involves directing the activities of the Kingdom Seneschals and of Society-level deputies. Where questions arise concerning the intent of Corpora, the Board specifically authorizes the Society Seneschal to make interpretations and clarifications. The Society Seneschal is also responsible for reviewing all sanction related activities.

This is a part-time stipend position requiring a minimum of 25 hours per week, often more.

Applicants must possess strong communication skills and be capable of interacting with unique SCA personalities without regard to rank or position in the organization. The ability to process and distill large amounts of information from multiple sources is required. Organizational and problem-solving skills are essential. Having held a Kingdom Seneschal position, while not required, is preferred. Applicants must be capable of maintaining a home office space, have access to internet, PC/tablet, printer, and possess word processing skills. Proficiency with Microsoft Office and Adobe Pro is a plus. Ready access to postal service for the mailing of trackable documents is required.

Required skills or background:

- Prior experience in positions of leadership within the SCA or in leading volunteer organizations
- Excellent working knowledge of current SCA corporate documents and handbooks
- Ability to research issues surrounding kingdom and Society rules and policies
- Understanding of how the SCA's sanction and investigative procedures work; direct experience with these procedures is preferred
- Ability to maintain confidentiality of investigations and other confidential material
- Ability to manage multiple projects and oversee volunteers on both Society and Kingdom levels
- Excellent communication skills, both written and oral
- The ability and willingness to communicate via email, phone, and videoconferencing on a regular basis
- Ability to explain policies, delegate projects, and build consensus

The Society Seneschal is responsible for the following duties:

- Oversee directly and indirectly the planning and implementation of all "game side" activities.
- Deal with large amounts of correspondence with many individuals, including but not limited to all kingdom seneschals, royalty, and corporate/Society level officers, especially the President, VP for Corporate Operations, and Executive Assistant to the Board of Directors.

- Meet via videoconference and/or phone with kingdom seneschals, Directors, and other corporate and Society officers several times a month.
- Provide training and advice to kingdom seneschals on a regular basis.
- Present sanction packets to the Board and provide oversight of investigations related to possible sanctions.
- Interpret Corpora and other SCA policies as needed; revise policies and create new policies as needed to facilitate SCA activities.
- Evaluate and create documentation as needed to facilitate a positive experience for SCA participants.
- Quarterly review of all Kingdom Seneschal reports, respond to reports, and refer Kingdom Seneschal requests or questions to the appropriate Society or Corporate officer for assistance as needed.
- Submit detailed quarterly reports to the President and Board, and supplemental reports as needed.
- Attend all quarterly meetings of the Board of Directors, mid-quarter conference call meetings, and other meetings as required.
- Other duties and projects may be assigned by the Board or President.

The Society Seneschal must be available for the four quarterly Board meetings, typically held over a Friday and Saturday or a Saturday and Sunday. These meetings may be held via videoconference or in person. In-person meetings require travel, typically on a Thursday and Sunday. In addition, the Society Seneschal must be available for conference call meetings of the Board four to twelve times a year, typically on weekday evenings, and meetings or calls with officers or directors on an as-needed basis. Additional travel besides the quarterly meetings may be required, typically around SCA events.

Interested applicants should send a letter of interest, together with modern and SCA qualifications, via email, to resumes@sca.org<mailto:resumes@sca.org>.

Applications are being accepted through January 15, 2024.
