Volume 61 Issue 2 This is the February 2024 issue of the Black Star, the official newsletter of the Kingdom of Ansteorra.

Ansteorra is a branch of the Society for Creative Anachronism, Inc., and the Black Star is published as a service to the SCA's membership. Subscriptions are available only to members. This newsletter is available online at <http://enewsletter.sca.org/> for current Sustaining, Family, and International members. Memberships are available from the Member Services Office, SCA, Inc., P.O. Box 611928 San Jose, CA 95161. All changes of address or questions about subscriptions should be sent to the Corporate Office.

Neither The Black Star, nor the SCA, Inc., assumes responsibility for products that are advertised within.

For the vision impaired: cassette tapes of The Black Star are available from the Leon Travis Harris Library for the Blind and Physically Handicapped. 300 N.E. 18th Street Oklahoma City, OK 73105. (405) 521-3514 or (800) 523-0288. This service is not available for use by the general public.

Advertising rates are free for SCA event advertisements. All advertising is on a space available basis; please see information on <http://chronicler.ansteorra.org/> for more details. Please also see the Publication Policies located elsewhere in this issue. Any ad for early publication should be sent as a half page for space concerns.

All Rights Reserved for each of the above submissions.

Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the

first of the month so that space may be reserved. Anything arriving after the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement each month UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to kingdom@chronicler.ansteorra.org.

Again, please see: <http://chronicler.ansteorra.org/> for detailed information on event announcement submissions.

Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

Reports from the Realm

Her Stellar Majesty

Unto my precious Kingdom, Ansteorra,

The holidays have passed and the promise of a New Year has dawned. As a Kingdom we have much to be thankful for. In the coming months we prepare for war with our friends from Trimaris. This will be a time a feasting and camaraderie in the evenings and showing them our prowess as the most powerful army in the known world from sun up to sun down. Now is the time to make your preparations to attend Gulf Wars! Our populace has always been generous with their time, talents, and possessions. Now is the time to remember and help our new populace members. They will need all the things for war - packing lists, garb, feast gear, camping supplies... If you have extra, remember our new populace that may need assistance.

As you read this missive, we have had our Crown tournament and Heirs have emerged victorious. Although at the time of the writing of this missive, I do not know who you are, I bid you welcome. Know that I am looking forward to working with you during the final months of my reign as Sovereign. I am confident that Our Beloved Kingdom will be in good hands.

Speaking of Heirs, I would like to offer my belated but heartfelt congratulations to Prince Romanus and Princess Deanna of Vindheim. May you hold our lands with love and loyalty in your hearts to the populace of Vindheim.

Now to some business:

When emailing the Sovereign, please use the following address:

Sovereign@crown.Ansteorra.org

This will ensure that I am receiving your correspondence and responding in a timely manner.

Award Recommendations: Please have your award recommendations submitted for consideration 2 weeks prior to the event that you are requesting the awards to be received at. Please keep in mind that all of the Scrolls for this reign are unique in their wording and there is no bank of pre-painted charters to choose from. Our amazing artisans need time to paint and prepare charters.

For the polling Orders: Please have your candidates with resumes and photographs where applicable to the Sovereign at least 2 weeks prior to the circle. Proxies are always welcome as I completely understand that you may not be able to attend every gathering of your respective orders. In that regard, proxies are due by midnight, the Friday of the event. To be clear, if the event is on Saturday, the 16th then the proxies are due by Midnight, Friday, the 15th.

May the new year bring peace and prosperity to each of you.

In Service to Ansteorra and The Dream,

Queen Nicollet Deuille,
Sovereign Ansteorra

Kingdom Seneschal

Greetings Ansteorra

Crown Tournament went well and now Ansteorra has Heirs.

Ansteorra will have Laurel's Prize Tournament this month, where there will be many great artisans that will display their works of art and have a chance to learn from Laurels and other artisans.

Gulf Wars will be next month and many of us will be traveling to our lands in the East where we will fight and compete against our honorable and worthy Ancient foes, the Kingdom of Trimaris. I look forward to seeing everyone supporting our Kingdom and our Sovereign Queen.

The Principality of Vindheim is doing well under the guidance of TSH Romanus and Deanna and we are excited to see what their plans for the future of Vindheim are.

All across our great Kingdom groups are preparing for the spring season and so many wondrous events. All kinds of tourneys, contests, demos, and gatherings will be held, and I hope to see every one of you at one of these spectacular events.

I would like to make sure that everyone knows that I am here for you. I have had the honor of working with many great Seneschals in the past and from them I have learned a great deal. Please use your chain of command for everything official along with my official email address.

Kingdom Minister of Arts & Sciences

Greetings Ansteorra!

I hope you are excited about all the great new things we announced at Round Table. Remember art is not about what you put on a table it is about what we do to help us all find something that give us joy. So share share share. Laurels Prize is in a few weeks. I hope everyone likes the new format and virtual option. Remember if you need anything else to be successful at LPT, our accommodations deputy is just an email away.

Gulf war is imminent as well. Please come out and support our artists as they represent Ansteorra for our arts war point. Also remember that the competition is on Wednesday this year. I encourage each and everyone one of you to take a class at war. This is a unique opportunity to learn something you might not have access to in kingdom.

Finally as the winter turns to spring tournament season. Make something new as or for a fighter. You will be glad you did.

Star Principal Herald

Greetings Ansteorra,

I hope everyone had a great time at Round Table and that you learned something helpful. We are continuing to move forward as a College to offer more opportunities for digging deeper into all the heraldic things. If there are any classes you would like to see taught or would like to teach in the near future, please reach out to me and we'll set up a day/time/place for that to happen. Also,

heraldic officers, please remember that reports are due monthly. Please check the heralds website for dates and forms.

Many exciting things are happening this month!

It is a one day intensive curated seminar that highlights heraldic duties. It is taught by some of the best and most knowledgeable heralds in Ansteorra. Everyone is welcome!

February 18th & 24th - Battle of the Pines, Battle of the Beasts, & Viking Raids. Heralds are needed for these events. Please reach out to the Herald in Charge if you would like to help.

February 20th - Heraldic Happy Hour at 7:30 PM on Google Meets. Details will be posted in the Ansteorran Heraldic Facebook Group the day of.

Gulf Wars is next month! If you would like to help out, please check out the Gulf Wars website. Heralds' Point will be active again assisting anyone who would like to register names and/or armory. Please consider helping out or sitting in on the consultations - there is always something new to be learned! Kingdom Webminister

Greetings to the Kingdom!

I am happy to report that we are entering the new year on a good footing. There are a few tasks on my holiday todo that should be complete by the end of January

- * our Kingdom Wiki needs a version upgrade. We use MediaWiki and I'll be moving us forward to version 1.40. This should resolve the issues where new accounts aren't getting confirmation emails
- * I should be circulating a Draft of a Kingdom Webministers Handbook as well as a Data Policy. I'm coordinating with SocWeb on this to bring our Kingdom forward to a healthy and clear web policy

Look for recordings from multiple web-related classes at Round Table focused on leveraging IT to make announcements and calendar management easier and cross-office collaboration!

I'm also planning to work on Live Streaming

upcoming Courts and Kingdom Tournaments -- make sure to watch, Like, and Subscribe to our YouTube channel!

Stay warm and stay safe!

Kingdom Youth and Family Officer

To the Kingdom of Ansteorra,

With a heart full of hope and excitement, I write to speak of a significant change within the Ministry of Children, one that reflects the evolving needs and aspirations of our youth and families. From this day forward, our office shall be known as the Ministry of Youth and Family. This new title embodies the breadth and depth of what we strive to achieve: fostering a vibrant community where young people and their families can thrive, learn, and connect within the tapestry of Ansteorra. This change was written into law at Round Table.

This change is not merely a semantic shift. It signifies a renewed commitment to inclusivity and representation. We recognize that "youth" encompasses a diverse range of ages and experiences, and our ministry aims to serve them all, from the wide-eyed page to the seasoned young adult. By embracing the concept of "family," we acknowledge the vital role parents, guardians, and loved ones play in shaping the lives of our youth.

To further solidify this evolution, the titles of our officers will also be updated. They shall now be known as Youth and Family Officers, each dedicated to specific areas of service within our ministry. This new nomenclature better reflects their roles and responsibilities, ensuring clarity and ease of communication for all.

Of course, with any change comes a need for

adaptation. Our official email addresses will be transitioning to reflect the new ministry name. We encourage all local officers to consider adopting "youth" as part of their email addresses as well. This simple step will make it easier for newcomers and families to connect with us directly, fostering greater accessibility and engagement.

We understand that change can be unsettling, but we believe this transformation is a positive step forward for our Kingdom. By embracing a more inclusive and holistic approach, we can create a stronger, more vibrant community where youth and families feel empowered, valued, and supported.

In the coming days, we will share more details about this transition, including specific email address changes and resources for local officers. We encourage you to join us in this exciting new chapter, and to reach out with any questions or concerns you may have. Together, let us build a brighter future for the youth and families of Ansteorra!

With warmest regards,

Baron Goldweard of St. Goliath

Society Announcement

The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants.

These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.

The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space.

Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.

Note: Changes to corporate offices don't require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.

This restructuring aligns with better practice for organizations that aim to improve recruiting and

retention by creating welcoming and inclusive environments.

Recruiting and Retention structural changes for member commentary and verbiage change to Corpora.
