Words From Their Majesties

To the Noble Populace of the Kingdom of Artemisia,

As Our reign draws to a close, We find Ourselves reflecting on the incredible journey We have shared with each of you. It has been Our deepest honor and privilege to serve once again as the King and Queen of Our beloved Kingdom.

Our time as your monarchs has been enriched by the unwavering dedication, passion, and spirit of each member of this Kingdom. Your efforts, whether in the arts, sciences, martial endeavors, or service, have been the cornerstone of Our reign and the heart of Artemisia's enduring legacy.

As second-generation SCAians, this experience holds a special place in Our hearts. Growing up within the Society, We have been deeply inspired by the traditions, values, and camaraderie that define our community. To have the opportunity to serve as Crown and give back to the Society that has shaped Our lives is a profound honor.

We extend Our deepest gratitude to the officers, event stewards, and volunteers whose tireless work behind the scenes has ensured the success of events and the smooth governance of Our realm. Your dedication to duty and the well-being of Our kingdom has been truly inspiring.

To Our retinue and staff, We owe a special debt of gratitude. Your unwavering support, hard work, and commitment have been instrumental in allowing Us to fulfill Our duties. Your efforts have made Our reign smoother and more joyous, and for that, We are profoundly thankful.

To Our beloved populace, who have supported Us with unwavering loyalty and kindness, We are eternally grateful. Your smiles, words of encouragement, and steadfast support have been the wind beneath Our wings, lifting us in times of challenge and triumph alike. We thank you for embodying the very essence of The Dream. You have inspired countless others to strive for excellence.

As We pass the Crowns to Their Highnesses Ronan and Clare, We do so with hearts full of gratitude, pride, and hope. We have every confidence that the Kingdom of Artemisia will continue to flourish and shine brightly under Their care.

Thank you for allowing Us the honor to serve you once again. May the Gryphon's spirit continue to soar high in each of you.

In Service to The Dream,

From the Society Chronicler

AS 57 William Blackfox Awards

Greetings, Good Gentles,

The Chroniclers of the Known World are producing wonderful publications that add so much to each canton, barony, and Kingdom, as well as our Society as a whole. Every group from the smallest shire to the biggest Kingdom brought forth so much information, entertainment, knowledge, and light; writers, artists, photographers, cartoonists, and others all working together to brighten our lives and increase our knowledge and awareness. There were so many wonderful articles, poems, short stories, and more.

Check out your newsletters! The William Blackfox Awards nominees were such a joy and privilege for me to go through. If you have not been reading your group newsletters, now is a good time to start! What you can learn may amaze you or may even pique your interest to try something new.

Also, please make your own contributions to your newsletters and you may someday see your name and work in this list. All Kingdom Chroniclers should encourage your group chroniclers to get your populace involved in showcasing their work. Baronial newsletters have no size limitations. You can publish art, stories, poetry, articles, anything and everything SCA related that would be of interest to the populace and be of help showing the talents of the people to a broader audience.

Recipients of this prestigious award will receive a Master William Blackfox token, a certificate, and the right to use the following in their newsletters with the Blackfox logo:

“Master William Blackfox Award Winner (or also, Commendation or nominee), [category], AS LV (57)”

Special thanks to my judges, Asta and Ceridwen, who assisted me in the judging of the A.S. 57 William Blackfox Awards nominations and choosing winners. There were some tough choices made.

And now, with no further ado, I present the Master William Blackfox Awards for A.S. 57! Well done, everyone!

With thanks,

Cecilia Blythe, OP

Random Carp that I have learned...

A look at modern practices and their medieval sources

by K. Braden von Sobernheim

As we are deep in the throes of oblong ball season, you see broadcast images of these massive structures filled with screaming fans. Not a new concept, since they all trace their roots back to the Roman Colosseum, which was and still is the largest (by size) amphitheater ever built. Pushing 2,000 years of age, the max capacity was about 80,000 spectators. It still ranks in the top 40 in capacity for stadiums.

So what stadiums have the largest capacity? Those familiar with college sportball will be quick to point out that 7 of the top 10 highest capacity stadiums are all homes to college football teams. However, the top 2 are not. In 2nd place, with a capacity of 150,000 is Rungrado 1st of May Stadium. Built for the national football (that's soccer for you yanks) team. This stadium is located in cozy Pyongyang, North Korea. In the top spot, capable of seating up to 250,000 excited Romans, was the Circus Maximus. Just 3 blocks from the more massive Colosseum, the Circus Maximus was over 2,000 feet long, 350 feet wide, and the setting for annual public games. On the upside, being pre automobile, parking wasn't an issue... And now you know more random carp.
