Stellar Majesties

Greetings Ansteorra

Hope everyone is making sure they are staying hydrated during the summer days. We will be heading to Pennsic at the end of July through August to enjoy fighting/social/classes/shopping all the things.

We are happy that we were the Crown that was given the honor of creating a new Peerage, The Order of the Mark that recognizes the missile community. We opened the Order with 3 Premier members as specified by the Board of Directors. We expect that during our reign there will be other deserving people nominated to this new Peerage and that even more will follow in the future as the community continues to flourish.

We will have a new Vindheim Coronet by the end of June and then we will prepare for our Kingdom Collegium on July 12, 2025 where there will be a lot of different classes for everyone.

We are thankful for all the wonderful award recommendations that are coming through the AMP portal. We appreciate everyone's input and look forward to recognizing more worthy members in the future.

As we enter the warmer months, please be careful to hydrate and not get overheated!

In Service to the Dream,
Jason and Margherita IV

Greetings Stellar Kingdom of Ansteorra, and
Principality of Vindheim.

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate.
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date.

Kingdom Minister of Arts & Sciences

Greetings Ansteorra,

Congratulations to Vitalis Gabrielle Venier
della Mare for becoming the Premier
Principality Artisan of Vindheim. Thank you
to Vindheim minister M Marguerite Dinard
and her team for creating this opportunity to
showcase Vindheim arts and sciences. Having
seen so many of the amazing in progress
entries at Laurel's Prize, I know arts and
sciences is alive and well in the North.

Kingdom Collegium is coming soon. The site
has plenty of room for wet, messy, and hot
classes. Come down and take this opportunity
to learn some of the arts we usually don't have
a good place for. For those in the martial
communities, we will be running a track of
opportunities to do authorizations. If you
want to authorize in one of the martial
disciplines, this is a great time to do that.
There is such a wide diversity of classes and
activities, I can't wait to go to classes and learn
new things.

Kingdom Arts and Sciences is right around the
corner. If you missed the class at Warlord on
the new interkingdom score sheets, or the
consultation table at crown, come take the
class at Kingdom Collegium. We have
expanded categories within our three
disciplines and this should be a better guide for
what judges are looking for. Just a reminder
that your
documentation is due two weeks before to
allow us to organize the best judges and pre-
read your project.

Enjoy your Summer!
