Last of LIX Challenge

Join Their Majesties Fabian and Eliška in celebrating contributing to the Kingdom!

There are seven categories of activities that support and grow the Realm and its people. For each category that you participate in, you will receive a token, and anyone participating in all seven will receive a bonus token.

The Challenge begins with Coronation and ends at Beltane. Please use the Kingdom social media channels (Facebook and Discord) to inspire others by reporting your activities - or those of your friends - using hashtag **#LastOfTheLIXChallenge** - and remember that while not required, pictures make everything more fun! (And video makes it even more fun!!)

This challenge is open to all Westerners, and those who are a Westerner at heart: this includes those who have moved and those who visit so often they may as well be Western. For others, if their activities are in service to the West or to a Westerner, we are happy to include them as well.

Important note: Entry into Their Majesties Crown Tournament in March will be dependent on the aspiring couple having completed at least 4 activities between the two of them. These activities can be from as many or as few categories as you choose, though we encourage you to explore multiple ways to enrich the kingdom by performing different activities.

You can find examples of the seven categories and learn more about the Challenge at www.westkingdom.org/aslix/challenge. You may also post questions regarding the challenge to the challenge coordinator Sunwolf Baird at sunwolf@westkingdom.org.

Please use the [Challenge Reporting Form](#) to report your challenge submissions.

Cynagua/Mists War

May 9, 2025
