FROM THE CHRONICLER

Greetings unto the Populace of our fair Kingdom,

WARNING.... SUMMER APPROACHES! The oppressive heat, the sweat, and thus the swamp butt. Yes I said it, you all know it's a real thing especially down here in Louisiana. Please prepare yourselves, please hydrate and please do not pass out in your full armor at fighter practice. Do you know how hard it would be to explain that to the EMTs. Trust me, you will become the story told over and over for EMS.

With summer here, it means less events, less travel, less time with friends. Summer brings time for A&S projects. Do you have a plan for a project or better yet, projects? Gleann Abhann Arts and Sciences is slowly approaching and will be here before you know it. I say this because well, I too am procrastinating.

Do other people get as stressed and intimidated by Kingdom A&S as I do. I hope it's not just me. I'm already stressing and I haven't even started a project. I stress about time, about the project, about documentation, the dreaded documentation. I should probably get started on something, before my green belt gets revoked.

Drop me an email and tell me about your project. I would love to document someones project through the summer in the Ambassador. A step by step all the way up to A&S.

Meet the Peer

Mu'allimah Dia Ramberti

Order of the Pelican

What is your persona and what drew you to it? 14th Century Persian. I get to wear pants! Seriously though, I love everything about the culture.

How did you find the SCA? In 1996 I meet a couple while playing Everquest. They invited me to come see what it was all about. I immediately fell in love.

What was your first SCA event? Three Kings in Ansteorra

What SCA activities are you the most interested in? Heavy fighting, exploring the Persian arts

If you could start on your path again with all the knowledge you have now, what if anything, would you do differently? I wouldn't do anything differently. My path made me who I am today. The trials I had on my path made me a stronger and kinder person. I guess if I had to pick one thing to change. Emma would have been there at my elevation.

What is the best advice you received about being a peer? Be true to yourself. Never change who you are.

What is the worst advice you received about being a peer? I can't think of any at the moment. But I believe all advice is willing meaning even the bad advice. Because advice is just a suggestion based on someone's experience. And it might have been bad advice for that person

What is the one thing you wish someone had told you about being a peer? I wish someone had told me that every thing I do and say is now looked at differently because I am a peer.

What's something people try to tell you is peerlike, or is not peerlike, that you disagree with? This is a hard one. Everyone has different opinions on what is peerlike. I just agree to disagree with those that have very different opinions than my own.

What is your favorite SCA moment? I have so many. But if I have to give one it would be given a buckeye by the King of Ansteorra when I was brand new in the SCA. He told me that everyone has a part to play in our game and to enjoy every minute I am given.

For Fun - What SCA skills have you learned that would help you survive a zombie apocalypse? I can shoot a crossbow, cook over a fire (although I HATE cooking) and make alcohol!

For Fun - What is your favorite cuss word? F@\$%

For Fun - Is a hotdog a sandwich? Why or Why Not? Of course it is. It meat between bread!

THE STORMBORN PETS

Coalson owns Viscountess Dame Christine O'Neill of Cork

Age: 5 years Favorite Food: None

How did your pet adopt you? After Duke Sir Stephen Wolfe's funeral, I accompanied Duchess Jacqueline to Master James the Beekeeper's florist shop. He routinely helped orphan kittens find their forever homes and just happened to have three (or more) little ones in his shop. One of these little ones fell in love with Teagan and wouldn't leave her alone. I fell in love with a calico baby. We left but quickly realized we needed these little guys in our lives so we went back. We didn't mean to but we walked out with 3 babies that day. Little Polly Louise (RIP 😞), Daisy Bob, and our little man Coalson Gene. He was Polly's brother and we couldn't leave him. They came into our life because of loss but have brought us so much love.

Favorite toy? Birds outside...although he can never touch them Biggest dislikes? His sister, the dog
Trained or living the best life? He can sit for treats but living his best life.

What would her speaking voice sound like? Forrest Gump

His perfect day? Getting feed early, nap, getting lunch, nap, BIRDS, more BIRDS, dinner, nap, then bedtime. And oh, Bowie is at an all grooming appointment.

Favorite Thing about Coalson? He was lost for over 24 hours IN our house because he fell behind the refrigerator and wouldn't meow for help. He did it again the next day, it didn't take us 24 hours to find him that time. We had to put something on the refrigerator to block him from doing it again.

Check it out, Bataar! I finished my tunic!

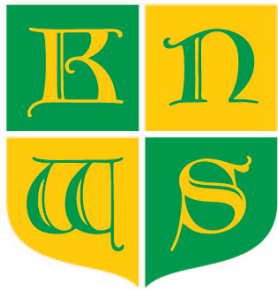

That's great, Ethan! So, what have you learned working on your own tunic?

Well, I made a lot of mistakes. First, sewing your finger hurts. A lot! Second, seam ripping takes forever when you make a mistake.

But what I hated the most was sewing air for 15 minutes because the bobbin was empty!

HOLDING HONOR AND
COURTESY ABOVE ALL.
