We want to thank everyone who made the pilgrimage to Pennsic. We had an amazing event with everyone. The rain showed us we can work as a team and take care of our own. The Battles showed us that even a small contingent of outlanders can turn the tides to victory. We love the family we are and the new friends we made. We are looking forward to flights of fury and the amazing shoots they have planned. We hope many in the kingdom can join us. We cannot wait to spend some time with you all.

### From the Seneschal:

Beloved Outlands,

I would like to thank everyone who volunteered and participated in this year's Battlemoor. It was a wonderful event in a beautiful space. I have been holding feedback meetings with the different Mains and their staff to see where we can improve for next year and well into Battlemoor's future. We have been looking at some improvements for next year, including better communication on site and with the modern world. More to come on this exciting update in the months to come.

The Office of the Seneschal is working on many tasks including the new Event Steward Handbook, Officer Onboarding, Demo Handbook among projects. The most exciting news is the return of StagsCon. StagsCon will be hosted by Drag-onsspine, but located in Pubelo, CO for ease of travel from the south. The Event Steward, Master Adelic Falke, Sir Alexander, and I have been working on programming that will be both informative and fresh. We hope to debut all of the projects the kingdom has been working on at StagsCon and encourage everyone to attend to bring their feedback, creativity, and ideas as we build what we want to see in the SCA.

This issue of the OH includes the latest project from the Seneschal's office – the Bullying Decision Tree. This tool is intended to help the user with filing a bullying complaint and what action the SCA can take with a complaint. If the bullying occurs outside of an SCA space, for example on a Discord that is not hosted or moderated by the SCA or Kingdom, unfortunately this is beyond my Office's jurisdiction. Many times, conflicts are solved with a mediated discussion between two parties and my Deputy, Master Juan Balthazar Tegero. Please feel free to reach out with any questions, comments, or concerns after viewing the two-page document, published in this month's OH. Many thanks to the team who made suggestions and corrections. We will continue to refine this process as updates are made to the SCA's processes.

Moving into our fall season, I am looking forward to Kingdom Collegium and maybe putting together a class or two myself. The research and knowledge of the Outlands will be on full display in how we share our knowledge with each other and the Known World.

Be Kind,  
 Baronôssa Ays,e al-Rumiyya  
 Outlands Kingdom Seneschal

### From the Heralds:

I write you today again concerning the College of Heralds of the Outlands. This is a continuing series of letters broadly about the structure of the College of Heralds of the Outlands (and College of Arms at the society level); the College is separated into three main categories, Book Heraldry (names & armory), Voice Heraldry, and Protocol Heraldry. Last month we discussed the Book heralds, this month we will talk about the Voice Heralds

The second branch is headed by Plover Herald with Blue Iris Herald as their second. Plover works with our education heralds to train town criers, tournament callers, and court heralds to communicate with the populace the words of the Crown and the deeds on the Field. Blue Iris is the Queen's Herald and ex officio chief Court herald. While the office of Blue Iris changes with each Crown, a good candidate for this is someone who has been a baronial court herald, and gotten some of the litany down. The baronies of the kingdom would gladly welcome interested heralds to train in all the different specialties, and voice heraldry is just one facet.

Blue Iris also works with Gimlet Herald (our ceremonies herald, currently Duchess Anna MacTaggart) to conduct Their Majesties' Courts. Gimlet and Blue Iris are responsible for creating the pomp and ceremony which makes this game feel more medieval and project the royal Majesty.

The office of Plover is currently vacant, and the college is open to receiving letters of intent for the position. If you want to know more, please reach out!

### From the Earl Marshal:

Unto the brilliant and dedicated populace of the Outlands do I send greetings!

I am excited to announce the beta releases of the new Outlands Authorization Portal! This is a web/browser based marshal authorization portal that can be accessed through a web browser on your digital device of choice!

This is a BETA release to increase accessibility to marshal authorizations by the mighty Outlands Populace.

TLDR - new BETA release authorization portal is available to increase accessibility to marshal authorizations. There will be bugs! Be kind! My predecessors and their teams are fabulous and I appreciate them! Both virtual and in person training for the marshalate and MOLs on the new system are scheduled.

#### POPULACE:

This is a BETA release, which means we \*will\* find more bugs (we have stomped out many, but bugs are prolific!). If you encounter an issue, please submit a ticket via the "Report an Issue" link so that we can address it as soon as possible. "We" in this case actually means Doña Ibara - a singular volunteer that has made this new version a reality and will be addressing any technical issues that arise - and myself. Please be patient! Please be kind! We want this to work well even more than each of you does, and as ever, there will be growing pains.

To access the portal go to [auth.outlands.org](http://auth.outlands.org)

From this site you can search your SCA name (or a portion of it and select yourself from the drop down menu), and if you have an authorization on file you will be able to access ALL of your authorizations in one place!

You can also hit the view PDF link on your authorization to save, download, and print a PDF which can be used as proof of authorization as well as the digital format!

IF your name or authorization is highlighted in RED; this either means that your authorization and/or membership has expired since you were authorized - if your membership expired since the time you were authorized all of your authorizations will be marked as expired; please see your local authorizing marshal to get reauthorized and update your membership expiration

IF you believe there is an error with the data for your authorization and you are incorrectly highlighted in red, PLEASE use the REPORT AN ISSUE link so that we can double check the data

MARSHALATE/MOLs: Since this is a BETA release aimed at increasing accessibility to authorizations for the populace, it means that training within the Marshalate and the Ministry of the List is forthcoming. In person and virtual training times will be available during this transition.

Please email [earlmarshal@outlands.org](mailto:earlmarshal@outlands.org) and [rapiermarshal@outlands.org](mailto:rapiermarshal@outlands.org) if you would like to attend one of these virtual training sessions.

Authorizing marshals: August 19, 7pm and September 4, 7pm

MOLs and Knight Marshals: August 27, 7pm

In person training will also be available at the following upcoming events via Doña Ibara:

Northern Prize & Baronial Champions, Stags Con & Crown Tournament

We will be phasing out StagsApp over the next two months, and moving fully to the Outlands Authorization Portal on October 1, 2024. Both Stags App and Outlands Authorization Portal authorizations will be accepted as valid proof of authorization until that date.

#### AND NOW FOR THE MOST IMPORTANT PART OF THIS POST (GRATITUDE)!

I want to give a huge thank you and credit to Doña Ibara for creating this new tool for the OUTLANDS. She has created this version and I believe it will be well worth the wait! Also, a huge thank you to Groff Iohann for his support in creating this new tool!

I want to thank my predecessors Her Royal Majesty Adrien and Baron Ronan and their teams of volunteers for all of the work they put into previous iterations, which allowed us to keep doing what we love (competing/fighting) by maintaining the corporate requirements we have to adhere to. I also want to call out Baron Bernardo for helping me maintain the technical requirements to keep StagsApp as functional as possible during my tenure as Earl Marshal (I do NOT tech).

Without these volunteers and their COUNTLESS hours of work, we would have been in multiple different pickles over the last few years. And finally, I want to thank YOU, the populace of the Outlands, for your patience as we have navigated (and will continue to navigate) the challenges of such a monumental change from a paper system to a digital one.

Thank you all!

Please remember to be kind to our volunteers, our friends, and ourselves as we continue to move forward.

Your Friendly Neighborhood Earl Marshal,

Countess Beatrice de Craie, KSCA

**From DEIB:**

Greetings glorious Outlands!

With Battlemoor said and done, I do want to give some thanks to everyone who helped and made the accessibility camp what it was. My biggest thanks goes to my accessibility deputy, Lady Guinevere of Nahrun. Without her guidance and help, I don't think we could have what we did. It's a base to build off of and I can't wait to see what happens next year! Also thank you to THL Frogge (who was Guinevere's deputy), my Regional deputy Lady Aurelia, and my Programming deputy, Mistress Akilina, for their work and support. And of course, my biggest thanks to Her Grace Slaine and Lady Aleysia for listening to my ideas and letting me run with the concepts I had in mind. Their support helped make this happen. The thing I have learned the most about the Outlands in these last few months is that we stick together. There have been hard times, and there will continue to be some hard times that will shake things up. The SCA continues to grow and evolve - and for me, that's one of the reasons I want to continue playing and play here in the Outlands. You have all made me proud to serve this kingdom.

I will be stepping down from my office at October Crown in the barony of Caer Galen. Myself and Her Excellency Ayse will be accepting Letters of Intent until October 1st, at [dei@outlands.org](mailto:dei@outlands.org) and [seneschal@outlands.org](mailto:seneschal@outlands.org). The description of the office is as follows:

The Diversity, Equity, Inclusion and Belonging Officer is a Greater Office, and is responsible for upholding the tenets of DEIB set in the official Society DEIB handbook, and promoting a diverse and accepting environment in the Kingdom of the Outlands.

This includes but is not limited to: accessibility, education, mediation, support for the various kingdom officers, and a voice for those who need it. If this sounds like you, please send a letter of intent with your SCA and modern qualifications to Her Excellency and myself. I look forward to seeing who will help this kingdom continue the work we have done and will do in the future.

Thank you all for your continued support!

Sincerely,

Hardwin Godricson  
DEIB Officer

**SCA Policy on Harassment and Bullying**

Revised 7/24/2022

The SCA prohibits bullying and harassment of all individual and groups.

Bullying is ongoing and unwelcome behavior which involves the use of influence, threat, intimidation, or coercion to cause hurt or harm to another person or group of people. When the bullying behavior is based on a protected class, that behavior is defined as harassment. Protected classes include race, sex, religion, national origin, gender, sexual orientation, age, or disability.

The test for bullying is both the reasonableness of the behavior and the impact of that behavior on the recipient.

Bullying and harassment may be overt, as in the following non-inclusive list of examples:

- ◆ Verbal abuse, including using racial, homophobic, transphobic, ableist epithets, etc.
- ◆ Non-consensual physical contact, threats of violence, or threatening gestures
- ◆ Displaying material that is offensive, degrading, or threatening to a protected class
- ◆ Consistent demeaning remarks or malicious teasing
- ◆ Stalking or predatory behavior

It may also be covert, as in the following non-inclusive list of examples:

- ◆ Spreading rumors or innuendo with malicious intent.
- ◆ Deliberate exclusion, isolation, or alienation of an individual without just cause.
- ◆ Using rank, title, or office to intimidate others.

Provided that the behavior does not rise to the criteria listed above, bullying and harassment is not:

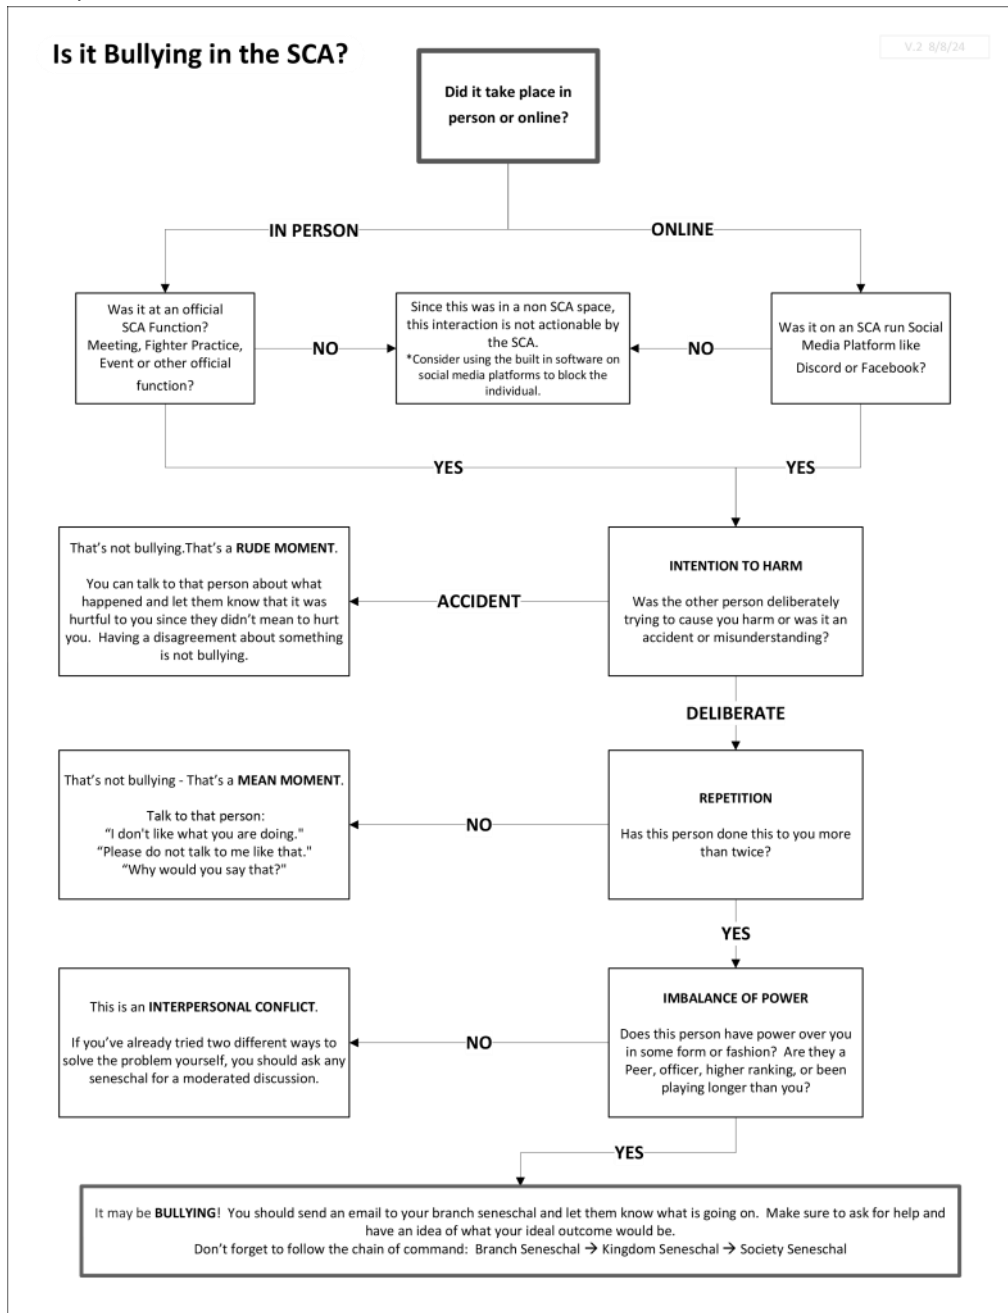

- ◆ Single episodes of social rejection, dislike, tactlessness, or forgetfulness
- ◆ Mutual arguments, disagreements, or fights
- ◆ The termination, mutual or not, of a romantic relationship or friendship
- ◆ Reasonable constructive feedback or critique
- ◆ Reasonable instructions or guidance issued by officers or agents of the SCA in the performance of their duties.

Participants engaging in bullying/harassment are subject to appropriate sanctions. If an individual believes they have been subjected to or have witnessed harassment, bullying, or retaliation, that person should contact a seneschal, the President of the SCA, or that kingdom's Board Ombudsman.

The following statement must be posted at gate/troll at every SCA event in a size large enough for people to see it as they enter our events. This language must likewise be quoted in ALL site handouts at every event or site where a handout is made available.

**THE SCA PROHIBITS HARASSMENT AND BULLYING OF ALL INDIVIDUALS AND GROUPS.**

*Participants engaging in this behavior are subject to appropriate sanctions. If you are subjected to harassment, bullying or retaliation, or if you become aware of anyone being harassed or bullied, contact a seneschal, President of the SCA, or your Kingdom's Board Ombudsman.*
