To the glorious Kingdom of the Outlands do we Fjolverkr and Melissa send our love:

What began on a solar eclipse ends in a historic gathering of friends and family at Battlemoor, now with 100% more coronation!

Our first event took us to the War of Phoenix where we witnessed an endearing renewal of vows with The Grim Horde, a deluge of epic proportions during the entirety of the Outlands Prize Tournament, and Atenveldt provided personal guard from the Spatharioi to enact much violence with Her Majesty on the fields of battle!

Winter Oasis and Dragonsspine Arts and Sciences was amazing. We began finding new armigers of the Kingdom and watched brave souls mounted on wooden horses slay the day away!

Feast of the Valkyries took His Majesty to the northernmost reaches of the Outlands where the legendary tales of marshal prowess compelled an offer of Knight-hood in the Shire of Plattefordham!

Gulf Wars, a favorite of His Majesty, was attended for the first time by Her Majesty. The mounted procession surrounded by elated Outlanders, banners waving in the wind will forever live in our memory!

Kingdom Arts and Sciences was riveting. The King's Champion harnessed the electrifying energy of the day through felted means of creativity!

Crown Tournament tested the mettle of all who attended in the face of a traditional demonstration of Outlands weather. Back to back unbelted Princes, with the first time an Outlands Master of Defense won by right of arms. We wish our Heirs a prosperous reign!

Grand Outlandish and Die Turniere um Gurkensschulcht saw many worthy gentles elevated. Newcomers found joy in attending their first event. We had the honor of meeting many children and were inspired by their enthusiasm and the spark of joy in their eyes. It was a timely reminder that our Kingdom will continue to thrive through the involvement of kiddos and newcomers!

His Majesty will be chaperoning our Heirs during two final Wars, Lillie's and King's Road. The sun will set on our service at Battlemoor, surrounded by family.

We thank you all for your support. This was truly a memorable experience.

With all of our love,
Fjolverkr and Melissa

Proposed Constitution for the Order of “The World Guilders of Caer Galen”

I. There shall exist in the Barony of Caer Galen an award known as the Order of The World Guilders of Caer Galen, which may be given by the Coronet, subject to the pleasure of the Crown, to those persons who have enhanced Caer Galen through the development and display of period researched personas.

II. The holders of this award shall be styled as World Guilders, and shall be entitled to place the letters W.G. after their names.

III. The insignia of the Order shall be a small golden orb hung from the belt or a necklace, or the registered badge of the Order: Azure, A hand erased maintaining a orb Or upon a seme’ of Harps Argent.

VI. The companionship of all previous recipients of the Order is hereby confirmed.

As a master craftsman adds the final touch of gilding to a work of art, so too can the joy and beauty of our Great Barony be further gilded through the development of persona. There are those among us who strive to portray the world as it was- to transport us to another time and place as if they themselves had stepped from the woodcuts of a bygone era. These souls, through research into their appearances, mannerisms, fighting styles, and arts apply that final touch to our lives.

It is to recognize this detailed and passionate work that We, _____ and _____, Fair and Songful Baroness and Baron of golden Caer Galen, do recognize _____ for such endeavors, and We do name [him/her] as a World Guilder of Caer Galen. Let all who come by these words know that it is by said Guilders’ actions that our Barony shines ever the brighter.

To be set into the memory of the Barony on parchment, wood, or even wrought in gold itself, on the _____ day of _____, Anno Societatis _____, being _____ in the common reckoning, so say We
