Words of the Crown

Hreetings Drachenwald!

Even though it feels like We have just stepped up and taken Our place on the Black Dragon Thrones, it is time to talk about the Crown Tournament!

We want to encourage those that have considered entering the Crown List to send in your letters

of intent sooner rather than later, more information can be found here: <https://drachenwald.sca.org/offices/seneschal/participate-in-crown-tourney/>

The format will be as follows: A round robin best out of three. The four with the most points will face each other in the semi-finals, which will also be fought as best out of three. The points will not carry over but will be restarted during the semi-finals. The two fighters with the most number of victories (not bouts but victories) from the semi-finals will face each other in the finals, to be fought as best out of five. If a fighter runs into the edge of the list field causing a hold three times, they will be considered to have fled the field and thus it will count as a loss. Pushing an opponent into the edge of the list cannot be used as a means to gain a victory in a bout. Double kills will be considered a loss for both parties and will only be re-fought if needed to determine a victor.

We would have it known that We intend to hold a Curia online in March and again at Spring Crown, to address changes in Corpora, some old business and some new. The two formats are to make sure that as many as possible are able to make their voices heard. For more details, see the Drachenwald calendar (<https://drachenwald.sca.org/events/calendar/#/drachenwald/18-mar-2025/drachenwald-online-curia>) and under current proposals on the Law council's page (<https://drachenwald.sca.org/offices/seneschal/law-council/>).

We are looking forward to seeing all of you at this event or any other event where our paths cross.

Greetings from the Seneschal

Hreetings

Hope you all doing good!

Their Majesties Æríkr inn Hárfagri and Jacquelyna de Belmont will hold two Curiae. The first will be online and the second at Spring Crown. This is an opportunity for people in the Kingdom to advise the Crown before they enact change to Drachenwald law.

In the Law of the Kingdom of Drachenwald you can read:

1.03.3.1 Before changing any laws of Drachenwald, the crown must consult their council, Curia

Their Majesties have worked through the proposal with the Law Council. You can read more about the proposal in Dragon's Tale, our website and on social media.

If you don't have the opportunity to attend Spring Crown please join us for the online Curia.

We are still looking for a group to host Kingdom University 2025. Any group in Drachenwald can send in a Bid

Friday night and Saturday offer plenty of time to cross weapons, get inspired, and have fun. This event is mainly for learning and training heavy and light fighting. But the extremely relaxed atmosphere also attracts many non-fighting folks, so expect the usual fun in a slightly improved setup.

**Drachenwald at SCA 60th Year
Celebration Event
29 June - 07 July 2026
Drachenwald - USA**

The SCA is celebrating 60 years of sharing our dream. Drachenwald will have a camp at the event where all Drachenwalders are welcome to camp.

Site

Hendricks County Fair Grounds, 96 N County Road 200 E, Danville, IN 46122-9011, United States

This is the same site as was used for SCA 50 years. It is a large fair grounds with plenty of flat space for camping. Centrally on the grounds there are several large paved areas with roofs but no walls where activities such as fighting, fencing, A&S, equestrian etc take place. There will be plenty of merchants for all kinds of stuff and food. There is one building that is air conditioned with a large exposition hall where the history display will be held. There are plenty of bathrooms and showers in small buildings around the site. Within walking distance is a large Walmart store and a short drive away are several restaurants and other grocery stores etc.

The site is about 30 minutes drive from Indianapolis airport. It is about 3,5 hours drive from Chicago O'Hare airport to which you can fly direct from many major European airports.

Everyone attending will be responsible for arranging their own tents, sleeping gear etc. At SCA 50 year many of us bought tents from Walmart with pick-up in the store next to the site.

The site opens at 15:00 and closes at 18:00

Cost

See event website when it is published. Payment is made directly to the event organizers, not the Drachenwald camp organizers.

Call to Curia

Their Majesties Æiríkr inn Hárfagri and Jacquelyna de Bellmont give notice that they will hold a Curia on Tuesday March 18, 2025 beginning at 7:00pm CET. This will be an online event hosted via Zoom using this link: <https://us02web.zoom.us/j/86917965293>, There is no Zoom meeting password. There will also be a Curia at Spring Crown in Aarnimetsä, more information will be published in the next issue of Dragons Tale

Please see the online Drachenwald Kingdom calendar for more information about attending the Zoom meeting.

CURIA AGENDA

Review proposed Drachenwald law changes

Old Business:

1. Proposal for moving responsibility regarding baronies within a principality from Crown to Coronet

Reasoning

The burdens of the Crown are many. This proposal moves the responsibilities for those baronies that are within a Principality, from the Crown to the Coronet, as the Coronet is already responsible for their regions.

2. Proposal for clarification of fealty presented by principalities

Reasoning

This proposal aligns the kingdom law with current practices and the wording is consistent with the proposed change under old business. This proposal affects section 6.01.4

3. Proposal for changes in categories of the kingdom officers

Reasoning

This proposal is due to changes in Corpora where the Kingdom Chatelaine has been moved from the category of Lesser Officers to Great Officers. Additionally, the proposal removes the hierarchical wording that ranks the Great Officers in order of precedence. This proposal affects sections 5.01, 5.02, and 5.06.9.

4. Proposal for clarification of the responsibility to get awards registered in the Order of Precedence database

Reasoning

The purpose of this proposal is to minimize frustration over missing awards in the online Order of Precedence, and to avoid wasting the time and resources of scribes and royals that unknowingly plan to give out awards that a recipient has already received. This proposal affects sections 2.02.6 and 5.06.2.3, and adds new sections 5.06.2.6, 6.01.5, and 6.05.6.1.

Drachenwald subjects may send questions and comments in writing about this Curia to the Crown (crown@drachenwald.sca.org) and Kingdom Seneschal (seneschal@drachenwald.sca.org) until March 10. Questions submitted in writing in advance of the Curia will be answered first followed by general discussion.

Yours in service,
