The Black Star

Volume 62 Issue 1 This is the September 2024 issue of the Black Star, the official newsletter of the Kingdom of Ansteorra. Ansteorra is a branch of the Society for Creative Anachronism, Inc., and the Black Star is published as a service to the SCA's membership. Subscriptions are available only to members. This newsletter is available online at <http://enewsletter.sca.org/> for current Sustaining, Family, and International members. Memberships are available from the Member Services Office, SCA, Inc., P.O. Box 611928 San Jose, CA 95161. All changes of address or questions about subscriptions should be sent to the Corporate Office.

Neither The Black Star, nor the SCA, Inc., assumes responsibility for products that are advertised within.

For the vision impaired: cassette tapes of The Black Star are available from the Leon Travis Harris Library for the Blind and Physically Handicapped. 300 N.E. 18th Street Oklahoma City, OK 73105. (405) 521-3514 or (800) 523-0288. This service is not available for use by the general public.

Advertising rates are free for SCA event advertisements. All advertising is on a space available basis; please see information on <http://chronicler.ansteorra.org/> for more details. Please also see the Publication Policies located elsewhere in this issue. Any ad for early publication should be sent as a half page for space concerns.

All Rights Reserved for each of the above submissions.

Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the first of the month so that space may be reserved. Anything arriving after the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement each month UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to kingdom@chronicler.ansteorra.org.

Again, please see: <http://chronicler.ansteorra.org/> for detailed information on event announcement submissions.

Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

Stellar Majesties

[Their Majesties will have updates after Pennsic!]

Stellar Highnesses

As we head up to the beautiful lands of Aethelmearc for the Great Pennsic War, know that our thoughts are already turning towards Gulf Wars! We encourage all of our martial-inclined populace to start pulling out your weapons of war, stringing your bows, sharpening your axes, greasing your gears, and checking your tack. Armored, Rapier, Siege, Archery, and Equestrian leaders, we ask that you start scheduling war practices. Get everyone ready for the fields at Gulf Wars.

But Gulf Wars is more than just martial activities! Ansteorra will need armies of Artisans and Service oriented folk to help make Gulf War more fun than a pack of puppies! Artisans can help not only by competing in Kingdom A&S, but also by creating banners and tabards for the kingdom and your groups so the Known World will know the diversity of Ansteorra as we march to the field. Ansteorra will need our service-inclined populace to organize the various musters, keep all the warriors hydrated and not 'hangry', and to volunteer to help the war run smoothly.

TL; DR: Ansteorra needs your help at Gulf Wars!

JPeG III

Prince and Princess of Ansteorra

Kingdom Seneschal

Greetings Ansteorra,

I hope everyone is staying hydrated during these summer days. With the temperatures and heat index out there it is important to not only hydrate and be careful but to watch those around you for signs of dehydration or overheating.

The Royal House was at Pennsic in full force! Their Royal Majesties, Their Royal Highnesses, and Their Serene Highnesses of Vindheim were all present. So many wonderful things were done and seen by everyone, from shopping, fighting, archery, shopping, arts & sciences, laughter, getting to see and visit old friends, make new ones, and more shopping!

September will be the start of a very busy season as we have so many great things happening. Of special note, is our Kingdom Arts and Science competition where they will be selecting the new Kingdom A&S Champion and selecting those artisans that will be representing Ansteorra at Gulf Wars next March!

I look forward to seeing many of you at these upcoming events!

In Service,

Margherita de Mantua (mka Vallie Copley)
Regional Vice President/Seneschal of Ansteorra

Kingdom Exchequer

Greetings,

Thank you to everyone that was able to make it to round table this year. Please keep up the amazing work and keep me and your regionals apprised of anything that comes up.

We have a lot of events coming up, please remember to turn in your reports on time. For bank account requests please remember to use mundane names for everyone. I would like to thank the groups that have started sending myself and the NMR deputy event numbers by email so that the process is not held up by snail mail. As always if you need help first try your regionals if they are unable to help, please reach out to me and we will see what we can do. I want to thank everyone that is starting to send in page 2 of the event form by email so that reports to society can go in on time. I am including a link to the E-sign site that we use for the kingdom and principality it might be useful to you as well. Free Electronic Signature - Xodo Sign (eversign.com)

Opening officer applications for the Southern regional exchequer, and the NMR deputy, and chamberlain. For the chamberlain office you will become a deputy under our current deputy to learn the job and take over around Jan 2025. Applications will be accepted until I receive an applicant for these positions. Please support your kingdom with service.

In Service of The Dream,
H̄L Sean Mac Daniel
Chancellor of The Exchequer

Star Principal Herald

Greetings to the Stellar Kingdom of Ansteorra and Principality of Vindheim!

I am extremely excited and honored to step up into the position of Star Principal Herald. I look forward to supporting the College of Heraldry and Scribes, and continuing the trajectory of Education and Inclusiveness that was begun in the last two years of leadership by HL Annais Eleanor de Montgomerie.

Keep Rocking that Sable Star
Yours in Service

Kingdom Chronicler

H̄ello to Ansteorra, Kingdom of the Sable Star!

I am thrilled to take on the role of Kingdom Chronicler following in the footsteps of Baroness Beatrix. I'll have to work hard to match the attention to detail and energy she brought.

With no time lost, I'd like to announce an upcoming special edition of the Black Star to feature the research papers of the A&S community. The standard of document, archaeological, and living history research within the SCA can compare to professional academics. Those who specialize in the more esoteric side of A&S deserve a chance to shine. Please review the submission requirements and email your research to kingdom@chronicler.ansteorra.org before October 1st.

With enthusiasm,
Sayyida Rayya al-Ruqay'ya

Kingdom Minister of Arts & Sciences

Greetings Ansteorra,

Kingdom Arts and Sciences is only a few weeks away. I hope everyone has their documentation in and ready to go. Documentation was due August 31st. If you missed that deadline, PLEASE contact kingdom@moas.ansteorra.org right now, so we can make some special arrangements to get you in the event.

We will be having extra activities at this event to entertain the populace while scoring is underway. The Historical Combat and Military Studies Deputy, Sigurðr Hrafnsson, will be hosting an educational event on different styles of period combat from the writings of historical combat authors. You will get to meet some of these "authors" and receive a lesson in their style. You can engage with standard SCA combat gear (when safely in our combat rules), a non-SCA combat substitution, or just receive their wisdom in words. I hope to track down Fiore and get a couple of good longsword lessons, substitution style. All ages (youth with parent) and all levels of fitness are invited to join in the fun .

We will also be having two new additions to Kingdom Arts and Sciences itself. In addition to the competition for pilgrim's tokens, we will be allowing display entries for static, performance, and SCA Life. SCA Life is a new category at the Kingdom level. This will allow artists to display those arts that are not period, but add to our SCA Experience. So come with your clever mundanity coverage hacks, or things you just have not been able to find documentation on...yet. All art is important and we would love to see the creativity of all of our Ansteorran artists. The performance display will be hosted by our Kingdom Bard, HL Robin Carrot, and will proceed right after the performance entries. So please feel free to bring your best performance to display to the populace.

Speaking of all our artists. There will be a Youth Arts and Sciences event this year. Please contact the Ministry of Children or myself for additional information on how your youth can participate in this event.

Please take advantage of one or all of these activities. We want all all arts events to have something for everyone and not just be a waiting game. So come have some fun.

In Service,

Zodiacus Herald

Greetings!

Changes to some and creation of more non-armigerous awards in Vindheim!

For a while the Wellspring and the Fountain were merged together; but they have now reverted back to their original status. The Fountain is performance-art as service and the Wellspring is physical-art as service.

The Award of the River of Vindheim is to recognize excellence in period style or display. The recipients inspire others with their attention to period style. It can be received multiple times.

The Award of the Goutte de Vin of Vindheim is to recognize those who contributed to scribal efforts or insignia. Remember – all scrolls are original in Vindheim! No preprints.

The Order of the Hawk's Wing of Vindheim is comparable to the Dove (& Rose) except it is for the fighter, not the consort. It will give them a vehicle by which to continue to serve the Principality as a group. Possibly a first for any kingdom or principality in the SCA!

My thanks to Wulfleda Foxe, Adalia VondemBerg, and Sæbjörn í Eyðigarði for their court reports.
