# Words From the Crown

Greetings to the Solar Sector,

Hearken to the sounds of ATENVELDT ONE! We march to the war fields of Pennsic! Revel as We join the Known World in the 50th anniversary of this esteemed event! We can't wait to sit fireside and join all in the tale making and telling.

Last month We had the pleasure of traveling to Our neighbors and friends in the Outlands and their banner event Battlemoor. Great revelry and companionship was had and We were most overjoyed to see the Atenveldt Centaurs partake in the equestrian games and challenges as well as some fine combatants join in both hardsuit melee and torchlight tourneys and have a fine showing in rapier! We received compliments for all in their comportment and prowess.

We have had occasion to meet with our Circles at Fabric War and Middle East Feast and already vigilants are preparing for elevations to Our august Orders. We are so fortunate to recognize such fine Atenveldters!

Please check our progress and join us soon!

Until we meet again,

## Youth Activities Update – June 2023

The Youth Activities Office has been busy so far in 2023! There have been many meetings both via Zoom and in person to help this office flourish and serve our youth population.

As the year continues, we hope to bring a new focus to the family aspect of the SCA! Whether someone is a parent, young child, or teenager, we want to make sure that everyone feels welcome and can enjoy the SCA to the fullest! This will involve increasing the visibility of youth activities at events as well as ensuring that these activities are accessible to all.

As part of this initiative, we will begin compiling resources for teaching and working with youth. From art history, to crafts, to lesson plans, we want our community to have access to everything they need to plan amazing activities at their events and meetings. We would love to find new ways to guide teenagers and help them find their interests and favorite activities in the SCA. This means that we will be focusing on ways to create safe 'hang out' spaces, and we will be finding new ways to help adults safely work with teens as they enjoy our events.

For more information or to get involved, please contact the Society Youth Activities Officer, Michelle "Mickey Santy" at [youthactivities@sca.org](mailto:youthactivities@sca.org).

## Amendment – COVIDSafe Policy

The Board of Directors continue to monitor and review the environmental landscape as it relates to COVID-19. In line with the shift in approach from an emergency response to incorporating COVID-19 activities into sustainable public health practice for almost all jurisdictions, in late May 2023 the Board has amended its COVIDSafe Policy to remove the requirement for the following text to be included in event details, on websites and posted at events:

*"Although the SCA complies with all applicable laws to ensure the health and safety of our event participants, we cannot eliminate the risk of exposure to infectious diseases during in-person events. By participating in the in-person events of the SCA, you acknowledge and accept the potential risks. You agree to take any additional steps to protect your own health and safety and those under your control as you believe to be necessary."*

This announcement is no longer required.

The Board has directed the SCA, Inc. President and Society Seneschal to continue to monitor the COVID-19 environment. All Society participants are actively encouraged to take appropriate actions to support their personal health circumstances.

Questions or comments regarding this amendment should be directed to Mr. Fulton at [president@sca.org](mailto:president@sca.org).

If you send comments, please use the subject line "COVIDSafe Amendment May 2023". Comments are welcomed and strongly encouraged.

### Corporate DEIB Deputy: Project Implementation

This officer will be responsible for working with and reporting to the SCA DEIB officer to deliver on the Board of Directors initiative requiring kingdoms to publish and track accessibility features for the sites we use for events. This officer will own the implementation strategy for rolling this out consistently across an organization with a global footprint. This office will lead a working group of global accessibility Subject Matter Experts (SME's) as well as kingdom DEIB officers and kingdom Seneschals for the few kingdoms without DEIB officers.

### Corporate DEIB Deputy: Learning and Development

This officer will be responsible for working with the SCA DEIB officer to deliver on the Board of Directors initiative requiring all officers at the corporate, society, board, and kingdom level – including royalty – to take a prescribed set of trainings to prepare them to manage people in a rapidly changing, and often confusing, pro-DEIB environment. This officer will own the development and implementation strategy for rolling this out consistently across an organization with a global footprint. This office will lead a working group of global DEIB Subject Matter Experts (SME's) as well as kingdom DEIB officers and kingdom Seneschals for the few kingdoms without DEIB officers.

Moving forward DEIB officers at the Kingdom level will have significant scope to deliver on Board approved initiatives that are for ALL kingdoms. Kingdoms without DEIB officers are not exempt from these initiatives, so it will fall to the Kingdom Seneschals of the kingdoms' without DEIB roles to provide someone with delegated authority to participate in these working groups lead by this office.

The wars of summer are over, and our stout army has returned home with tales of glory, songs of triumph, and treasures galore! We must, however, stay vigilant and prepare for the wars to come, and to defend our borders and our allies as the cooler weather tempts those who would see Atenveldt defeated. As iron sharpens iron, so one person must sharpen another. Training is paramount and every opportunity should be taken to keep honing the skills of battle.

Their Excellencies of The Barony March of Mons Tonitrus and The Barony of Tir Ysgithir invite one and all to come join us for Melee Camp! Bear witness as the two southernmost baronies come together to host an amazing weekend filled with activities that will hone battlefield skills as well as personal combat prowess with Battle Scenarios, Minute Clinics, Archery and Thrown Weapons, Youth fighting, and Equestrian Activities. Additionally, there will be a host of A&Classes for those who wish to hone other skills or learn new ones. There will also be Youth Activities to both entertain and teach the next generation of Atenveldt.

The evenings will be filled with revelry and camaraderie with a Hafla and a Potluck Block Party. Finally, there will be merchants to tempt you with goods, both exotic and familiar, that will serve to enhance your medieval life.

Join us as we prepare for the wars to come while enjoying companionship and revelry in the beautiful lands of southern Atenveldt. We look forward to your attendance!

## Kingdom Announcements

### Welcome to the Land of the Sun!

Find where you belong!

The Kingdom of Atenveldt covers the entire State of Arizona, USA. If you can't determine which group is closest to you: every kingdom has a Newcomers' Officer (usually called the "Chatelaine", "Hospitaller", or "Castellan"). Baronies are larger groups whose leaders are Baronial Coronets. They pick their titles which are usually Baron or Baroness. Shires are smaller groups that are led by a Seneschal. You can find more information on contacts and meeting times for each group on page 12.

Atenveldt Newcomers Group on Facebook

<https://www.facebook.com/groups/welcome.atenveldt/>

A behind-the-scenes group where newcomers can see what "real life" in the Land of the Sun is like. Feel free to ask any and all questions. There are several Newcomer officers (also called Chatelaines or Gold Keys) in this group to help answer questions and connect newcomers with members of similar interests.

## Make a Kingdom Award Recommendation

Do you know someone worthy of recognition?

Our Royalty cannot be everywhere and see everything, so share your suggestions! Shed some light on worthy members of the populace and let the Crown hear of their good works!

Visit the Kingdom website here to make your recommendation <https://www.atenveldt.org/award-recommendation/>

Not sure what award to recommend? We have an overview of all kingdom awards available here  
<https://www.atenveldt.org/awards/>

Awards are the Crown's way of recognizing people for their good works and successes within the Kingdom and Society. Some awards come with ranks and titles within the SCA. Anyone can recommend anyone else for an award.

You can even recommend someone to one of our peerage orders. While it is not a guarantee that the person will be made a member of the order, the Crown and the peers of that order will take your recommendation under advisement. Your voice does matter, we cannot be everywhere.
