## *From Their Majesties*

Greetings unto the glorious People of Ealdormere,

The deep freeze of the winter have reached us. Much of the kingdom is covered in a crisp layer of snow. There is good news though. The days are starting to get longer and people are starting to come out of hibernation.

With the arrival of February, We marked the finale of the triple tournament challenge. Nobody managed to win all three tournaments in either discipline. However, the honour and skill displayed in all six tournaments exemplified what makes Ealdormere great. Congratulations to all those who participated and showed their prowess for all to see. Every one of you should be proud! Congratulation to Duchess Kaylah for winning the Fencing finale and Duke Roak for winning the Heavy Weapons finale.

With events starting to return to a more regular schedule, We are excited to see all of you at Masque by Moonlight. Her Majesty will also be making a journey south to attend War of the Phoenix.

Unfortunately, both Her Majesty and I will not be able to attend Winter War. However, we invite all of you to attend a rare occasion for Ealdormere, a regency court. Their Highness' have agreed to host a regency court on our behalf. We invite everyone to come out and support them in our absence. Hopefully, We do not return to a civil uprising.

At this time, We would like to propose another small set of law changes, as it would make more sense to have the Kingdom Calendar office moved to be a deputy of the Chronicler (and ease the burden on the Kingdom Seneschal!):

VII-104 The Seneschal shall be responsible for soliciting bids for Kingdom events as defined in Article IV ***and ensuring they appear*** on the Kingdom Calendar of Events.

VII-106 (remove Calendar Secretary - responsible for maintaining the Kingdom calendar of events,)

Changes are in italics.

In Service,  
King Crispin and Queen Anne

## *From Their Highnesses*

Wassail Ealdormere!

The time has come once again to vie for the Honor of our Kingdom! Come and Honor us with your participation in a Tournament to determine the next Heirs to the Thrones of Ealdormere!

Our Tourney shall be of two formats, depending upon the number of participants.

### Format A:

If there are 7 or less combatants, it will be a round robin with each Bout best 2 of three fights with weapons of choice. Once all combatants have completed the round robin the top two shall be our Finalists. If there are ties to decide the final two, those tied combatants will fight a deciding Bout the winners moving on to the Final. The Final will be best 2 out of 3 Bouts, with each Bout consisting of best 2 of 3 fights. The first two Bouts will be with matched weapons. The initial weapon choice goes to the fighter with higher precedence, the second Bout will be fought with the weapon of choice from the fighter with lower precedence. The third Bout, if needed, will be individual choice.

### Format B:

If there are 8 or more combatants, it will be a standard double elimination tree. With each Bout being a best 2 of 3 fights with weapon of choice. This will continue until there are two fighters on the winner's side (side A) of the tree and two fighters on the side with a single loss (Side B). A cross over will then be done with every effort to ensure fighters who have not already faced each other are paired. If this is not possible pairings shall be randomly carried out by Her Majesty. Each of these Bouts will be best 2 out of 3 using weapons of choice. The fighter from side A will need to win one Bout best 2 out of 3 fights. The fighter from Side B will need to win two Bouts best 2 out of 3 fights. The Final will be best 2 out of 3 Bouts, with each Bout consisting of best 2 of 3 fights. The first two Bouts will be with matched weapons. The initial weapon choice goes to the fighter with higher precedence, the second Bout will be fought with the weapon of choice from the fighter with lower precedence. The third Bout, if needed, will be individual choice.

As per Kingdom Law, all Combatants and Consorts shall submit their intent to participate in Our Crown Tourney in writing to both The Crown and The Kingdom Senechal. Doing so through E-mail is perfectly acceptable. Please use the Crown Tournament Declaration form PDF found on the Ealdormere website in the Library section(it makes it very easy). Found here:

The Deadline for said applications will be midnight on May 13th 2025.

## *From the Earl Marshal*

Hello from my estates of Hundehugel.

I've been selected to serve the Kingdom and the marshal community as Kingdom Earl Marshal.

For those of you who may not know me, I joined the SCA in 1986 and authorized in 1987. I was elevated to Knighthood in 1996, becoming the 14 th Female member of the Chivalry. In 1996, I was Princess by Right of Arms. I have lived in Ealdormere, Trimaris and the Middle. I am a solid fighter and a practicing fencer. I don't do archery because I'm always afraid I'll send my glasses down range when I release. My favourite colour is red, I have 3 dogs, and I might start talking about them at any moment.

My Official duties are:

- Being responsible for the good conduct and safety of all martial activities in the kingdom.
- Ensure Crown Tourney is overseen by an armoured combat marshal
- Ensure that authorizations are kept up to date (through the Minister of the Lists),
- Ensured that other local marshals and marshals-at-large in the kingdom are supported
- Be part of the Privy Council.

These are all important things. However, I think the unofficial job is equally important – making all marshal activities better in any way I can, for all participants.

There are 11 Deputy Marshals for the Kingdom, each are specialists in their field. You can find a list of them here: <https://ealdormere.ca/earl-marshal-and-deputies-the-kingdom-of-ealdormere/>

We would very much like to hear from you on any ideas you might have on Making Things Better.

Be Safe,  
Elizabeth

## *From the Kingdom Seneschal*

Hello Sunshines!

Late winter, early spring is a time of a lot of dreary weather in Ealdormere, but also a lot of amazing time with friends and family as we ignore the weather outside and focus on all of the good things happening within the Kingdom.

I would like to warmly welcome Lady Sara Barrington as my new Social Media deputy. I am grateful to her for stepping up to help out in that area. There's a whole team of us who try and keep track of the social media for the kingdom, it's a big job but made easier by you folks generally playing nice. Keep up that great work!

In the same vein of people stepping up to new offices, I am delighted to welcome Her Grace Marioun Golightly in taking on the role of Chancellor of Youth. Master Martin (and Mistress Emma) have worked long and hard in that position and I thank them for that service.

Their Highnesses have published their requirements for entry into their Crown Tournament in this month's newsletter. Please review those requirements carefully, as well as the relevant laws included below. Crown Tournament documentation must be submitted electronically (pdf preferred) to both the Kingdom Seneschal as well as their Highnesses. You will need to include a copy of your authorization card, the membership cards of both the entrant and the consort, a completed Crown Declaration form (as found in the library on the kingdom website), proof of residency for both the combatant and the consort, as well as all requirements set out by their Highnesses. Those documents are required to be submitted complete and on time.

Crown Tournament submissions will be accepted until 11:59 PM EDT on May 13, 2025. That deadline is firm, 12:01 AM is too late. Save yourself the stress and get your submissions in early.

Please review the current laws of Ealdormere as they apply to Crown Tournaments and ensure you follow them in your applications.

III-400 All prospective combatants and consorts must be paid members of the SCA and must maintain that membership through to the end of Their reign. Proof of membership must accompany the request to participate in the Crown Tournament.

III-500 All prospective combatants and consorts in the Crown Tournament must meet the following requirements:

III-501 They must be subjects of Ealdormere as defined by Corpora and must remain subjects of the Kingdom through to the end of Their reign.

## *From the Kingdom Senschal con't*

III-502 They must be at least 18 years old.

III-503 They must have been subjects of Ealdormere and have demonstrated a clear level of involvement in the Kingdom over the year prior to the Crown Tournament.

III-504 They must be armigerous.

III-505 All prospective combatants must be authorized to fight as an armored combatant in the Kingdom of Ealdormere and must present proof of authorization when submitting their letter of intent.

III-600 Any person who does not meet the requirements of Section III-503 or 504 may make an application to the Heirs under the "Rule of 12" as outlined below:

The Prospective combatant and consort shall submit a request to participate in the Crown Tournament pursuant to Section III-200. Their request must be accompanied by a letter addressing why they seek dispensation from Section III-503 or III-504. This letter must bear the signatures of 12 subjects of Ealdormere, all of whom are armigerous. By signing the dispensation request, the signatories vouch for the worthiness of the candidates. Due weight will be given to this request.

Note: This dispensation request must accompany the request to participate in the Crown Tournament and is not a method of recourse after a combatant or consort has been disallowed from the Crown Tournament.

III-700 Neither the Sovereign or the Consort of Ealdormere, nor any person who has served as Sovereign or Consort of Ealdormere within three months prior to the Crown Tournament, may participate as a combatant or consort in that Crown Tournament.

III-800 No prospective combatant may have more than one declared consort. No prospective consort may be fought for by more than one combatant.

If you have any questions, feel free to contact me.

In service,  
Lucia de Moranza

## *From the Minister of Arts & Science*

Greetings to all from Siglinde Harfnerstochter, your humble KMoAS.

I have a few updates to my message about the Kingdom Arts and Sciences event and a call-out for a deputy MoAS.

1) We have an event page on FB: <https://facebook.com/events/s/ealdormere-kingdom-as-2025-as-/1297130011597430/>

2) The deadline for receiving your registration forms is February 28. I have already received many but would welcome more. I need them for single items (whether for judging or for comment only, or just for display - that one is needed in order to plan our space), and pentathlon entries. You can find them at the bottom of the A&S Minister section (<https://ealdormere.ca/kingdom-minister-of-arts-and-sciences/>).

3) As always, this event relies on volunteer judges. If you are interested, please fill out the judges form found at the same place as the registration forms. If have never judged before, don't worry! I'll do my best to pair you with at least one experienced judge, and will provide some guidance before the day.

4) Not sure about what the categories are? I'll be using the list below, which doesn't cover absolutely everything, but it covers most of the commonly-entered areas. If you have something that doesn't fit, please enter it anyway. There is a long tradition in Ealdormere of entrants trying to break our brains by entering things we had never thought of before, and we'll find someone who can provide feedback (or will just want to geek out over the cool thing you did).

Although it is not a requirement, Pentathlon entrants should keep in mind that breadth/diversity of skills is looked upon very favourably, so you are encouraged to enter at least three of the broad categories, if possible.

## *From the Desk of the Kingdom Chronicler*

Greetings Ealdormere

All events need to be registered with the CalSec before they can be published in the Tidings. The registered event needs to be published in the Tidings to be an official event. An official event can be insured and can have royal courts.

Please register your events using this link: <https://ealdormere.ca/how-to-register-your-event-the-kingdom-of-ealdormere/> This will generate an email to the CalSec.

If you are interested in having a full colour edition of the Tidings (and Vox Borealis) arrive in your email inbox, I have a mailing list. Email me and [ealdormere.kchronicler@gmail.com](mailto:ealdormere.kchronicler@gmail.com) to get on the list and receive your copy early. A lot early. Practically a month early.

Archive is now here: <https://sca.app.neoncrm.com/np/clients/sca/neonPage.jsp?pagelid=8&>

Joyfully Yours, Lucia de Enzinas

## *From the Trillium Herald*

Greetings Ealdormere,

This includes the responsibility for the warranting and training of appropriate heraldic officers for all necessary positions and sufficient to ensure that the customary range of heraldic services is easily available in all parts of the kingdom.

If interested, please submit a letter of interest and a resume of relevant SCA (and appropriate mundane) experience to [trilliumherald@gmail.com](mailto:trilliumherald@gmail.com). The deadline for applications is March 1st, 2025.
