Their Royal Highnesses

Greetings unto the populace of Northshield!

Summer is in full swing and that means War Season! We feel it is important for all of us to show our support to Their Royal Majesties in any way possible during this season. We hope all of Our combatants do their best to fight and have fun on the field of battle. For those who choose to support their Crown through arts (like dance!) or through service, please know We see you and greatly appreciate the contributions you bring to our multifaceted and inclusive community. The magic of the SCA does not happen without you all! Stay hydrated, recognize when your body is telling you to take a break, and remember to wear your sunscreen!

Please note that this month Her Highness, Isabella, will be supporting Their Royal Majesties at Pennsic War and She looks forward to joining the Archery Corps with her beloved crossbow, Mirabelle. Mirabelle will also make her appearance at Crispin's Archery Thing and hopes to see other crossbows there as well! His Highness, Yngvar, will be attending Poor Man's Pennsic and looks forward to seeing how the Northshield Army shines!

Speaking of fighting, it has come to Our attention that there may be a need in the future to choose our own heirs. Because We feel it is better for all to have as much time to prepare as possible, below is Our Crown Tournament Format.

Fall Crown list will allow any weapons other than spear or other melee-specific weapons. Each bout will be "bring your best". Each

bout will be one fight (rather than best two out of three). The format will be as follows:

There will first be a round robin tourney. If there are more than nine fighters, there will be pools for the round robin tournament. These pools will be randomly seeded by draw and will each contain as close to the same number of combatants as possible. The number of pools will be determined by the number of entrants, so that no pool contains more than nine fighters. If there is one round robin pool, the top four entrants will be selected to proceed, otherwise, the top two entrants out of each pool will be selected to proceed. Please note that ties in the top of the pool(s) will be broken by one additional match between tied combatants, and mutually destructive fights will be refought throughout the pool(s).

The top entrants selected from the round robin tourney will then fight in a double elimination tournament to determine the victor of the day. If the number of entrants in the final double elimination tourney is not a standard number for double eliminations (ex. 4, 8, 16), byes or challenge-ins will be used as deemed appropriate by the Minister of the List.

In addition to the requirements in kingdom law (listed below), We require that each combatant and consort demonstrate some previous service to kingdom or local group. This could be anything from holding office to helping at an event. Also, each must submit their current heraldry (if they have personal heraldry) with their letters of intent.

Per Kingdom Law III-900:

All prospective combatants and their consorts must meet the minimum criteria in the Governing Documents, as well as the following requirements:

1. Each must have been a subject of Northshield for one year immediately before the Crown Tournament.
2. Each must be a member of the Society for Creative Anachronism and have access to the *Northwatch*.
3. All prospective combatants and their consorts must be acceptable to the Presiding Royalty.
4. No one under 18 years old may fight or be fought for in a Crown Tournament.
5. No member of the Royalty may either fight or be fought for in a Crown Tournament.
6. One member of the couple must also affirm that they can and will maintain the ability to legally cross the U.S./Canadian international border for the duration of their reign, should they be victorious, to ensure

that they are free to travel to all parts of the Kingdom.

This means that any who fight in Crown must have one member of the pair that can cross the international border legally. This includes but is not limited to them being vaccinated per the mundane laws in place and not having a felony, OWI, DWI, etc.

7. All prospective combatants must hold a valid Northshield Armored Combat authorization card. If the combatant does not hold all authorizations that will be used in the tournament, the Crown has the sole discretion as to how and whether they will allow that combatant to participate.

By choosing to fight in Crown they have agreed to these terms and attested that they do indeed meet all the requirements and that at least one of them can legally cross the border to the best of their knowledge and belief.

Letters of Intent are due by 11:59pm the day of Coronation (September 9, 2023) and should be sent to trh@northshield.org and seneschal@northshield.org.

We look forward to seeing you this summer and remember to Fight Well, Dance Often, and, most importantly, Have Fun!

Yours Ever in Service to the Dream,

Yngvar & Isabella

Kingdom Seneschal

Greetings to the Kingdom,

It's summer fun time. Be sure to stay hydrated and protect yourself from the sun.

I am looking for my successor. If interested, please review the job posting on the website, then send me your SCA resume and a brief reason why you would like the position by September 1st. I want plenty of time to train.

Thank you all for being a part of my SCA story.

YIS,

Sorcha

Chancellor of the Exchequer

Greetings, kinsfolk!

My office has been very quiet, which is a good thing.

Those reading closely will note that I did not get the survey out last month regarding exchequer education. I plan to do so soon, hopefully before this is published. I and my deputies want to help train and educate, and

we want to get feedback from the people who need it, so that we can be more effective. Thanks in advance for your thoughtful responses.

While I have a year in office yet, I would like to relieve Bayard of his position as Emergency Deputy Exchequer and install someone who is interested in serving as Kingdom Exchequer. Interested gentles would serve as Emergency Deputy Exchequer, a position that does not have any official duties other than to be copied on Kingdom Exchequer emails and generally be prepared to step into the Kingdom Exchequer office in case of emergency. Please contact me if you are at all interested or have any questions.

The requirements of the role are as follows.

The Emergency Deputy Exchequer is a Deputy to the Chancellor of the Exchequer; is responsible for directly assisting the Chancellor of the Exchequer with all aspects of their position; and has the ability and willingness to take over the position in case of an emergency which would prevent the Chancellor of the Exchequer from performing in this capacity.

Chancellor of the Exchequer duties include, but are not limited to, financial oversight of the Kingdom and its assets; ensuring compliance to Financial Policies; reporting compliance for all Kingdom Branches; compilation of reports for all the Branches and the Kingdom accounts; and maintaining and updating Kingdom Financial Policy (in accordance with Society Financial Policy) and Kingdom Budgets. These duties also include delivering and meeting deadlines for the following:

- Ensure that all necessary steps are completed to become a signatory on all Kingdom bank and investment accounts.
- Ensure that they have online access to all banking and investment accounts, Chancellor of the Exchequer files in the Kingdom online records storage system (currently SharePoint), and the Kingdom bookkeeping system (currently QuickBooks).
- Ensure that they are familiar with Financial Policies, reporting requirements and processes, and any Exchequer responsibilities defined by Kingdom Law.
- Complete any appropriate training offered by the Society Exchequer and/or the Society Treasurer.
- Read emails sent to the email address associated with the office on the Kingdom webpage on a regular basis;

and respond to all requests in a timely manner.

Time Commitments

Workload will vary but expect to put in an average of 2 hours a week. Meeting travel is not required for this position.

This is a warranted position which requires Stallari approval. Warranted officers must be paid members of SCA, Inc.

Required for this position are:

- Dependable email access.
- Dependable phone access.
- Dependable internet access capable of supporting Zoom or similar meeting software.
- Moderate proficiency with Microsoft Excel and similar spreadsheet applications.
- Moderate proficiency with Microsoft Word and similar word processing applications.
- Experience with QuickBooks is not necessary, but the successful candidate will need to learn its use.
- Ability to clearly communicate verbally and in writing, i.e., in person and via email, phone, and in written reports.

In service,

Æsa

Kingdom Minister of Arts & Sciences

Greetings to all.

I want to take the opportunity to welcome several of the new branch Ministers of Arts & Sciences who have taken office since my term began in February. From Nordskogen, we have Hedwyg and, from Inner Sea, we have Luftwine Byrnsmiþ. We have also added Hlíf Askasmiðr as a new Plains Regional A&S Deputy. I look forward to working with you all. I want to thank and recognize Helena the Quiet, Neamhain O'Malley, and Rachell Baker, all of whom have recently retired from their branch MOAS positions after years of service, seeing their groups through the worst portion of the Plague Time. I also want to extend my gratitude to

all of you who are continuing to serve your local groups as MOAS – you are my eyes and ears across the Kingdom. And, if any of you are reading this and do not have a local MOAS, perhaps consider whether this might be a role you would like to take on. If you are curious about what the job involves, feel free to reach out to me at moas@northshield.org.

Farolfus

Kingdom Chronicler

Greetings unto the populace of Northshield,

I continue to be impressed by the few local newsletters Northshield still has. I had the pleasure of nominating three of the newsletters for William Blackfox Awards, the Society's publications awards. The winners should announced this winter.

We continue to have an number of open positions in the Chronicler's office:

Kingdom Chronicler: The office is officially open for letters of intent, for my successor to step up then. As a Great Office of State, the office has a voice and the responsibilities of being a member of the Stallari Council. It is largely an administrative position, overseeing the more specialized deputies and making sure those positions are filled. While experience as a chronicler, webminister, and/or social media officer can be helpful, it is not required. If you have questions about the Kingdom Chronicler position, or would like to be a Deputy Kingdom Chronicler, to get a feel for the office, please contact me. Please submit letters of intent to chronicler@northshield.org by September 1, 2023.

Emergency Deputy Kingdom Chronicler: This deputy should be ready to assume the duties of Kingdom Chronicler should the current officer be unable to perform the duties, and to assist in any other projects the Kingdom Chronicler may ask. Open until filled.

Kingdom Archivist/ Historian: They will maintain the archive of local group newsletters and other important items from Northshield history. Open until filled.

Media Relations Deputy: This deputy serves as a liaison between Northshield and modern media outlets, and as a resource for local groups when dealing with media outlets. Open until filled.

Deputy Northwatch Editor: They assist the *Northwatch* editor as needed. Open until filled.

Western, Central, and Eastern Regional Deputy Social Media Officers (SMO): Deputy SMOs act as a resource for local

SMOs in their region and assist Kingdom SMO with oversight. Open until filled.

TikTok Deputy SMO: The TikTok deputy helps promote Northshield and the SCA via TikTok. Open until filled.

Kingdom Webminister: The Webminister reports to the Society Webminister and the Kingdom Chronicler. This is an administrative (not development) position that oversees/helps the local Webministers of the kingdom, maintains the Webminister's handbook, and manages the kingdom website (a web-based application) to ensure it meets the needs of the kingdom officers and the populace. Please submit letters on intent to chronicler@northshield.org by September 1, 2023.

In addition to the Kingdom Webminister, we are looking for volunteers for the new website development team. There are four positions the website development team needs volunteers for:

Special Deputy: Web Service Developer

This is a limited-term role under the Webminister. This individual will assist in the creation of the new Northshield website. Desired skills or knowledge includes MySQL, PHP, JSON, and Git experience.

Special Deputy: Web Plug-In Developer

This is a limited-term role under the Webminister. This individual will assist in the creation of the new Northshield website. Desired skills or knowledge includes programming for WordPress. Plug-in maintainers and database programmers with knowledge of WordPress Security Architecture, Object Oriented PHP, JSON, JQuery, MySQL, and Git experience are also desired.

Special Deputy: Web Front End Developer

This is a limited-term role under the Webminister. This individual will assist in the creation of the new Northshield website. Desired skills or knowledge includes WordPress theme design/ development (website designer, GUI designer, PHP programmer, all in one), JSON, AJAX, and Git experience. Javascript knowledge a plus.

Special Deputy: Web Administrator

This is a limited-term role under the Webminister. This individual will assist in the creation of the new Northshield website. Desired skills or knowledge includes DNS administration, website backup administration, general administrative tasks, and Git experience.

All of these positions are open until filled. Applications should be sent to the Kingdom Chronicler (chronicler@northshield.org)

and Kingdom Webminister (webminister@northshield.org).

Ever in service to Crown, Kingdom, and you,

Arnbjörn

KING HANS VON WOLFHOLZ, WEST KINGDOM

(June 11) It is with profound sadness that the Board of Directors and SCA Inc. acknowledge the death of His Majesty Hans von Wolfholz

(Josh Wolff) of the West Kingdom, who passed unexpectedly last week. Our hearts go out to his wife, Sir Helga and his Queen, Ciar. His Majesty was a vital part of the SCA community and the outpouring of grief from around the Known World shows his remarkable kindness, wit and contributions to the Society. He will be greatly missed.

YOUTH ACTIVITIES UPDATE – JUNE 2023

The Youth Activities Office has been busy so far in 2023! There have been many meetings both via Zoom and in person to help this office flourish and serve our youth population.

As the year continues, we hope to bring a new focus to the family aspect of the SCA! Whether someone is a parent, young child, or teenager, we want to make sure that everyone feels welcome and can enjoy the SCA to the fullest! This will involve increasing the visibility of youth activities at events as well as ensuring that these activities are accessible to all.

As part of this initiative, we will begin compiling resources for teaching and working with youth. From art history, to crafts, to lesson plans, we want our community to have access to everything they need to plan amazing activities at their events and meetings.

We would love to find new ways to guide teenagers and help them find their interests and favorite activities in the SCA. This means that we will be focusing on ways to create safe 'hang out' spaces, and we will be finding new ways to help adults safely work with teens as they enjoy our events.

For more information or to get involved, please contact the Society Youth Activities Officer, Michelle "Mickey Santy" at youthactivities@sca.org.

AMENDMENT – COVIDSAFE POLICY

The Board of Directors continue to monitor and review the environmental landscape as it relates to COVID-19. In line with the shift in approach from an emergency response to incorporating COVID-19 activities into sustainable public health practice for almost all jurisdictions, in late May 2023 the Board has amended its COVIDSafe Policy to remove the requirement for the following text to be included in event details, on websites and posted at events:

“Although the SCA complies with all applicable laws to ensure the health and safety of our event participants, we cannot eliminate the risk of

exposure to infectious diseases during in-person events. By participating in the in-person events of the SCA, you acknowledge and accept the potential risks. You agree to take any additional steps to protect your own health and safety and those under your control as you believe to be necessary.”

This announcement is no longer required.

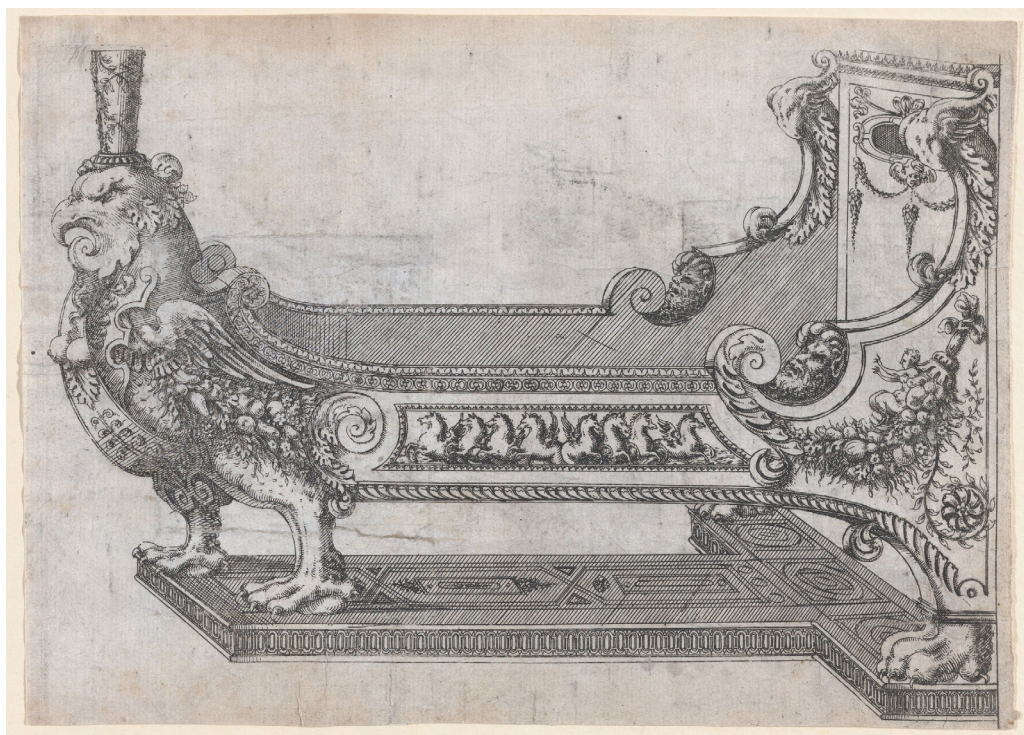

The Board has directed the SCA, Inc. President and Society Seneschal to continue to monitor the COVID-19 environment. All Society participants are actively encouraged to take appropriate actions to support their personal health circumstances.

Questions or comments regarding this amendment should be directed to Mr. Fulton at president@sca.org.

If you send comments, please use the subject line “COVIDSafe Amendment May 2023”. Comments are welcomed and strongly encouraged.

S.C.O.R.E.S IS COMING!

We’re really happy to share with you that that the SCA Online Registration and Event System (S.C.O.R.E.S) is coming! In fact, it’s almost here! Over the next couple of weeks, the final tests will be completed (the next test will occur for an event in Atlantia) and then the system will be released to SCA Inc Kingdoms for general use! Stay tuned!

DEAR ABBESS:

I live in a small coastal village in Denmark and often while away my free time in the marshes and bogs. When my friend and I were out there the other day, we found a sword buried in the muck. We were so excited that we started poking around

a bit more and found several other swords. Unfortunately, they all seem to be bent or otherwise damaged. There were plenty of axe heads, arrowheads, and other useful things, so we figured we could at least clean those up and sell them, but we are still stumped as to why so many things were in the water here. The village priest doesn't seem to know, and even the oldest of the elders doesn't remember anything important happening here. The swords look weird too, not like the kind people use around here. We heard that Frisians will buy anything, so maybe we could fix them up and sell them. Or maybe just recycle the metal into something else. Do you know of any reason why all this perfectly good iron would be dumped in a bog? It seems too good to be true.

Yours,

—SOGGY SWORD

DEAR SOGGY,

YOU PUT THAT RIGHT BACK WHERE YOU FOUND IT. While the English may tell tales of ladies in lakes who give out swords to kings, you are not a king and that is not your sword. You have likely found a ritual deposit of weaponry, one of many that were dropped into water bodies around the

Jutland Peninsula and believed to be sacrifices of weapons taken from a defeated army after a battle. Similar troves were deposited at Hjortspring, Illerup Adal, Vimose, and Nydam many centuries ago. While there is likely some heathen belief behind it, you would be better off leaving well enough alone. Let someone else deal with it in a thousand years.

—ABBESS

DO YOU HAVE MEDIEVAL PROBLEMS? ASK DEAR ABBESS BY WRITING TO NORTHWATCH@NORTHSHIELD.ORG, PUTTING "DEAR ABBESS" IN THE SUBJECT.
