KINGDOM OF AVACAL'S
OFFICIAL NEWSLETTER

AS LVIII(58) Vol. X
February 2024

CHRONICLER'S DESK

Greetings Friends!

In our remote corner of the world, Avacal may sometimes feel isolated, surrounded by the Rockies to the west and vast expanses to our south and east. Positioned as the true north, we stand strong and feudal, a kingdom with its own distinct history and traditions shaped by the countless individuals who have forged unique paths toward a common dream. Among the twenty kingdoms, we remain the newest, with seven and a half years of rich yet relatively brief history.

Having been fortunate enough to participate in events across several kingdoms, including the West, Caid, An Tir, Artemisia, and Meridies, I've encountered individuals from every corner of the Known World during the grand wars that unite us. It's fascinating to witness the diverse courts from around the globe, observing both the unique practices and the enduring constants within our game.

I wholeheartedly encourage everyone, if circumstances allow, to engage in this wide-reaching experience as much as possible. Whether it's working a shift at Troll during the Great Western War, marshaling at Gulf Wars, or teaching a class at Pennsic, immersing yourself in different facets of the SCA offers a profound and enriching experience. Through these endeavors, you not only gain valuable insights but also cultivate a broad network of new friendships that span the vast tapestry of our shared passion.

Let's embrace the opportunity to explore and contribute to the greater SCA community. By participating in events far and wide, we not only strengthen the bonds that unite us but also ensure that our own corner of Avacal remains connected to the vibrant tapestry of the Known World.

See you next issue,
Hamelin

KINGDOM AND COURT

reetings Avacal!

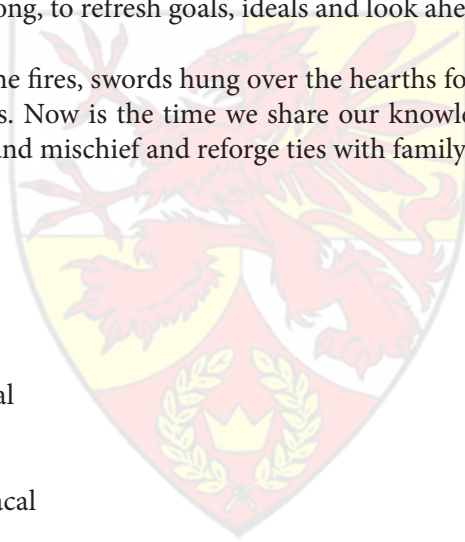

Another year has come and gone, and the darkest and longest of our winter nights has now passed into shadows for another year. Now we look forward to clean slate that is the new year, a true time of new beginnings and perhaps a time to help those old beginnings along, to refresh goals, ideals and look ahead to great things to come.

While the armies of Avacal rest by the fires, swords hung over the hearths for another season to come, now is the time of our artisans, craftsman and bards. Now is the time we share our knowledge by the fires of kinship on these cold winter nights, to hear tales of glory and mischief and reforge ties with family and friends. This is the time of wonderful creations.

A Happy New Year unto Avacal!

So say I,
Ellias, King of Avacal

So say I,
Kiera, Queen of Avacal

Avacal Kingdom Job Posting

AVACAL KINGDOM CHRONICLER - SR. OFFICER POSITION

The Kingdom Chronicler is responsible for ensuring the publication of the Avantgarde on a monthly basis, without exception. Ideally, the perfect candidate would pursue the creation of a team of deputies, which they head. The hours it takes vary from month to month and with experience, but expect to spend about 10-15 hours per month on the newsletter to start. I found two weekday evenings and one weekend day was sufficient. I am willing to train anyone with enthusiasm and remain as a deputy until you feel comfortable. A knack for desktop publishing skills and computer/email prowess is highly recommended. Any interested parties are asked to reach out to Hamelin L'Archier, the current Chronicler (chronicler@avacal.org) and Renee Carr, Kingdom Seneschal (seneschal@avacal.org). This position reports directly to Society and does not issue regular reports to Kingdom.

COMMENTARY REQUEST - SCA

Commentary Request – Proposed Changes – Chatelaine and DEIB

The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants.

These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.

The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space.

Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.

Note: Changes to corporate offices don't require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.

This restructuring aligns with better practice for organizations that aim to improve recruiting and retention by creating welcoming and inclusive environments.

Recruiting and Retention structural changes for member commentary and verbiage change to Corpora.

J. Diversity, Equity, Inclusion, and Belonging Officer:

o Change:

Avacal financial policy states that the SCA cannot purchase or own alcohol except in small quantities for cooking purposes. Alcohol can be served at events provided all modern laws and regulations are adhered to. Events may cover the cost of the liquor license, and alcohol may be served by individuals as arranged by the event. Alcohol service cannot be designated an official duty of an office or officer.

L. Emergencies

Any time that an Event Steward feels that they need the support of the Seneschal to handle a difficult situation they should feel free to do so. Preventing emergencies is the goal.

- A) Immediately notify the Branch and Kingdom Seneschal about any occurrences that made it necessary to call the modern authorities (law enforcement, fire department, emergency medical) to the site of an event. Such emergencies include injuries in which the victim is transported by EMS or ambulance.
- B) Immediately notify the Branch and Kingdom Seneschal and Crown of any suspected thefts, embezzlements, or other financial irregularities.

IV. Kingdom Calendar

A. Calendar Dates

Avacal's Calendar dates are fixed and set as below (Fig 1). Local activities such as practices, meetings and taverns, etc., are not placed on the kingdom calendar.

In accordance with the Laws of the Kingdom of Avacal:

- Kingdom Events and Kingdom Sanctioned Events will not conflict with each other.
- The Crown shall retain the right to revise dates on the calendar when deemed necessary.
- The Crown shall retain the right to revise calendar policy as they see fit for Their Reign.

All events placed on the calendar are considered Kingdom sanctioned events and will not conflict with each other. For conflict to occur a group must have the written permission of the Crown, and the Seneschal of the group they wish to conflict with. Unsanctioned events on the calendar may conflict with other events.

B. Changes to the Calendar

If a group wishes to move one of their Kingdom sanctioned events to an open weekend, or if groups wish to change weekends with another group, then the applicable group Seneschal(s) shall contact the Crown in writing and ask permission. If the Crown is in agreement, they will direct the updating of this event policy.

C. Minimum and Maximum Number of Events

1. Group Minimums

As per Kingdom law, all branches are required to host at least one Kingdom Sanctioned Event per calendar year on the Kingdom Calendar with complete event

copy appearing in The Avantgarde.

Any Kingdom Event MAY count toward a branch's minimum if the branch chooses.

2. Group Maximums

- Baronies may not exceed a maximum of three Kingdom Sanctioned Events per Calendar year.
- Shires and Cantons may not exceed a maximum of two Kingdom Sanctioned Events per Calendar year.
- Kingdom Events do NOT count toward the maximum number of events a branch may hold.
- Branches that do not use their maximum may donate their remaining event(s) to another group.
- Incipient Shires may have one event set on the Calendar by the sponsoring branch. This event does NOT count as part of the maximum number of events for the sponsoring branch.

D. Notification, Advertising, and Deadlines

For all events that are Kingdom Sanctioned, the Event Copy and AEF must be sent to the Kingdom Calendar Officer three months prior to the event.

For example, the event copy must be received by the calendar officer on or before October 1st for an event taking place in January. This gives the Kingdom calendar officer and Kingdom Chronicler time to review the information and meet The Avantgarde deadlines. A branch that submits event paperwork early may receive additional months of advertising in the Avantgarde provided there is space.

Bids for Kingdom events are due 12 months in advance. If no acceptable bid has been submitted by the bid deadline, the branch that has gone the longest without hosting a Kingdom Event may have the event assigned to them. If that branch is unable to accept the assignment, the branch that has gone the second longest will be assigned, and so on until there is a willing host branch found. This responsibility lies with the Crown who is informed by the Event's Deputy.

All Social Media and Avacal Website events must be published by the Kingdom Calendar Officer (or authorized deputy) through official Avacal pages. (e.g. Facebook event pages for any event within Avacal must be created through the official Kingdom of Avacal Facebook page).
