Words of the Crown

Greetings to the populace of Drachenwald from Krake and Beatrix

It is with great joy we once again step up on the Black dragon thrones and we do very much look forward to travelling our beautiful Kingdom and to get the chance to, again or for the first time meet as many as possible of you.

We want to take this opportunity to thank our predecessors King Ærikr and Queen Jacquelyna for everything you have done for our Kingdom and for leaving us such vast and prosperous lands to rule.

We are aiming high and are going to let our arrows land in as many places of our Kingdom as we can during our reign. After a lovely coronation in Ad Flumen Caerulum our regal regatta will steer its prow towards the shores of Aarnimātes and the Cudgel war. From there it is not far to head towards the white cliffs of fair Styringheim and Visby medieval week and that is only the summer! Autumn will take us in new directions, crossing seas, rivers and streams.

We wish to send our congratulations to Drachenwalds first Member of the Order of the Mark, Mistress Kerttu! Since we would like to increase this order with other skilled and worthy members we ask the populace and especially those of you who have an interest in ranged martial arts to send your recommendations and comments to us. We would also love to receive your recommendations on anyone deserving of any award that we can give.

Lastly a reminder to look at the Drachenwald calendar and tick the events you want to attend, we are sure they will all be fantastic and memorable and we would especially like to draw your attention to the Autumn Crown tourney at Ingestre hall in Depedene under Wychwood, 10-12 October.

Greetings from the Seneschal

Lovely lovely Drachenwald!

This is my last column as Kingdom Seneschal. When I stepped up three years ago my wish was to meet and see the great diversity of our kingdom. Everything I have experienced has by far exceeded my expectations. I have met so many wonderful people and been to a lot of great events. Thank you to all autocrats and everyone else who makes it possible for us all to have a good time together!

During my period I have had the luxury to work with extraordinary people. The officers in Drachenwald, Law council and Regnum deputies are definitely some of them.

As Kingdom Seneschal you work closely with their Majesties. I have had the pleasure to work with several couples on the throne. I'm deeply impressed by the dedication and time they invest into our kingdom. They do it out of love for Drachenwald!

I'm writing this column at Double Wars. Listening to the sounds from the camp. It couldn't be better!

I now hand over the office to Baron Colin Tyndall de ffrayser but I promise to continue to travel around. See you soon!

Tova av Attemark
Kingdom Seneschal

Greetings from the Seneschal

Greetings and salutations, good gentles of Drachenwald!

As the new kingdom seneschal, I thought a quick introduction was in order...

My name is Baron Colin Tyndall de ffrayser - normally I just go by Tyndall - and I reside in Switzerland. I'm former US military and was previously in Drachenwald temporarily (Blauwasser 2003-2006 and West Dragonshire 2007-2010), and have been back permanently since 2013. I've been around the SCA ~ 35 years, having lived in a variety of kingdoms and having held many of our offices. So it's "not my first rodeo" as they say... :D

In general, my primary goal is to ensure the administration of the kingdom is as smooth and efficient as possible, but I'm sure there will be challenges along the way. To that end, I intend to have periodic online "office hours" for those with questions for the seneschalate - please stay tuned for more information. For now, I just wanted to say that I look forward to working with or at least meeting many of you over the coming years!

In service to Drachenwald & the Dream,

Tyndall
Kingdom Seneschal

Cudgel War

04 - 13 July 2025
Aarnimetsä - Finland

Cudgel War is the barony of Aarnimetsä's traditional summer camp with outdoor camping and some indoor spaces.
Kavalahti scout camp site is near Inkoo in Southern Finland, only 60 km west of the capital Helsinki. Join us for 10 days (or fewer) of various activities like martial arts, arts and sciences, courts, and of course sauna, swimming, and the white northern nights. Some indoor accommodation and

meals are available, but many visitors prefer camping on the meadow or the field.

Site

Björvikintie 109, 10230 Inkoo, Finland
The event is mainly a tent camp, but there is also indoor accommodation in cabins and a dormitory. The site has drinkable running water and WCs in two outbuildings, but there are no facilities in the indoor accommodation buildings. The showers are in the sauna building by the beach. The medieval tents will be on the grassy area in the middle of the camp and on a nearby field. There are forest camping areas for mundane tents on the outskirts of the camping area.

The site is built on a hillside which can be challenging for people with reduced mobility. The disabled toilet is located behind the kitchen, about 200 meters from the indoor sleeping space, and the route includes a slope. The only way to get to the showers is to navigate the sauna stairs, and all the paths are gravel, not paved.

This year, anyone wishing to camp in the medieval camp in a group must choose a land agent among the group members. The land agent will be the contact person for your entire group in matters concerning camping, e.g. tent sizes, and the name of your camp will be on the reservation form for you to choose. Those with one single tent that can be placed anywhere in the medieval area and those with mundane tents do not register as land agents. The site opens at 14:00 and closes at 12:00

Cost

Site and meal fees are based on the participant's age in the following manner:

Kingdom University
07 - 09 November 2025
Miehonlinna - Finland

The Canton of Miehonlinna is proud to invite all to attend the Kingdom University held in Ahtela Youth Camping Center in Sauvo, Finland. The weekend will be filled with arts and sciences, great lectures and intriguing workshops. Come to learn new things and share your knowledge! The event will culminate to a delicious feast and a grand ball.

Site

Ahtelantie 21, Sauvo, Finland

The site is Ahtela youth camping center. The site has been previously successfully used for several SCA events including Coronation and Crown Tourney. The site is spread over a forest near the sea. We'll be using all buildings on site. The site is in our exclusive use. There are few neighbours and no services (gas stations, shops, etc.) in the immediate area.

Ahtela is a typical youth camping centre in the sense that activities will take place in different buildings and therefore one will have to do some walking outdoors to get

to places, regardless of the weather. We recommend that all guests bring good outdoor shoes that are suitable for walking in Finnish winter weather. The roads between the buildings are sand/gravel and very well lit even during the night time. Maintenance of the roads is taken care of by a hired care keeper. There's some trekking up/downhill, but the slopes are not very steep. We do try to limit on-site driving as much as possible during the event. But if one cannot walk the distance, it is possible to drive by car almost door-to-door between accommodation and feast hall. Most buildings are not handicapped accessible.

There is the main hall building that will have space for 120 for the feast. Courts will also be held in the main hall. There is a smaller hall for 40 persons that will be used for classes. In the additional hall there is a large industrial style kitchen that can be used for cooking classes. These two halls have no accommodation spaces.

University classes will be held in the main hall and the small hall but accommodation buildings also have spaces that will be used for University classes. There are at least 7 areas that can hold classes simultaneously. These areas are not uniform in size which will have to be taken into consideration when submitting classes for the University. Some areas are large enough to hold 2 classes simultaneously. As the class spaces are 5-10 minute walk apart from each other this will be taken into account when planning the University schedule to allow convenient time for changing classrooms.

An arts and sciences display will be held in the main hall in the event. Please contact kingdom MoAs for more information if you wish to participate.
(moas@drachenwald.sca.org)

There are 8 accommodation buildings spread over the site. These have beds for 6-30 people each. All beds have pillows and blankets. All guests must bring bed linens and use them even if they are using a sleeping bag. There is also some crash space on the floor in some buildings. Crash space is a single mattress sized spot on the floor. If you have been assigned crash space you will need to bring your own mattress, pillow and blanket.

All buildings are modern and in good condition.
